NOTICE OF FILING ADMINISTRATIVE RECORD

Notice is provided to the Court and Plaintiff that on January 18, 2012, Federal Defendants, Kenneth Salazar, Secretary of the United States Department of the Interior, and Daniel Ashe, Director of the United States Fish and Wildlife Service (“Service”), (collectively “Defendants”) will file the administrative record in the above-captioned case with the Court. Pursuant to Local Civil Rule 5.4(e)(1)(A), the administrative record will not be filed using the Court’s Electronic Case Filing system because it exceeds 500 pages. Instead, Federal Defendants file with the Court today a CD containing the Service’s administrative record. The Service’s certification of the administrative record is attached hereto as Exhibit 1. The index of this administrative record is attached hereto as Exhibit 2. The privilege log is attached hereto as Exhibit 3. Copies of the administrative record CD are also being provided today to Plaintiff’s counsel and counsel for Intervenor-Applicants via overnight mail. An additional courtesy copy will also be filed with the Court for chambers.

CERTIFICATION OF THE ADMINISTRATIVE RECORD

I, Janine Van Norman, declare as follows:

1. I am the Chief for the Branch of Foreign Species within the Endangered Species Program of the U.S. Fish and Wildlife Service (Service), an agency of the U.S. Department of the Interior (Department), located in Washington, DC. In this position, I have custody and control of all documents constituting the official administrative record prepared by the Service that appear on the Index to the Administrative Record that accompany this declaration.
2. Under my direction and supervision, employees in this office compiled the documents that comprise the administrative record. To the best of my knowledge, the documents filed with the court in this matter as listed on the Index to the Administrative Record (when

combined with the documents listed on the Privilege Log which are not filed with the Court) constitute a true and correct copy of all the Service records pertinent for the Service's decision at issue in this litigation, including the September 2, 2005 *Final Rule to List the Scimitar-Horned Oryx, Addax, and Dama Gazelle as Endangered* (70 Fed. Reg. 52319).

3. This declaration is made pursuant to 28 U.S.C. § 1746. I declare under penalty of perjury that the foregoing is true and correct to the best of my current knowledge.

Executed in Washington, DC, on this 18th day of January 2012.

A handwritten signature in cursive script, appearing to read "Janine Van Norman", written over a horizontal line.
