20 **CONFERENCE**

21 The parties by and through their respective counsel hereby stipulate to a short
22 continuance of the settlement conference set for Tuesday, March 27, 2007.

23 The hearing on the parties' cross motions for summary judgment took place
24 February 28. The parties just received the Court's rulings on the motions yesterday,
25 March 19. The Order is over 90 pages long. Further, the Court set a status conference for
26 Monday, March 26 at 11am.

27 The parties suggest the following:

- 28 • If the Court wishes, to hold a telephonic conference on Tuesday, March 27,
instead of the scheduled settlement conference.

- Continue the settlement conference for a short time, perhaps to the following
week.
