[Approved by Governor July 1, 2016. Filed with Secretary
of State July 1, 2016.]

LEGISLATIVE COUNSEL'S DIGEST

SB 1235, De León. Ammunition.

(1) The proposed Safety for All Act of 2016, to be submitted to the voters at the November 8, 2016, statewide general election, if enacted would, commencing January 1, 2019, allow any person who is 18 years of age or older to apply to the Department of Justice for an ammunition purchase authorization. The act would allow the sale of ammunition only to persons holding an ammunition purchase authorization or to persons who were approved by the department to receive a firearm from the ammunition vendor if the ammunition is delivered to the person in the same transaction as the firearm. The act would allow the department to charge a fee not to exceed \$50 per person for the issuance of an ammunition purchase authorization or the issuance of a renewal authorization. The act would create the Ammunition Safety and Enforcement Special Fund to receive these fees and would continuously appropriate the funds for the purposes of implementing, operating, and enforcing the ammunition authorization program. The act would authorize its provisions to be amended by a statute that is passed by a vote of 55 percent of the Members of each house of the Legislature and signed by the Governor so long as the amendments are consistent with and further the intent of the act.

This bill would, if the Safety for All Act of 2016 is enacted by the voters at the November 8, 2016, statewide general election, amend the act to instead allow ammunition to be sold only to a person whose information matches an entry in the Automated Firearms System and who is eligible to possess ammunition, to a person who has a current certificate of eligibility issued by the department, or to a person who purchases or transfers the ammunition in a single ammunition transaction, as specified. If the act is enacted by the voters, the bill would amend the act to charge ammunition purchasers and transferees a per transaction fee not to exceed \$1, as provided, and would

deposit the funds into the Ammunition Safety and Enforcement Special Fund created by the act, which fund would be continuously appropriated by the act, thereby making an appropriation. If the act is enacted by the voters at the November 8, 2016, statewide general election, the other provisions of this bill would not become operative. Because this bill would amend the act, it would require a vote of 55 percent of the Members of each house of the Legislature.

The bill would make Legislative findings and declarations that these amendments further the intent of the act.

(2) Existing law requires the Attorney General to maintain records, including, among other things, fingerprints, licenses to carry concealed firearms, and information from firearms dealers pertaining to firearms, for purposes of assisting in the investigation of crimes and specified civil actions. In regard to certain of those records, existing law authorizes specified peace officers to disseminate the name of the subject of the record, the number of firearms listed in the record, the description of any firearm, and other information reported to the Department of Justice, as specified, if the subject of the record has been arraigned, is being prosecuted, or is serving a sentence for domestic violence or is the subject of specified protective orders. Existing law requires the law enforcement officer to provide a victim of domestic violence to whom information is disseminated with a “Victims of Domestic Violence” card, and authorizes the victim or other person to whom the information is disseminated to disclose that information as he or she deems necessary to protect himself, herself, or another person from bodily harm by the person who is the subject of the record.

This bill would, if the proposed Safety for All Act of 2016 is not enacted by the voters at the November 8, 2016, statewide general election, require the Attorney General to also maintain information about ammunition transactions and ammunition vendor licenses for those purposes. The bill would similarly authorize specified agencies, officials, and officers to disseminate the name of a person and the fact of any ammunition purchases by that person, as specified, if the subject of the record has been arraigned, is being prosecuted, or is serving a sentence for domestic violence or is the subject of specified protective orders. The bill would require the law enforcement officer to provide a victim of domestic violence to whom information regarding an ammunition purchase is disseminated with a “Victims of Domestic Violence” card.

By imposing new duties on local law enforcement officers, this bill would impose a state-mandated local program.

(3) Existing law, subject to exceptions, requires that the delivery or transfer of ownership of handgun ammunition occur only in a face-to-face transaction and makes a violation of this requirement a crime.

This bill would, if the proposed Safety for All Act of 2016 is not enacted by the voters at the November 8, 2016, statewide general election, extend those provisions, subject to exceptions, to any ammunition and would reorganize those provisions.

(4) Existing law provides that the term “vendor” for purposes of ammunition sales is a “handgun ammunition vendor” as defined for those and other purposes.

This bill would, if the proposed Safety for All Act of 2016 is not enacted by the voters at the November 8, 2016, statewide general election, provide that the term “vendor” for purposes of ammunition sales means “ammunition vendor” and, commencing January 1, 2018, means a licensed ammunition vendor. The bill would provide that commencing on January 1, 2018, only a licensed ammunition vendor may sell ammunition. The bill would revise the definition of “ammunition” for those purposes.

(5) Existing law establishes the Prohibited Armed Persons File, the purpose of which is to cross-reference persons prohibited from possessing firearms with records of firearm transactions to determine if these persons have acquired or attempted to acquire firearms. Under existing law, a person who is prohibited from owning or possessing a firearm is prohibited from owning, possessing, or having under his or her custody or control any ammunition or reloaded ammunition.

This bill would, commencing July 1, 2019, if the proposed Safety for All Act of 2016 is not enacted by the voters at the November 8, 2016, statewide general election, use the Prohibited Armed Persons File to cross-reference persons who attempt to acquire ammunition, as specified, to determine if those persons are prohibited from possessing ammunition.

(6) Existing law makes it a crime for a person, corporation, or firm to provide ammunition, as specified, to an individual that the person, corporation, or firm knows or should know is prohibited from possessing or owning ammunition.

This bill would, if the proposed Safety for All Act of 2016 is not enacted by the voters at the November 8, 2016, statewide general election, apply that prohibition to other business enterprises. The bill would make it a crime for a person, corporation, firm, or other business enterprise to provide, as specified, ammunition to an individual that the person, corporation, firm, or other business entity knows or has cause to believe is not the actual purchaser or transferee of the ammunition or knows or has cause to believe that the ammunition is to be sold or transferred to a person prohibited from possessing or owning ammunition.

(7) Existing law prohibits an ammunition vendor from allowing a person the vendor knows or should know is a person who is prohibited from possessing firearms, for specified reasons, from handling, selling, or delivering handgun ammunition in the course and scope of his or her employment. Existing law prohibits an ammunition vendor from selling or otherwise transferring ownership of, offering for sale or otherwise offering to transfer ownership of, or displaying for sale or displaying for transfer of ownership of, any handgun ammunition in a manner that allows that ammunition to be accessible to a purchaser or transferee without the assistance of the vendor or an employee of the vendor.

This bill would, if the proposed Safety for All Act of 2016 is not enacted by the voters at the November 8, 2016, statewide general election, extend

those prohibitions to any ammunition. The bill would require that when neither party to the ammunition transaction is an ammunition dealer, the transaction be conducted by an ammunition dealer. The bill would, subject to exceptions, require a resident bringing ammunition into the state to have the ammunition delivered to an ammunition dealer for delivery to the person, as specified. The bill would provide that a violation of these provisions is a crime.

(8) Existing law, subject to exceptions, requires a handgun ammunition vendor to record specified information at the time of delivery of handgun ammunition to a purchaser, as specified.

This bill would, if the proposed Safety for All Act of 2016 is not enacted by the voters at the November 8, 2016, statewide general election, extend those provisions to transactions of any ammunition and would, commencing on July 1, 2019, require the ammunition vendor to submit that information to the Department of Justice, as specified. The bill would require the department to retain the information for 2 years in a database to be known as the Ammunition Purchase Records File and would prescribe the authority of the department and other entities to use the file, as specified. The bill would, commencing on July 1, 2019, and subject to exceptions, require the purchaser of ammunition to be authorized to purchase ammunition by the department, as specified. The bill would require the department to cross-reference the Prohibited Armed Persons File and the Automated Firearms System for those transaction purposes. The bill would require, commencing on July 1, 2019, and subject to exceptions, that only persons listed in the Automated Firearms System, or who purchase a one-time ammunition transaction license from the department, would be able to purchase ammunition. A violation of these provisions would be a crime.

The bill would, if the proposed Safety for All Act of 2016 is not enacted by the voters at the November 8, 2016, statewide general election, authorize the department to accept applications for ammunition vendor licenses, commencing on July 1, 2017. The bill would require an ammunition vendor to be licensed, commencing on January 1, 2018, in order to sell ammunition. The bill would create an application process for ammunition vendors, as specified. The bill would establish the Ammunition Special Account, into which vendor license fees and ammunition transaction fees would be deposited and made available, upon appropriation by the Legislature, to the department for purposes of enforcing the ammunition vendor licensing and ammunition purchasing provisions. The bill would require the ammunition vendor to conduct business at the location specified in the license, except in the case of gun shows or events, as specified. The bill would require ammunition sales at a gun show or event to comply with certain requirements pertaining to ammunition transfers and recordkeeping, the violation of which is a crime.

(9) By expanding existing crimes and creating new crimes, this bill would impose a state-mandated local program.

(10) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

Appropriation: yes.

SEC. 12. Section 30352 of the Penal Code, as proposed to be amended by the Safety for All Act of 2016 at the November 8, 2016, statewide general election, is amended to read:

30352. (a) Commencing July 1, 2019, an ammunition vendor shall not sell or otherwise transfer ownership of any ammunition without, at the time

(b) Commencing July 1, 2019, an ammunition vendor shall electronically submit to the department the information required by subdivision (a) for all sales and transfers of ownership of ammunition. The department shall retain this information in a database to be known as the Ammunition Purchase Records File. This information shall remain confidential and may be used by the department and those entities specified in, and pursuant to, subdivision (b) or (c) of Section 11105, through the California Law Enforcement Telecommunications System, only for law enforcement purposes. The ammunition vendor shall not use, sell, disclose, or share the information for any other purpose other than the submission required by this subdivision without the express written consent of the purchaser or transferee.

(c) Commencing on July 1, 2019, only those persons listed in this subdivision, or those persons or entities listed in subdivision (e), shall be authorized to purchase ammunition. - (1) A person authorized to purchase ammunition pursuant to Section 30370.
- (2) A person who was approved by the department to receive a firearm from the ammunition vendor, pursuant to Section 28220, if that vendor is a licensed firearms dealer, and the ammunition is delivered to the person in the same transaction as the firearm.

(d) Commencing July 1, 2019, the ammunition vendor shall verify with the department, in a manner prescribed by the department, that the person is authorized to purchase ammunition. If the person is not listed as an authorized ammunition purchaser, the vendor shall deny the sale or transfer.

(e) Subdivisions (a) and (d) shall not apply to sales or other transfers of ownership of ammunition by ammunition vendors to any of the following, if properly identified:

- (1) An ammunition vendor.
- (2) A person who is on the centralized list of exempted federal firearms licensees maintained by the department pursuant to Article 6 (commencing with Section 28450) of Chapter 6 of Division 6.

Proper written authorization is defined as verifiable written certification from the head of the agency by which the purchaser, transferee, or person otherwise acquiring ownership is employed, identifying the employee as an individual authorized to conduct the transaction, and authorizing the transaction for the exclusive use of the agency by which that individual is employed.

(8) (A) A properly identified sworn peace officer, as defined in Chapter 4.5 (commencing with Section 830) of Title 3 of Part 2, or properly identified sworn federal law enforcement officer, who is authorized to carry a firearm in the course and scope of the officer's duties.

(B) (i) Proper identification is defined as verifiable written certification from the head of the agency by which the purchaser or transferee is employed, identifying the purchaser or transferee as a full-time paid peace officer who is authorized to carry a firearm in the course and scope of the officer's duties.

(ii) The certification shall be delivered to the vendor at the time of purchase or transfer and the purchaser or transferee shall provide bona fide evidence of identity to verify that he or she is the person authorized in the certification.

(iii) The vendor shall keep the certification with the record of sale and submit the certification to the department.

(f) The department is authorized to adopt regulations to implement the provisions of this section.

SEC. 13. Article 4 (commencing with Section 30355) is added to Chapter 1 of Division 10 of Title 4 of Part 6 of the Penal Code, to read:

Article 4. Ammunition Purchase Authorization

30355. (a) Any person who violates any provision of this article is guilty of a misdemeanor, punishable by imprisonment in a county jail not exceeding one year or a fine not exceeding one thousand dollars (\$1,000), or by both that fine and imprisonment.

(b) The provisions of this article are cumulative and shall not be construed as restricting the application of any other law. However, an act or omission punishable in different ways by different provisions of law shall not be punished under more than one provision.

30356. (a) Commencing July 1, 2019, the department shall electronically approve the purchase or transfer of ammunition through a vendor, as defined in Section 16151, except as otherwise specified. This approval shall occur at the time of purchase or transfer, prior to the purchaser or transferee taking possession of the ammunition.

(b) To determine if the purchaser or transferee is eligible to purchase or possess ammunition, the department shall cross-reference the ammunition purchaser's or transferee's name, date of birth, current address, and driver's license or other government identification number, as described in Section 28180, with the information maintained in the Automated Firearms System (AFS). If the purchaser's or transferee's information does not match an AFS entry, the transaction shall be denied. If the purchaser's or transferee's information matches an AFS entry, the department shall determine if the purchaser or transferee falls within a class of persons who are prohibited from owning or possessing ammunition by cross-referencing the Prohibited Armed Persons File. If the purchaser or transferee is prohibited from owning or possessing a firearm, the transaction shall be denied.

(c) A vendor is prohibited from providing a purchaser or transferee ammunition without department approval. If a vendor cannot electronically verify a person's eligibility to purchase or possess ammunition via an Internet connection, the department shall provide a telephone line to verify eligibility. This option is available to ammunition vendors who can demonstrate legitimate geographical and telecommunications limitations in submitting the information electronically and who are approved by the department to use the telephone line verification.

(d) The department shall recover the reasonable cost of regulatory and enforcement activities related to this article by charging ammunition purchasers and transferees a per transaction fee not to exceed one dollar (\$1), provided, however, that the fee may be increased at a rate not to exceed any increases in the California Consumer Price Index as compiled and reported by the Department of Industrial Relations, not to exceed the reasonable regulatory and enforcement costs. The fees shall be deposited in the Ammunition Special Account, to be available upon appropriation by the Legislature, for use by the Department of Justice for the purpose of implementing and enforcing this article, Article 3 (commencing with Section 30345), and Article 5 (commencing with Section 30360).

(e) This section shall not apply to the sale, delivery, or transfer of ammunition to any of the following, if properly identified prior to the delivery of the ammunition by the vendor:

(1) A firearms dealer licensed pursuant to Sections 26700 to 26915, inclusive.

(9) An authorized law enforcement representative of a city, county, city and county, or state or federal government, if the sale or other transfer is for exclusive use by that government agency, and, prior to the sale, delivery, or transfer of the ammunition, written authorization from the head of the agency authorizing the transaction is presented to the person from whom the purchase, delivery, or transfer is being made. Proper written authorization is defined as verifiable written certification from the head of the agency, or designee, by which the purchaser, transferee, or person otherwise acquiring ownership is employed, identifying the employee as an individual authorized to conduct the transaction, and authorizing the transaction for the exclusive use of the agency by which that individual is employed.

(10) A properly identified sworn peace officer, as defined in Chapter 4.5 (commencing with Section 830) of Title 3 of Part 2 or properly identified sworn member of a federal law enforcement agency who is authorized to carry a firearm in the course and scope of the officer's duties.

(11) A target facility that holds a business or regulatory license.

If the purchaser's or transferee's information does not match an AFS entry, the transaction shall be denied. If the purchaser's or transferee's information matches an AFS entry, the department shall determine if the purchaser or transferee falls within a class of persons who are prohibited from owning or possessing ammunition by cross-referencing with the Prohibited Armed Persons File. If the purchaser or transferee is prohibited from owning or possessing a firearm, the transaction shall be denied.

(c) The department shall develop a procedure in which a person who is not prohibited from purchasing or possessing ammunition may be approved for a single ammunition transaction or purchase. The department shall recover the cost of processing and regulatory and enforcement activities related to this section by charging the ammunition transaction or purchase applicant a fee not to exceed the fee charged for the department's Dealers' Record of Sale (DROS) process, as described in Section 28225 and not to exceed the department's reasonable costs.

(d) A vendor is prohibited from providing a purchaser or transferee ammunition without department approval. If a vendor cannot electronically verify a person's eligibility to purchase or possess ammunition via an Internet connection, the department shall provide a telephone line to verify eligibility. This option is available to ammunition vendors who can demonstrate legitimate geographical and telecommunications limitations in submitting the information electronically and who are approved by the department to use the telephone line verification.

All fees received pursuant to this section shall be deposited into the Ammunition Safety and Enforcement Special Fund and, notwithstanding Section 13340 of the Government Code, are continuously appropriated for purposes of implementing, operating, and enforcing the ammunition authorization program provided for in this section and Section 30352 and for repaying the start-up loan provided for in Section 30371.

(g) The Department of Justice is authorized to adopt regulations to implement this section.

SEC. 16. Section 30370 of the Penal Code, as proposed to be added by the Safety for All Act of 2016 at the November 8, 2016, statewide general election, is repealed.

SEC. 17. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution for certain costs that may be incurred by a local agency or school district because, in that regard, this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

However, if the Commission on State Mandates determines that this act contains other costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.

SEC. 18. The Legislature finds and declares that Section 13 of this act, which adds Section 30369 to the Penal Code, imposes a limitation on the public's right of access to the meetings of public bodies or the writings of public officials and agencies within the meaning of Section 3 of Article I of the California Constitution. Pursuant to that constitutional provision, the Legislature makes the following findings to demonstrate the interest protected by this limitation and the need for protecting that interest:

In order to protect the personal information of ammunition purchasers, it is necessary that this act limit the public's right of access to that information.

SEC. 19. (a) Sections 12, 15, and 16 of this act shall only become operative if the Safety for All Act of 2016 is enacted by the voters at the November 8, 2016, statewide general election and becomes effective, in which case Sections 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 13, and 14 shall not become operative.

(b) The Legislature finds and declares that the intent expressed in the Safety for All Act of 2016 is to safeguard the ability of law-abiding, responsible Californians to own and use firearms for lawful means while requiring background checks for ammunition purchases in the manner required for firearm purchases so that neither firearms nor ammunition are getting into the hands of dangerous individuals. The Legislature finds and declares that the amendments to the Safety for All Act of 2016 made by Sections 12, 15, and 16 are consistent with and further that intent. The amendments ensure that only law-abiding, responsible Californians who appear in the Automated Firearms System are able to purchase ammunition for their legally owned firearms while violent felons and the dangerously mentally ill who appear in the Armed Prohibited Persons System are not.
