

Dear _____ :

On _____, you denied my application for a license to carry a concealed weapon. Your denial notification did not provide the specific statutory requirement for obtaining a license (good moral character, good cause, residency, or firearm training) you believe I did not satisfy, as the law requires of you. California Penal Code § 26205 provides:

The licensing authority shall give written notice to the applicant indicating if the license under this article is approved or denied. The licensing authority shall give this notice within 90 days of the initial application for a new license or a license renewal, or 30 days after receipt of the applicant's criminal background check from the Department of Justice, whichever is later. If the license is denied, the notice shall state which requirement was not satisfied.

I hereby request that you provide me such written notice at your earliest convenience.

Sincerely,
