_____)

17 Plaintiff hereby advises this Court that he accepts the Magistrates report and
18 recommendations (Documents 45 & 46). Plaintiff advises the Court that he has
19 offered to resolve all claims against the County in exchange for the issuance of a 2
20 year permit, or to provide any additional information necessary to reconsider his
21 application. Plaintiff will also consider the Courts' suggestions regarding an
22 Amended Complaint or continuing the Summary Judgment upon receipt of the
23 documents ordered for production. Until then, Plaintiff believes the motion for
24 Summary Judgment addresses all issues presented by this action, allowing for a
25 prompt resolution. Defendant has already declined more than 10 offers to reconsider
26 its position or to voluntarily exchange information so Plaintiff can understand their
27 position but Defendant has refused all, threatening only sanctions each time.
