18 USC §1513 Federal Informant; 31 USC §3279 Qui-Tam Relator;

mere Pro-Se Low-IQ Attorney like all Circuit & SCOTUS Judge\$; and

5-Year NSA Mole whose job is to get judge\$ convicted under 18 USC: §201

Corruption, §§1341/43 Mail/Wire Fraud, §§1512/13 Interference/Retaliation

Against Federal Informants, §§1959/62 Racketeering, §2381 Treason, and §1091

Genocide like when \$selling order\$ to the NRA knowing that murder will result

INTRODUCTION

Comes now 5-year Federal Informant & Qui-Tam Relator Missud, whose job was and is to set-up corrupt federal judge\$ for lifetimes in prison, and to request that this Circuit'\$ En-Banc Court file this Amicus Brief before the June 16, 2015 Oral Argument in *Peruta v. San Diego*.

Unlike the other entities and organizations submitting very cordial and politically-correct Amicus Briefs in and for *Peruta*, I need not show any deference to this ultra-corrupt \$editioni\$t Circuit Court because I already set you all up for at least life terms, *if not execution*, for treason, overthrow of the no longer neutral judicial branch of government, *and genocide*.

The records submitted in and for *Missud v. Wayne LaPierre et al.*, which will soon be petitioned for Review to the U.S. Supreme Court per 14-16509 Docket #15, are hereby incorporated by reference and already prove that District and Circuit judge\$ are bought-off by the NRA with it\$ vast wealth because billion\$ are to be made by peddling highly profitable guns which are known to cause death mostly in urban centers inhabited by mostly minority citizens who are being subjected to serious bodily injury and death.

18 USC §1091 Genocide: “Whoever, whether in time of peace or in time of war and with the specific intent to destroy, in whole or in substantial part, a national, ethnic, racial, or religious group as such (1) kills members of that group; (2) causes serious bodily injury to members of that group; (4) subjects the group to conditions of life that are intended to cause the physical destruction of the group in whole or in part, can be punished with death.”

Find attached Filed-Endorsed Docket #15 which contains: diamond-hard proof regarding just a few of the judge\$' brazen lie\$; and concrete court documents evincing that the treacherou\$ judge\$ routinely \$ell order\$ to the NRA to keep their money *and minority citizens' blood flowing*.

PROOF OF SERVICE AND CERTIFICATION

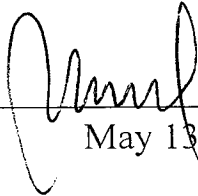

I Patrick Missud CERTIFY that this Amicus Brief is written in 14 point type; has correct margins; contains 757 words; and 25 paper copies were first sent by Signature Confirmed tracked USPS # 2313276000009625291 to this En Banc Circuit Court for Peruta [10-56971, 11-16255] to guarantee delivery. This En Banc Court is now on a *meat hook* to acknowledge submission and either docket or reject this criminally-proven Amicus Brief.

This Amicus Brief was then personally-filed over-the-counter with this 9th Circuit, and finally served by email to: NRA defense counsel Lincoln Bandlow; dozen\$ of other NRA \$ympathizers; federal law enforcement including the FBI and Federal DOJ's Criminal Division, and a gaggle of other cyberspace witnesses since this Circuit nefariously locked me out of it\$ ECF case filing system because none of its ab\$olutely judicially immune (and corrupt) judge\$ want the public to know they already \$old di\$mi\$\$al\$ to the NRA and participated in decades-long 18 USC §1091 Genocide.

P.S.- Recall that all self-authenticating, absolutely reliable, non-hearsay FRE-803 evidence and documents registered in 14-16509 are incorporated by reference herein. *No matter how large the NRA's next corporate pay-off is*, thi\$ En-Banc Circuit MUST consider them for their substance and neither \$ummarily di\$mi\$\$ any, nor play "hear, \$ee, and \$peak no evil" for Wayne LaPierre and his Murder-for-Money NRA.
