[Motion For Reconsideration, EN BANC]
[Motion to Intervene As Plaintiff under Rule 24(A)², 24(B)]

Comes now, Jonathan Lee Riches d/b/a Bernard Madoff moves this court to Intervene as a Plaintiff with newly discovered evidence which was withheld from James M. Maloney. I move for a motion for Reconsideration to present this discovery I have a common vested interest in this case and move to Intervene under Rule 24(A)² as a UNCONDITIONAL matter of Right. Zuber v. Allen and under Rule 24(B)- permissive Intervention. My Intervention brings questions of Law and Facts that are common in this Action. Andrew Cuomo, the state of New York and the Federal Medical center in Lexington Kentucky discriminates Against me from possessing weapons in order to defend myself in prison. In a white collar, non-violent offender in a medium prison with violent killers and sexual predators, I made a homemade shank, and got caught and loss 60 days good time, I need weapon protection. Violent inmates are trying to extort my wealth and take advantage of me weighing only 110 lbs at 5ft 10 inches. I have documents, exhibits, medical records. My 2nd Amendment right to bear Arms is violated. I can be reached or contacted at the below Address. I pray this court will grant my motions for relief.
