**EXHIBIT A**

## Finding of Emergency

The Department of Justice (Department or DOJ) finds that an emergency exists, and that the immediate adoption of sections within Chapter 39, of Division 5, of Title 11 is necessary to avoid serious harm to the public peace, health, safety, or general welfare.

### **Specific Facts Demonstrating the Need for Immediate Action**

Proposition 63, a measure banning the possession of large-capacity magazines, was approved by the voters on November 8, 2016 and took effect November 9, 2016. In anticipation of its passages, the Legislature pre-amended Proposition 63 with the passage of Senate Bill 1446 (Chapter 48, Statutes of 2016). The clarifying amendments take effect on January 1, 2017.

Pursuant to Proposition 63, as amended, beginning July 1, 2017, it will be an infraction punishable by a fine for a person to possess any large-capacity magazine, regardless of the date the magazine was acquired. (Penal Code, § 32310, subdivision (b).) The new law requires a person in lawful possession of a large-capacity magazine prior to July 1, 2017 to dispose of the magazine. Some persons are exempt from the ban, including active and retired law enforcement, armored car entities, and licensed gun dealers. (Penal Code, §§ 32400, 32405, 32406, 32410, 32430, 32435, 32450.) Starting July 1, 2017, anyone who violates the ban is subject to a year in jail, and a \$100 fine for a first offence, \$250 fine for a second offense, and a \$500 fine for a third offense. (Penal Code § 32310, subdivision (b).)

These emergency regulations are necessary for the implementation and on-going enforcement of the ban on large-capacity magazines. The proposed regulations provide guidance to California residents on how to comply with the ban. These regulations need to be established as soon as possible so the Department has time to notify gun owners and gun owners have time to make the necessary changes to comply with the ban.

There are likely hundreds of thousands of large-capacity magazines in California at this time. In recent years, there has been an increase in these types of firearms on the market. The Department therefore expects many gun owners to be affected by the new ban. Under the new law, gun owners have six months to dispose of or permanently alter their large-capacity magazines. Pursuant to Penal Code section 32310, subdivision (c), a person who legally possesses a large-capacity magazine shall dispose of that magazine by any of the following means prior to July 1, 2017: (1) remove the large-capacity magazine from the state; (2) sell the large-capacity magazine to a licensed firearms dealer; (3) destroy the large-capacity magazine; or (4) surrender the large-capacity magazine to a law enforcement agency for destruction.

Alternatively, gun owners may permanently alter large-capacity magazines by reducing their ammunition capacity so that it no longer meets the definition of a “large-capacity magazine.” Penal Code section 16740 defines “large-capacity magazine” to mean any ammunition feeding device with the capacity to accept more than 10 rounds, but shall not be construed to include a feeding device that has been permanently altered so that it cannot accommodate more than 10 rounds. If a gun owner chooses to permanently reduce the capacity of their large-capacity

magazines, these emergency regulations provide guidance for doing so with what the Department has determined to be the acceptable minimum level of permanence.

By providing this information to the public in a timely manner, through the emergency process, the Department will avert serious harm to public peace, health, safety, or general welfare.

**Technical, Theoretical, and Empirical Study, Report, or Similar Document, if any, Upon Which the Department Relied**

In addition to existing regulations forming the basis of these proposed regulations, the following documents were used:

UTAS MAKINE LTD., UTS-15 owners manual, attached for reference  
KEL TEC, KSG owners manual, Rev 042814, attached for reference  
Standard MFG. DP-12 shotgun owners manual, attached for reference

Repealed: Penal Code section 32420 was removed from the authority of section 5480 because SB 1446 repealed that section.

**Informative Digest/Policy Statement Overview**

Existing law prohibits the sale, gift, and loan of a large-capacity magazine. A violation of this prohibition is punishable as a misdemeanor with specified penalties, or as a felony. The new law goes further and provides that possession of large-capacity magazines by a non exempt person is an infraction punishable by a fine not to exceed \$100 for the first offense, by a fine not to exceed \$250 for the second offense, and by a fine not to exceed \$500 for the third or subsequent offense, regardless of the date the magazine was acquired. The law requires a person in lawful possession of a large-capacity magazine prior to July 1, 2017, to dispose of the magazine as provided. By creating a new crime, this law imposes a state-mandated local program.

Existing law creates various exceptions to the prohibition on the sale, gift or loan of a large-capacity magazine including, but not limited to, the sale of, giving of, lending of, importation into this state, or purchase of, any large-capacity magazine to, or by the holder, of a special weapons permit for use as a prop for a motion picture or any federal, state, county, city and county, or city agency that is charged with the enforcement of any law, for use by agency employees in the discharge of their official duties, whether on or off duty, and where the use is authorized by the agency and is within the course and scope of their duties. The new law makes conforming changes to those exceptions by including possession of a large-capacity magazine in those provisions and would establish additional exceptions, including exceptions to allow

licensed gunsmiths and honorably retired sworn peace officers to possess large-capacity magazines.

The objective of the proposed regulations is to inform California gun owners of their options for complying with new California laws while maintaining public safety.

#### Article 4. Large-Capacity Magazine Permits

§ 5480. Requirements for Large-Capacity Magazine Permits Pursuant to Penal Code Section 32315.

This section is amended to state that a separate Large-Capacity Magazine Permit is needed for each licensed location. The permit will automatically transfer with an existing California Firearms Dealer if their physical store moves and they notify the Department prior to moving. Large-Capacity Magazine Permit applications can only be submitted online.

§ 5483. Large-Capacity Magazine Permit Record Keeping.

This section is amended to include instructions on how permittees shall document the Large-Capacity Magazine Permit records, which form to use, any additional documentation to be kept with the form, and timeframe for completing the documentation.

§ 5484. Large-Capacity Magazine Permit Revocations.

This section is amended to include the grounds for revocation of a Large-Capacity Magazine Permit, and the factors surrounding the revocation.

#### Article 5. Large-Capacity Magazines and Large-Capacity Magazine Conversion Kits

§ 5490. Large-Capacity Magazine; manufacturing

This section has been added to inform gun owners who legally possess a large-capacity magazine that they may disassemble and clean the magazine without triggering the ban.

§ 5491. Large-Capacity Magazine; capacity

This section has been added to inform gun owners of the legal definition of a large-capacity magazine and provide guidance on reducing the capacity on their large-capacity magazines.

§ 5492. Large-Capacity Magazine Conversion Kits.

This section has been added to clarify the definition of large-capacity magazine conversion kits.

#### **Government Code Section 11346.5(a)(3)(D) Evaluation**

The proposed regulations are not inconsistent or incompatible with existing state regulations.

#### **Mandate on Local Agencies or School Districts**

The Department has determined the proposed emergency regulations do impose a state-mandated local program or a mandate requiring reimbursement by the State pursuant to Chapter 58, Statutes of 2016, because it creates a new crime. However, SB 1446 states that no reimbursement

is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction.

**Other Matters Prescribed by Statute Applicable to the Agency or to Any Specific Regulation or Class of Regulations**

None.

**Nonduplication of State Statutes as Necessary To Satisfy Government Code Section 11349.1(a)(6)**

To satisfy the requirements of Government Code section 11349.1(a)(6), the text of the proposed regulations are nonduplicative.

**Forms Incorporated by Reference**

Large-Capacity Magazine Permit Application, BOF 050 (Rev. 12/2016)  
Large Capacity Magazine Report, BOF 1002 (Rev. 12/2016)

**Cost Estimates**

The Department has assessed the potential for significant adverse impact that might result from the proposed emergency action and has determined:

- There will be no non-discretionary costs or savings to local agencies
- There will be no costs to school districts
- There will be no costs or savings in federal funding to the State

As detailed on the attachment to the Economic and Fiscal Impact Statement (STD. 399), the Department estimates its costs (state agency) directly related to the large-capacity magazine permit and enforcement of the large-capacity magazine laws and regulations will be insignificant.

**Finding of Emergency**

Government Code section 11346.1(a)(2) requires that, at least five working days prior to submission of the proposed emergency action to the Office of Administrative Law, the adopting agency provide a notice of the proposed emergency action to every person who has filed a request for notice of regulatory action with the agency. After submission of the proposed emergency to the Office of Administrative Law, the Office of Administrative Law shall allow interested persons five calendar days to submit comments on the proposed emergency regulations as set forth in Government Code section 11349.6.

**Explanation of Failure to Adopt Nonemergency Regulations**

The Department is unable to develop regulations in the standard manner because of the short timeframes provided in the legislation. The legislation was signed into law on July 1, 2016, and the ban commences on July 1, 2017. It is the Department's intention to provide guidance to California's gun owners so that by July 1, 2017, they will be in compliance with the law. The proposed regulations provide options for disposal of large-capacity magazines, as well as instructions for reducing the capacity of a large-capacity magazine, and need to be formalized and provided to California residents as soon as possible.

**DIGEST:** This bill, commencing July 1, 2017, prohibits the possession of large-capacity magazines, as specified.

**ANALYSIS:**

Existing law:

- 1) Banned the possession of “assault weapons” and “large capacity ammunition feeding devices,” defined as a magazine capable of holding more than 10 rounds of ammunition, manufactured after that date. That law, the federal assault weapons law (the Violent Crime Control and Law Enforcement Act, H.R. 3355, Pub.L. 103-322,) became effective on September 13, 1994, expired in 2004 and has not been reenacted.
- 2) Defines a “large-capacity magazine” as any ammunition feeding device with the capacity to accept more than 10 rounds, but shall not be construed to include any of the following:
  - a) A feeding device that has been permanently altered so that it cannot accommodate more than 10 rounds.

- b) A .22 caliber tube ammunition feeding device.
  - c) A tubular magazine that is contained in a lever-action firearm. (Penal Code § 16740.)
- 3) Provides that, except as specified, commencing January 1, 2000, any person in this state who manufactures or causes to be manufactured, imports into the state, keeps for sale, or offers or exposes for sale, or who gives, or lends, any large-capacity magazine is punishable by imprisonment in a county jail not exceeding one year or imprisonment for 16 months, two or three years pursuant to Penal Code Section 1170(h). “Manufacturing” includes both fabricating a magazine and assembling a magazine from a combination of parts, including, but not limited to, the body, spring, follower, and floor plate or end plate, to be a fully functioning large-capacity magazine. (Penal Code § 32310.)
  - 4) Provides that, commencing January 1, 2014, any person in this state who knowingly manufactures or causes to be manufactured, imports into the state, keeps for sale, or offers or exposes for sale, or who gives, lends, buys, or receives any large capacity magazine conversion kit is punishable by a fine of not more than \$1,000 or imprisonment in a county jail not to exceed six months, or by both that fine and imprisonment. This section does not apply to a fully assembled large-capacity magazine. A “large capacity magazine conversion kit” is a device or combination of parts of a fully functioning large-capacity magazine, including, but not limited to, the body, spring, follower, and floor plate or end plate, capable of converting an ammunition feeding device into a large-capacity magazine. (Penal Code § 32311.)
  - 5) Provides that, upon a showing that good cause exists, the Department of Justice may issue permits for the possession, transportation, or sale between a licensed firearms dealer and an out-of-state client, of large-capacity magazines. (Penal Code § 32315.)
  - 6) Provides that, except as specified, any large-capacity magazine is a nuisance and is subject to an injunction against its possession, manufacture or sale, and is subject to confiscation and summary destruction. (Penal Code § 32390.)

This bill:

- 1) Provides that, except as specified, commencing July 1, 2017, any person in this state who possesses any large-capacity magazine, regardless of the date the magazine was acquired, is guilty of an infraction punishable by a fine not to

exceed \$100 upon the first offense, by a fine not to exceed \$500 upon the third or subsequent offense.

- 2) Requires that a person who, prior to July 1, 2017, legally possesses a large-capacity magazine dispose of that magazine by any of the following means:
  - a) Remove the large-capacity magazine from the state.
  - b) Prior to July 1, 2017, sell the large-capacity magazine to a licensed firearms dealer.
  - c) Destroy the large-capacity magazine.
  - d) Surrender the large-capacity magazine to a law enforcement agency for destruction.
- 3) Exempts the following:
  - a) An individual who honorably retired from being a sworn peace officer, as specified or an individual who honorably retired from being a sworn federal law enforcement officer, who was authorized to carry a firearm in the course of scope of that officer's duties, as specified.
  - b) A licensed gunsmith for the purpose of maintenance, repair or modification of the large-capacity magazine, as specified.
  - c) Any federal, state or local historical society, museum or institutional society, museum or institutional collection which is open to the public, provided that the large-capacity magazine is property housed, secured from unauthorized handling and unloaded.
  - d) Any person who finds the large-capacity magazine, if the person is not prohibited from possessing firearms or ammunition pursuant to federal or state law, and the person possessed the large-capacity magazine no longer than necessary to deliver or transport the same to a law enforcement agency for that agency's disposition according to the law.
  - e) A forensic laboratory or any authorized agent or employee thereof in the course and scope of his or her authorized activities.
  - f) The receipt or disposition of a large-capacity magazine by a trustee of a trust, or an executor or administrator of an estate, including an estate that is subject to probate, that includes a large-capacity magazine.
  - g) Any person lawfully in possession of a firearm that the person obtained prior to January 1, 2000 if no magazine that holds 10 or less rounds of

ammunition is compatible with that firearm and that person possesses the large-capacity magazine solely for use with that firearm.

4) Makes a number of conforming changes to the Penal Code.

## Background

Since January 1, 2000, California has banned the importation, manufacture or sale of high capacity magazines. (Penal Code §§ 32310, 32390.) These magazines have also been deemed a public nuisance and are, therefore, subject to confiscation and destruction, although this requires a prosecutor to obtain a civil injunction, which is costly and time-consuming. (Penal Code § 18010.) This bill imposes criminal penalties for possession of high capacity magazines in California.

According to a report released by the Violence Policy Center in December of 2015:

Since 1980, there have been at least 50 mass shootings (3 or more fatalities) where the shooter used high-capacity ammunition magazines. A total of 436 people were killed in these shootings and 425 were wounded. This number is likely a significant undercount of actual incidents since there is no consistent collection or reporting of this data. Even in many high-profile shootings information on magazine capacity is not released or reported.

([http://www.vpc.org/fact\\_sht/VPCshootinglist.pdf](http://www.vpc.org/fact_sht/VPCshootinglist.pdf).)

There were at least three mass shootings involving large-capacity magazines in 2015. On December 2, 2015, 14 people were killed and 21 were seriously injured in a mass shooting at the Inland Regional Center in San Bernardino, California. The perpetrators of this mass shooting used four high capacity magazines. In July of 2015, six people were killed (including the shooter) and two were wounded in a shooting at the Navy Operational Support Center and Marine Corps Reserve Center, in Chattanooga, Tennessee. The perpetrator used multiple 30-round magazines. On June 17, 2015, a shooting at the Emanuel African Methodist Episcopal Church, in Charleston, South Carolina, left nine people dead. The perpetrator used 13-round magazines. (*Id.*)

## Comments

### ***The Fifth Amendment “Takings” Clause***

The “takings clause” of the Fifth Amendment to the United States Constitution states: “nor shall private property be taken for public use without just compensation.” California law already bans the import, manufacture and sale of

high capacity ammunition magazines, and has declared them a nuisance and subject to confiscation and destruction. (Penal Code §§ 32310, 32390, 18010.) Nonetheless, the question has been raised whether adding criminal penalties for possession of these ammunition magazines would constitute a “taking of private property for public use without just compensation,” in violation of the Fifth Amendment.

The U.S. Supreme Court has recognized for well over a century a difference between legislative action that results in a taking of private property for public use through a process of eminent domain and a legitimate use of the police power of the state to protect the public health and welfare. In upholding a statute prohibiting the sale of alcohol, the Court stated:

The exercise of the police power by the destruction of property which is itself a public nuisance, or the prohibition of its use in a particular way, whereby its value becomes depreciated, is very different from taking property for public use, or from depriving a person of his property without due process of law. In the one case, a nuisance only is abated; in the other, unoffending property is taken away from an innocent owner.

(*Mugler v. Kansas*, 123 U.S. 623, 668-669 (1887).)

Specifically in the context of the regulation of firearms, courts have held that prohibiting possession of dangerous weapons is a valid exercise of the government’s police power not to be confused with the power of eminent domain. In 1978, Washington, D.C. passed a law prohibiting the ownership of certain types of weapons, including those that could fire more than 13 rounds without reloading. The law was quickly challenged by a several gun owners who had legally purchased such weapons before the law went into effect and were thus required to dispose of them or be in violation of the law. They claimed this amounted to a taking by the government, without just compensation, in violation of the Fifth Amendment. The Court of Appeals for the District of Columbia held:

Petitioners’ third constitutional challenge alleges that D.C. Code 1978 Supp., § 6-1820(c) provides for a taking of their property without just compensation in violation of the Fifth Amendment. That section of the Code provides three alternatives for disposition within seven days of a firearm denied registration. The unsuccessful applicant may (1) “peaceably surrender” the firearm to the chief of police, (2) “lawfully remove” the firearm from the District for as long as he retains an interest in the firearm, or (3) “lawfully dispose” of his interest in the firearm. Petitioners’ argument is that the second and third alternatives require, under the terms imposed by the Federal Gun Control Act of 1968, 18

U.S.C. § 922 (1970), a quick “forced sale” of the firearms at less than fair market value to a dealer in firearms, while the first alternative would provide not even a salvage value return.

Assuming, arguendo, that the statute authorized a “taking,” we note that the Fifth Amendment prohibits taking of “private property . . . for public use, without just compensation.” Such a taking for the public benefit under a power of eminent domain is, however, to be distinguished from a proper exercise of police power to prevent a perceived public harm, which does not require compensation. *Lamm v. Volpe*, 449 F.2d 1202, 1203 (10th Cir. 1971). That the statute in question is an exercise of legislative police power and not of eminent domain is beyond dispute. The argument of petitioner, therefore, lacks merit.

(*Fesjian v. Jefferson*, 399 A.2d 861, 865-866 (1979).)

#### *Exception for Retired Peace Officers*

The assault weapons ban in California (AWCA) allowed law enforcement agencies to sell or transfer assault weapons to a sworn peace officer upon that officer’s retirement. This provision was challenged in *Silveira v. Lockyer*, 312 F.3d 1052 (9<sup>th</sup> Cir. 2002). The Ninth Circuit held:

We thus can discern no legitimate state interest in permitting retired peace officers to possess and use for their personal pleasure military-style weapons. Rather, the retired officers exception arbitrarily and unreasonably affords a privilege to one group of individuals that is denied to others, including plaintiffs.

In sum, not only is the retired officers’ exception contrary to the legislative goals of the AWCA, it is wholly unconnected to any legitimate state interest. A statutory exemption that bears no logical relationship to a valid state interest fails constitutional scrutiny. The 1999 AWCA amendments include, however, a severability provision providing that should any portion of the statute be found invalid, the balance of the provisions shall remain in force. Accordingly, because the retired officers’ exception is an arbitrary classification in violation of the Fourteenth Amendment, we sever that provision, § 12280(h)-(i), from the AWCA.

(*Id.* at 1091-92.)

Like the AWCA, this bill exempts retired sworn peace officers from the ban on the possession of large-capacity magazines.

**ARGUMENTS IN SUPPORT:** According to the California Chapters of the Brady Campaign to Prevent Gun Violence:

Since January 2000, California law has prohibited the manufacture, importation, sale, gift, or loan of any large capacity ammunition magazine capable of holding more than ten rounds. SB 1446 is a narrow

bill that would add a prohibition on *possessing* large capacity magazines, as defined in the bill, regardless of the date the magazine was acquired. Current and retired police officers would be exempt from the prohibition.

Mass shootings involving large capacity magazines have demonstrated the tragic carnage caused by these magazines. The shooters in the recent San Bernardino tragedy as well as the gunmen in Santa Monica (2013), Fort Hood, Tucson, Aurora, and Newtown were able to injure or kill large numbers of people very quickly because of their ability to shoot a large number of bullets in a very short period of time. Jared Loughner, who was able to rapidly fire 31 bullets in 15 seconds without reloading, killed six people and wounded thirteen others in Tucson. The shooting ended when bystanders tackled the gunman while he was reloading. Nine year old Christina-Taylor Green was shot by the thirteenth bullet – had there been a magazine limit of ten rounds, she might be alive today.

California had a number of mass shootings involving large capacity ammunition magazines before the ban on their sale and transfer in year 2000 (in San Ysidro, Stockton, San Francisco and Orange). Other rampage shootings involving large capacity magazines have happened since then - and will happen again - because of the prevalence of large capacity magazines and the difficulty of enforcing existing law. It is nearly impossible to prove when a large capacity magazine was acquired or whether the magazine was illegally purchased after the 2000 ban. Furthermore, until 2014, magazine conversion kits were being sold in California. These kits, containing parts to repair large capacity magazines, were legally purchased and later assembled into new large capacity magazines. Since the possession of large capacity magazines is permissible, this practice, which clearly evaded the intent of the law, was able to increase the proliferation of large capacity magazines in the state. SB 1446 would enable the enforcement of existing law regarding large capacity magazines.

With average use, magazines typically last about twelve years. It is now time to end the grandfathering of large capacity magazines and exploitation of the law by prohibiting their possession. Serious hunters do not use large capacity magazines. A prohibition on the sale, transfer, and *possession* of large capacity magazines clearly furthers public

safety. The California Brady Campaign Chapters appreciate your introduction of SB 1446 and are in full support.

**ARGUMENTS IN OPPOSITION:** The Firearms Policy Coalition states in opposition to this bill:

Most firearms sold in America today, and certainly the highest by volume sold, such as AR-15s and semi-automatic handguns, come standard from the factory with magazines that hold more than ten rounds. Law enforcement agencies and peace officers purchase those same firearms with those same magazines because they are standard kit -- and, most importantly, because no one wants to be under-armed in a self-defense situation.

Furthermore, many magazines are altered and made "California Legal" at some point of manufacture. Given this, SB 1446 would immediately make most full size handguns inoperable as it bans any magazine that has been permanently altered to only accept 10 rounds or less, creating a taking of constitutionally protected property.

Many people have purchased permanently altered magazines to be compliant with California's ever growing body of law surrounding firearms and have based their consumer choices on this being the law of the land. Now the goal posts would appear to be moving yet again.

SB 1446 is simply an unconstitutional taking of personal property and an express infringement on the fundamental civil rights of all Californians. The measure creates significant criminal liability for items currently -- and lawfully -- possessed by hundreds of thousands, if not millions, of Californians. Depriving people of Constitutionally-protected civil rights by criminalizing the possession of items commonplace to gun owners is poor policy and invites litigation.

Even more disturbing, SB 1446 invites a deepening wedge between the police and non-police as it protects "honorably retired peace officers" from the dispossession of their personal property. This wanton violation of the 14th amendment to the United States Constitution creates a caste system of civilians- those who used to be police officers and those who weren't.

According to the federal civil rights case *Silveira v. Lockyer* (9th Cir. 2002), 312 F.3d 1052, retired peace officers are not allowed to maintain

the “assault weapons” they acquired through exemptions they held as active duty peace officers. When they became non-peace officers through separation from their employer, they became civilians.

The State will need to track all of the magazines purchased by peace officers, should they become former, retired or “honorably retired” to ensure the state’s expressed interest in controlling these firearms parts is met and can confiscate magazines from peace officers who retire early, resign, are fired or are otherwise not deemed “honorably retired”.

With no appropriation for outreach in SB 1446, and the untold millions of magazines in circulation, we fear widespread, inadvertent non-compliance and a revolving door of lives upended by the deluge of criminal prosecutions in every courthouse in the state as everyday people become overnight criminals. An appropriation today may save millions of dollars later as the inventory of these parts is significant and the outreach is non-existent, creating a potential wave of prosecutions of otherwise law abiding person whose only “crime” was possession of ammunition feeding devices (including those of 10 rounds or less) that were lawfully acquired.

Without pre-emption, firearms parts owners may be subject to a withering hail of statutes and ordinances aimed at them with different penalties depending on which jurisdiction prosecutes first. Ironically, some local laws are more severe than the proposed state statute.

PROPOSITION 63  
SAFETY FOR ALL ACT

[Approved by the Voters on Nov. 8, 2016.]

This initiative measure is submitted to the people in accordance with the provisions of Section 8 of Article II of the California Constitution.

**PROPOSED LAW**

The Safety for All Act of 2016

SECTION 1. Title.

This measure shall be known and may be cited as “The Safety for All Act of 2016.”

SEC. 2. Findings and Declarations.

The people of the State of California find and declare:

1. Gun violence destroys lives, families and communities. From 2002 to 2013, California lost 38,576 individuals to gun violence. That is more than seven times the number of U.S. soldiers killed in combat during the wars in Iraq and Afghanistan combined. Over this same period, 2,258 children were killed by gunshot injuries in California. The same number of children murdered in the Sandy Hook elementary school massacre are killed by gunfire in this state every 39 days.
2. In 2013, guns were used to kill 2,900 Californians, including 251 children and teens. That year, at least 6,035 others were hospitalized or treated in emergency rooms for non-fatal gunshot wounds, including 1,275 children and teens.
3. Guns are commonly used by criminals. According to the California Department of Justice, in 2014 there were 1,169 firearm murders in California, 13,546 armed robberies involving a firearm, and 15,801 aggravated assaults involving a firearm.
4. This tragic violence imposes significant economic burdens on our society. Researchers conservatively estimate that gun violence costs the economy at least \$229 billion every year, or more than \$700 per American per year. In 2013 alone, California gun deaths and injuries imposed \$83 million in medical costs and \$4.24 billion in lost productivity.
5. California can do better. Reasonable, common-sense gun laws reduce gun deaths and injuries, keep guns away from criminals and fight illegal gun trafficking. Although California has led the nation in gun safety laws, those laws still have

SAFETY FOR ALL ACT, 2016 Cal. Legis. Serv. Prop. 63 (PROPOSITION 63) (WEST)

---

loopholes that leave communities throughout the state vulnerable to gun violence and mass shootings. We can close these loopholes while still safeguarding the ability of law-abiding, responsible Californians to own guns for self-defense, hunting and recreation.

6. We know background checks work. Federal background checks have already prevented more than 2.4 million gun sales to convicted criminals and other illegal purchasers in America. In 2012 alone, background checks blocked 192,043 sales of firearms to illegal purchasers including 82,000 attempted purchases by felons. That means background checks stopped roughly 225 felons from buying firearms every day. Yet California law only requires background checks for people who purchase firearms, not for people who purchase ammunition. We should close that loophole.

7. Right now, any violent felon or dangerously mentally ill person can walk into a sporting goods store or gun shop in California and buy ammunition, no questions asked. That should change. We should require background checks for ammunition sales just like gun sales, and stop both from getting into the hands of dangerous individuals.

8. Under current law, stores that sell ammunition are not required to report to law enforcement when ammunition is lost or stolen. Stores should have to report lost or stolen ammunition within 48 hours of discovering that it is missing so law enforcement can work to prevent that ammunition from being illegally trafficked into the hands of dangerous individuals.

9. Californians today are not required to report lost or stolen guns to law enforcement. This makes it difficult for law enforcement to investigate crimes committed with stolen guns, break up gun trafficking rings, and return guns to their lawful owners. We should require gun owners to report their lost or stolen guns to law enforcement.

10. Under current law, people who commit felonies and other serious crimes are prohibited from possessing firearms. Yet existing law provides no clear process for those people to relinquish their guns when they become prohibited at the time of conviction. As a result, in 2014, the Department of Justice identified more than 17,000 people who possess more than 34,000 guns illegally, including more than 1,400 assault weapons. We need to close this dangerous loophole by not only requiring prohibited people to turn<sup>1</sup> in their guns, but also ensuring that it happens.

<sup>1</sup> So in enrolled Prop. 63.

11. Military-style large-capacity ammunition magazines—some capable of holding more than 100 rounds of ammunition—significantly increase a shooter's ability to kill a lot of people in a short amount of time. That is why these large capacity ammunition magazines are common in many of America's most horrific mass shootings, from the killings at 101 California Street in San Francisco in 1993 to Columbine High School in 1999 to the massacre at Sandy Hook Elementary School in Newtown, Connecticut in 2012.

12. Today, California law prohibits the manufacture, importation and sale of military-style, large capacity ammunition magazines, but does not prohibit the general public from possessing them. We should close that loophole. No one except trained law enforcement should be able to possess these dangerous ammunition magazines.

13. Although the State of California conducts background checks on gun buyers who live in California, we have to rely on other states and the FBI to conduct background checks on gun buyers who live elsewhere. We should make background checks outside of California more effective by consistently requiring the state to report who is prohibited from possessing firearms to the federal background check system.

14. The theft of a gun is a serious and potentially violent crime. We should clarify that such crimes can be charged as felonies, and prevent people who are convicted of such crimes from possessing firearms.

SEC. 3. Purpose and Intent.

The people of the State of California declare their purpose and intent in enacting "The Safety for All Act of 2016" (the "Act")

SAFETY FOR ALL ACT, 2016 Cal. Legis. Serv. Prop. 63 (PROPOSITION 63) (WEST)

to be as follows:

1. To implement reasonable and common-sense reforms to make California's gun safety laws the toughest in the nation while still safeguarding the Second Amendment rights of all law-abiding, responsible Californians.
2. To keep guns and ammunition out of the hands of convicted felons, the dangerously mentally ill, and other persons who are prohibited by law from possessing firearms and ammunition.
3. To ensure that those who buy ammunition in California—just like those who buy firearms—are subject to background checks.
4. To require all stores that sell ammunition to report any lost or stolen ammunition within 48 hours of discovering that it is missing.
5. To ensure that California shares crucial information with federal law enforcement by consistently requiring the state to report individuals who are prohibited by law from possessing firearms to the federal background check system.
6. To require the reporting of lost or stolen firearms to law enforcement.
7. To better enforce the laws that require people to relinquish their firearms once they are convicted of a crime that makes them ineligible to possess firearms.
8. To make it illegal in California to possess the kinds of military-style ammunition magazines that enable mass killings like those at Sandy Hook Elementary School; a movie theater in Aurora, Colorado; Columbine High School; and an office building at 101 California Street in San Francisco, California.
9. To prevent people who are convicted of the theft of a firearm from possessing firearms, and to effectuate the intent of Proposition 47 that the theft of a firearm is felony grand theft, regardless of the value of the firearm, in alignment with Sections 25400 and 1192.7 of the Penal Code.

SEC. 4. Lost or Stolen Firearms.

SEC. 4.1. Division 4.5 (commencing with Section 25250) is added to Title 4 of Part 6 of the Penal Code, to read:

pt. 6 t. 4 d. 4.5 pr. § 25250

Upon receipt of that criminal or mental health record, the purchaser shall report any inaccuracies or incompleteness to the department on an approved form.

(3) If the department ascertains the final disposition of the arrest or criminal charge, or the outcome of the mental health treatment or evaluation, or the purchaser's eligibility to purchase a firearm, as described in paragraph (1), after the waiting period described in Sections 26815 and 27540, but within 30 days of the dealer's original submission of the purchaser information to the department pursuant to this section, the department shall do the following:

(A) If the purchaser is not a person described in subdivision (a) of Section 27535, and is not prohibited by state or federal law, including, but not limited to, Section 8100 or 8103 of the Welfare and Institutions Code, from possessing, receiving, owning, or purchasing a firearm, the department shall immediately notify the dealer of that fact and the dealer may then immediately transfer the firearm to the purchaser, upon the dealer's recording on the register or record of electronic transfer the date that the firearm is transferred, the dealer signing the register or record of electronic transfer indicating delivery of the firearm to that purchaser, and the purchaser signing the register or record of electronic transfer acknowledging the receipt of the firearm on the date that the firearm is delivered to him or her.

(B) If the purchaser is a person described in subdivision (a) of Section 27535, or is prohibited by state or federal law, including, but not limited to, Section 8100 or 8103 of the Welfare and Institutions Code, from possessing, receiving, owning, or purchasing a firearm, the department shall immediately notify the dealer and the chief of the police department in the city or city and county in which the sale was made, or if the sale was made in a district in which there is no municipal police department, the sheriff of the county in which the sale was made, of that fact in compliance with subdivision (c) of Section 28220.

(4) If the department is unable to ascertain the final disposition of the arrest or criminal charge, or the outcome of the mental health treatment or evaluation, or the purchaser's eligibility to purchase a firearm, as described in paragraph (1), within 30 days of the dealer's original submission of purchaser information to the department pursuant to this section, the department shall immediately notify the dealer and the dealer may then immediately transfer the firearm to the purchaser, upon the dealer's recording on the register or record of electronic transfer the date that the firearm is transferred, the dealer signing the register or record of electronic transfer indicating delivery of the firearm to that purchaser, and the purchaser signing the register or record of electronic transfer acknowledging the receipt of the firearm on the date that the firearm is delivered to him or her.

(iii) The sample will be drawn from the person in a reasonable, medically approved manner.

(B) This paragraph is not intended to abrogate a court's mandate to determine the propriety of the issuance of a search warrant on a case-by-case basis.

(b) The property, things, person, or persons described in subdivision (a) may be taken on the warrant from any place, or from any person in whose possession the property or things may be.

(c) Notwithstanding subdivision (a) or (b), no search warrant shall issue for any documentary evidence in the possession or under the control of any person who is a lawyer as defined in Section 950 of the Evidence Code, a physician as defined in Section 990 of the Evidence Code, a psychotherapist as defined in Section 1010 of the Evidence Code, or a member of the clergy as defined in Section 1030 of the Evidence Code, and who is not reasonably suspected of engaging or having engaged in criminal activity related to the documentary evidence for which a warrant is requested unless the following procedure has been complied with:

(1) At the time of the issuance of the warrant, the court shall appoint a special master in accordance with subdivision (d) to accompany the person who will serve the warrant. Upon service of the warrant, the special master shall inform the party served of the specific items being sought and that the party shall have the opportunity to provide the items requested. If the party, in the judgment of the special master, fails to provide the items requested, the special master shall conduct a search for

---

the items in the areas indicated in the search warrant.

(2)(A) If the party who has been served states that an item or items should not be disclosed, they shall be sealed by the special master and taken to court for a hearing.

(B) At the hearing, the party searched shall be entitled to raise any issues that may be raised pursuant to Section 1538.5 as well as a claim that the item or items are privileged, as provided by law. The hearing shall be held in the superior court. The court shall provide sufficient time for the parties to obtain counsel and make motions or present evidence. The hearing shall be held within three days of the service of the warrant unless the court makes a finding that the expedited hearing is impracticable. In that case, the matter shall be heard at the earliest possible time.

(C) If an item or items are taken to court for a hearing, any limitations of time prescribed in Chapter 2 (commencing with Section 799) of Title 3 of Part 2 shall be tolled from the time of the seizure until the final conclusion of the hearing, including any associated writ or appellate proceedings.

(3) The warrant shall, whenever practicable, be served during normal business hours. In addition, the warrant shall be served upon a party who appears to have possession or control of the items sought. If, after reasonable efforts, the party serving the warrant is unable to locate the person, the special master shall seal and return to the court, for determination by the court, any item that appears to be privileged as provided by law.

(d)(1) As used in this section, a “special master” is an attorney who is a member in good standing of the California State Bar and who has been selected from a list of qualified attorneys that is maintained by the State Bar particularly for the purposes of conducting the searches described in this section. These attorneys shall serve without compensation. A special master shall be considered a public employee, and the governmental entity that caused the search warrant to be issued shall be considered the employer of the special master and the applicable public entity, for purposes of Division 3.6 (commencing with Section 810) of Title 1 of the Government Code, relating to claims and actions against public entities and public employees. In selecting the special master, the court shall make every reasonable effort to ensure that the person selected has no relationship with any of the parties involved in the pending matter. Information obtained by the special master shall be confidential and may not be divulged except in direct response to inquiry by the court.

(2) In any case in which the magistrate determines that, after reasonable efforts have been made to obtain a special master, a special master is not available and would not be available within a reasonable period of time, the magistrate may direct the party seeking the order to conduct the search in the manner described in this section in lieu of the special master.

(e) Any search conducted pursuant to this section by a special master may be conducted in a manner that permits the party serving the warrant or his or her designee to accompany the special master as he or she conducts his or her search. However, that party or his or her designee may not participate in the search nor shall he or she examine any of the items being searched by the special master except upon agreement of the party upon whom the warrant has been served.

(f) As used in this section, “documentary evidence” includes, but is not limited to, writings, documents, blueprints, drawings, photographs, computer printouts, microfilms, X-rays, files, diagrams, ledgers, books, tapes, audio and video recordings, films, and papers of any type or description.

(g) No warrant shall issue for any item or items described in Section 1070 of the Evidence Code.

(h) Notwithstanding any other law, no claim of attorney work product as described in Chapter 4 (commencing with Section 2018.010) of Title 4 of Part 4 of the Code of Civil Procedure shall be sustained where there is probable cause to believe that the lawyer is engaging or has engaged in criminal activity related to the documentary evidence for which a warrant is requested unless it is established at the hearing with respect to the documentary evidence seized under the warrant that the services of the lawyer were not sought or obtained to enable or aid anyone to commit or plan to commit a crime or a fraud.

(i) Nothing in this section is intended to limit an attorney’s ability to request an in-camera hearing pursuant to the holding of the Supreme Court of California in *People v. Superior Court (Laff)* (2001) 25 Cal.4th 703.

(j) In addition to any other circumstance permitting a magistrate to issue a warrant for a person or property in another county, when the property or things to be seized consist of any item or constitute evidence that tends to show a violation of Section 530.5, the magistrate may issue a warrant to search a person or property located in another county if the person whose identifying information was taken or used resides in the same county as the issuing court.

(k) This section shall not be construed to create a cause of action against any foreign or California corporation, its officers, employees, agents, or other specified persons for providing location information.

SEC. 10.4. Section 29810 is added to the Penal Code, to read:

(2) The court shall, upon conviction of a defendant for an offense described in subdivision (a), instruct the defendant that he or she is prohibited from owning, purchasing, receiving, possessing, or having under his or her custody or control, any firearms, ammunition, and ammunition feeding devices, including but not limited to magazines, and shall order the defendant to relinquish all firearms in the manner provided in this section. The court shall also provide the defendant with a Prohibited Persons Relinquishment Form developed by the Department of Justice.

(3) Using the Prohibited Persons Relinquishment Form, the defendant shall name a designee and grant the designee power of attorney for the purpose of transferring or disposing of any firearms. The designee shall be either a local law enforcement agency or a consenting third party who is not prohibited from possessing firearms under state or federal law. The designee shall, within the time periods specified in subdivisions (d) and (e), surrender the firearms to the control of a local law enforcement agency, sell the firearms to a licensed firearms dealer, or transfer the firearms for storage to a firearms dealer pursuant to Section 29830.

(b) The Prohibited Persons Relinquishment Form shall do all of the following:

(1) Inform the defendant that he or she is prohibited from owning, purchasing, receiving, possessing, or having under his or her custody or control, any firearms, ammunition, and ammunition feeding devices, including but not limited to magazines, and that he or she shall relinquish all firearms through a designee within the time periods set forth in subdivision (d) or (e) by surrendering the firearms to the control of a local law enforcement agency, selling the firearms to a licensed firearms dealer, or transferring the firearms for storage to a firearms dealer pursuant to Section 29830.

(2) Inform the defendant that any cohabitant of the defendant who owns firearms must store those firearms in accordance with Section 25135.

(3) Require the defendant to declare any firearms that he or she owned, possessed, or had under his or her custody or control at the time of his or her conviction, and require the defendant to describe the firearms and provide all reasonably available information about the location of the firearms to enable a designee or law enforcement officials to locate the firearms.

(4) Require the defendant to name a designee, if the defendant declares that he or she owned, possessed, or had under his or her custody or control any firearms at the time of his or her conviction, and grant the designee power of attorney for the purpose of transferring or disposing of all firearms.

(5) Require the designee to indicate his or her consent to the designation and, except a designee that is a law enforcement agency, to declare under penalty of perjury that he or she is not prohibited from possessing any firearms under state or federal law.

(6) Require the designee to state the date each firearm was relinquished and the name of the party to whom it was relinquished, and to attach receipts from the law enforcement officer or licensed firearms dealer who took possession of the relinquished firearms.

(7) Inform the defendant and the designee of the obligation to submit the completed Prohibited Persons Relinquishment Form to the assigned probation officer within the time periods specified in subdivisions (d) and (e).

(c)(1) When a defendant is convicted of an offense described in subdivision (a), the court shall immediately assign the matter to a probation officer to investigate whether the Automated Firearms System or other credible information, such as a police report, reveals that the defendant owns, possesses, or has under his or her custody or control any firearms. The assigned probation officer shall receive the Prohibited Persons Relinquishment Form from the defendant or the defendant's designee, as applicable, and ensure that the Automated Firearms System has been properly updated to indicate that the defendant has relinquished those firearms.

(2) Prior to final disposition or sentencing in the case, the assigned probation officer shall report to the court whether the defendant has properly complied with the requirements of this section by relinquishing all firearms identified by the probation officer's investigation or declared by the defendant on the Prohibited Persons Relinquishment Form, and by timely submitting a completed Prohibited Persons Relinquishment Form. The probation officer shall also report to the Department

of Justice on a form to be developed by the department whether the Automated Firearms System has been updated to indicate which firearms have been relinquished by the defendant.

(3) Prior to final disposition or sentencing in the case, the court shall make findings concerning whether the probation officer's report indicates that the defendant has relinquished all firearms as required, and whether the court has received a completed Prohibited Persons Relinquishment Form, along with the receipts described in paragraph (1) of subdivision (d) or paragraph (1) of subdivision (e). The court shall ensure that these findings are included in the abstract of judgment. If necessary to avoid a delay in sentencing, the court may make and enter these findings within 14 days of sentencing.

(4) If the court finds probable cause that the defendant has failed to relinquish any firearms as required, the court shall order the search for and removal of any firearms at any location where the judge has probable cause to believe the defendant's firearms are located. The court shall state with specificity the reasons for and scope of the search and seizure authorized by the order.

(5) Failure by a defendant to timely file the completed Prohibited Persons Relinquishment Form with the assigned probation officer shall constitute an infraction punishable by a fine not exceeding one hundred dollars (\$100).

(d) The following procedures shall apply to any defendant who is a prohibited person within the meaning of paragraph (1) of subdivision (a) who does not remain in custody at any time within the five-day period following conviction:

(1) The designee shall dispose of any firearms the defendant owns, possesses, or has under his or her custody or control within five days of the conviction by surrendering the firearms to the control of a local law enforcement agency, selling the firearms to a licensed firearms dealer, or transferring the firearms for storage to a firearms dealer pursuant to Section 29830, in accordance with the wishes of the defendant. Any proceeds from the sale of the firearms shall become the property of the defendant. The law enforcement officer or licensed dealer taking possession of any firearms pursuant to this subdivision shall issue a receipt to the designee describing the firearms and listing any serial number or other identification on the firearms at the time of surrender.

(2) If the defendant owns, possesses, or has under his or her custody or control any firearms to relinquish, the defendant's designee shall submit the completed Prohibited Persons Relinquishment Form to the assigned probation officer within five days following the conviction, along with the receipts described in paragraph (1) of subdivision (d) showing the defendant's firearms were surrendered to a local law enforcement agency or sold or transferred to a licensed firearms dealer.

(3) If the defendant does not own, possess, or have under his or her custody or control any firearms to relinquish, he or she shall, within five days following conviction, submit the completed Prohibited Persons Relinquishment Form to the assigned probation officer, with a statement affirming that he or she has no firearms to be relinquished.

(e) The following procedures shall apply to any defendant who is a prohibited person within the meaning of paragraph (1) of subdivision (a) who is in custody at any point within the five-day period following conviction:

(1) The designee shall dispose of any firearms the defendant owns, possesses, or has under his or her custody or control within 14 days of the conviction by surrendering the firearms to the control of a local law enforcement agency, selling the firearms to a licensed firearms dealer, or transferring the firearms for storage to a firearms dealer pursuant to Section 29830, in accordance with the wishes of the defendant. Any proceeds from the sale of the firearms shall become the property of the defendant. The law enforcement officer or licensed dealer taking possession of any firearms pursuant to this subdivision shall issue a receipt to the designee describing the firearms and listing any serial number or other identification on the firearms at the time of surrender.

(2) If the defendant owns, possesses, or has under his or her custody or control any firearms to relinquish, the defendant's designee shall submit the completed Prohibited Persons Relinquishment Form to the assigned probation officer, within 14 days following conviction, along with the receipts described in paragraph (1) of subdivision (e) showing the defendant's firearms were surrendered to a local law enforcement agency or sold or transferred to a licensed firearms dealer.

(3) If the defendant does not own, possess, or have under his or her custody or control any firearms to relinquish, he or she

shall, within 14 days following conviction, submit the completed Prohibited Persons Relinquishment Form to the assigned probation officer, with a statement affirming that he or she has no firearms to be relinquished.

(4) If the defendant is released from custody during the 14 days following conviction and a designee has not yet taken temporary possession of each firearm to be relinquished as described above, the defendant shall, within five days following his or her release, relinquish each firearm required to be relinquished pursuant to paragraph (1) of subdivision (d).

(f) For good cause, the court may shorten or enlarge the time periods specified in subdivisions (d) and (e), enlarge the time period specified in paragraph (3) of subdivision (c), or allow an alternative method of relinquishment.

(g) The defendant shall not be subject to prosecution for unlawful possession of any firearms declared on the Prohibited Persons Relinquishment Form if the firearms are relinquished as required.

(h) Any firearms that would otherwise be subject to relinquishment by a defendant under this section, but which are lawfully owned by a cohabitant of the defendant, shall be exempt from relinquishment, provided the defendant is notified that the cohabitant must store the firearm in accordance with Section 25135.

(i) A law enforcement agency shall update the Automated Firearms System to reflect any firearms that were relinquished to the agency pursuant to this section. A law enforcement agency shall retain a firearm that was relinquished to the agency pursuant to this section for 30 days after the date the firearm was relinquished. After the 30-day period has expired, the firearm is subject to destruction, retention, sale or other transfer by the agency, except upon the certificate of a judge of a court of record, or of the district attorney of the county, that the retention of the firearm is necessary or proper to the ends of justice, or if the defendant provides written notice of an intent to appeal a conviction for an offense described in subdivision (a), or if the Automated Firearms System indicates that the firearm was reported lost or stolen by the lawful owner. If the firearm was reported lost or stolen, the firearm shall be restored to the lawful owner, as soon as its use as evidence has been served, upon the lawful owner's identification of the weapon and proof of ownership, and after the law enforcement agency has complied with Chapter 2 (commencing with Section 33850) of Division 11 of Title 4. The agency shall notify the Department of Justice of the disposition of relinquished firearms pursuant to Section 34010.

(j) A city, county, or city and county, or a state agency may adopt a regulation, ordinance, or resolution imposing a charge equal to its administrative costs relating to the seizure, impounding, storage, or release of a firearm pursuant to Section 33880.

(k) This section shall become operative on January 1, 2018.

Except as provided in Section 29855 or subdivision (a) of Section 29800, any person who has been convicted of a misdemeanor violation of Section 71, 76, 136.1, 136.5, or 140, subdivision (d) of Section 148, Section 171b, paragraph (1) of subdivision (a) of Section 171c, 171d, 186.28, 240, 241, 242, 243, 243.4, 244.5, 245, 245.5, 246.3, 247, 273.5, 273.6, 417, 417.6, 422, 626.9, 646.9, or 830.95, subdivision (a) of former Section 12100, as that section read at any time from when it was enacted by Section 3 of Chapter 1386 of the Statutes of 1988 to when it was repealed by Section 18 of Chapter 23 of the Statutes of 1994, Section 17500, 17510, 25300, 25800, 30315, or 32625, subdivision (b) or (d) of Section 26100, or Section 27510, or Section 8100, 8101, or 8103 of the Welfare and Institutions Code, any firearm-related offense pursuant to Sections 871.5 and 1001.5 of the Welfare and Institutions Code, **Section 490.2 if the property taken was a firearm**, or of the conduct punished in subdivision (c) of Section 27590, and who, within 10 years of the conviction, owns, purchases, receives, or has in possession or under custody or control, any firearm is guilty of a public offense, which shall be punishable by imprisonment in a county jail not exceeding one year or in the state prison, by a fine not exceeding one thousand dollars (\$1,000), or by both that imprisonment and fine. The court, on forms prescribed by the Department of Justice, shall notify the department of persons subject to this section. However, the prohibition in this section may be reduced, eliminated, or conditioned as provided in Section 29855 or 29860.

SEC. 12. Interim Standards.

Notwithstanding the Administrative Procedure Act (APA), and in order to facilitate the prompt implementation of the Safety for All Act of 2016, the California Department of Justice may adopt interim standards without compliance with the procedures set forth in the APA. The interim standards shall remain in effect for no more than two years, and may be earlier superseded by regulations adopted pursuant to the APA. "Interim standards" means temporary standards that perform the same function as "emergency regulations" under the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code), except that in order to provide greater opportunity for public comment on permanent regulations, the interim standards may remain in force for two years rather than 180 days.

SEC. 13. Amending the Measure.

This Act shall be broadly construed to accomplish its purposes. The provisions of this measure may be amended by a vote of 55 percent of the members of each house of the Legislature and signed by the Governor so long as such amendments are consistent with and further the intent of this Act.

SEC. 14. Conflicting Measures.

(a) In the event that this measure and another measure on the same subject matter, including but not limited to the regulation of the sale or possession of firearms or ammunition, shall appear on the same statewide ballot, the provisions of the other measure or measures shall be deemed to be in conflict with this measure. In the event that this measure receives a greater number of affirmative votes than a measure deemed to be in conflict with it, the provisions of this measure shall prevail in their entirety, and the other measure or measures shall be null and void.

(b) If this measure is approved by voters but superseded by law by any other conflicting measure approved by voters at the same election, and the conflicting ballot measure is later held invalid, this measure shall be self-executing and given full force

and effect.

SEC. 15. Severability.

If any provision of this measure, or part of this measure, or the application of any provision or part to any person or circumstance, is for any reason held to be invalid or unconstitutional, the remaining provisions, or applications of provisions, shall not be affected, but shall remain in full force and effect, and to this end the provisions of this measure are severable.

SEC. 16. Proponent Standing.

Notwithstanding any other provision of law, if the State, government agency, or any of its officials fail to defend the constitutionality of this Act, following its approval by the voters, any other government employer, the proponent, or in their absence, any citizen of this State shall have the authority to intervene in any court action challenging the constitutionality of this Act for the purpose of defending its constitutionality, whether such action is in trial court, on appeal, or on discretionary review by the Supreme Court of California or the Supreme Court of the United States. The reasonable fees and costs of defending the action shall be a charge on funds appropriated to the Department of Justice, which shall be satisfied promptly.

## Article 5. Large-Capacity Magazines and Large-Capacity Magazine Conversion Kits

### § 5490. Large-Capacity Magazines; manufacturing

A person who lawfully possesses and/or owns a large-capacity magazine may disassemble the magazine for cleaning, maintenance, and other lawful purposes, and then reassemble the magazine without violating Penal Code section 32310.

Note: Authority cited: Section 32315, Penal Code. Reference: Sections 32310, 32311, 32315, 32400, 32405, 32406(a), 32410, 32415, 32425, 32430, 32435 and 32440, Penal Code.

### § 5491. Large-Capacity Magazine; capacity

- (a) Prior to July 1, 2017, large-capacity magazine permit holders may accept large-capacity magazines, as defined in Penal Code section 16740, from California residents for the purposes of permanently altering the magazine's feeding device so that it reduces the capacity to 10 rounds or less.
- (b) Prior to July 1, 2017, an individual may dispose of a large-capacity magazine by permanently altering the magazine's feeding device so that it reduces the capacity to 10 rounds or less.
  - (1) A large-capacity magazine that is a box type can have its capacity permanently reduced by using both of the following methods:
    - (A) Inserting a rigid magazine capacity reduction device, also known as a magazine block, into the magazine body and then affixing the floor plate of the magazine to the body of the magazine with permanent epoxy. Metal magazines with metal floor

plates have the option of being either welded closed or permanently epoxied closed once the magazine block(s) have been inserted. Due to magazine manufacturing variations (such as drum magazines or tubular magazines) it may be necessary to insert multiple magazine blocks in order to reduce the capacity to 10 rounds; and

(B) Once the capacity of the magazine has been reduced by inserting a rigid magazine block into the magazine, it shall be riveted in place through either the floor plate or side wall of the magazine body.

(2) A large-capacity magazine that is a drum or tubular style can be permanently reduced by using any of the following methods:

(A) Drum magazines generally come in two styles: those that are fed from the neck of the magazine (neck fed drum magazines), and those that open from the side and are loaded once a lid or cover is opened up (clam shell drum magazines).

(i) A neck fed drum magazine needs a specific number of “dummy rounds” inserted into the neck fed magazine drum and then the “dummy rounds” needs to be epoxied in place in an attempt at reducing the capacity of the neck fed drum magazine. The actual numbers of dummy rounds vary per neck fed drum magazine depending on its original capacity. For example, a 50 round neck fed drum magazine needs 40 dummy rounds epoxied in placed so that no more than 10 rounds could be loaded. Once these dummy rounds are permanently epoxied into place the lid shall be closed and also permanently epoxied closed. Due to the internal moving parts of these magazines, a rivet securing the lid or cover is not possible in most cases. Armatac AR-15 style magazines are one example of this type of magazine.

(ii) Clam shell drum magazines are fed by opening the cover or lid and then loading the magazine. This magazine type cannot be loaded via the neck because of its design. Examples of this type are the AK-47 style Suomi, PPSH-41 and Thompson “Tommy Gun” drum magazines. If the capacity is reduced down to 10 rounds or less, (as described above), and the cover or lid is epoxied closed, the magazine could never be reloaded once the 10 rounds are fired. This magazine type is not a good candidate for reduction to 10 rounds or less and shall be disposed by other means if not permanently altered as described in this section.

(B) A tubular magazine that has more than a 10 round capacity shall have its capacity permanently reduced by insertion of a magazine block and use of permanent epoxy to hold the block in place. Then, a rivet shall secure the block in place by penetrating the tubular magazine and the magazine block.

(C) Per Penal Code section 16740, tubular magazines in lever action firearms and .22 caliber tubular magazines are not subject to the prohibition in Penal Code section 32310 or the permitting requirements for large-capacity magazines.

- (3) Magazine capacity for shotguns shall be based upon shotgun shells that are 2 3/4", which shall be the default standard if the firearm is not marked to indicate another shotgun shell standard. If a particular firearm is marked to indicate another shotgun shell standard, then the magazine capacity for that firearm shall be based upon those markings. Shotgun shells shorter than the default standard may only be used to determine magazine capacity if a firearm is specifically marked to accept this shell exclusively.
- (4) One or more magazines, each having a 10 round or less capacity, that are then attached to each other with tape, a plastic or metal coupler, or welded together would not be deemed a large-capacity magazine unless one of the following circumstances exist:
- (A) The internal magazines of a firearm are part of a design function in which the combined ammunition capacity exceeds 10 rounds, and can be fired by the shooter without manipulating the magazine selector switch. An example of this type of firearm is the Standard Manufacturing DP-12 pump shotgun. If the tubular magazines are permanently altered to reduce their capacity to 10 rounds or less as described in this section, then this firearm would not be deemed a large-capacity magazine.
- (B) The internal magazines of a firearm are part of a design function in which the combined ammunition capacity exceeds 10 rounds and the firearm has a selector switch that allows the shooter to alternatingly use ammunition from more than one tubular magazine without having to manually switch the ammunition feeding process. An example of this type of firearm is the UTAS MAKINE LTD., MODEL: UTS-15, pump shotgun which has two seven-round tubular magazines. If the tubular magazines are permanently altered to reduce their capacity to 10 rounds or less as described in this section then this firearm would not be deemed a large-capacity magazine. Alternatively, if the UTS-15 magazine selector switch was modified so that the shooter had to manually switch the ammunition feed from one tube to another, then this firearm would not be deemed a large-capacity magazine.
- (5) If a firearm with multiple tubular magazines, each having a 10 round or less capacity, must be manually switched from one tube to the other tube to use each group of ammunition, this type of firearm would not be deemed a large-capacity magazine. An example of this type of firearm is the KEL TEC, KSG shotgun which has two seven-round tubular magazines. While the tubes can collectively hold 14 rounds, the shooter must manually switch magazines. Another example of this type of firearm is the SRM-1216 semi automatic shotgun which has four four-round tubular magazines welded together. After firing the first four rounds the shooter must manually rotate the quad magazine clockwise to enable firing of the next group of four rounds. If a version of this firearm was manufactured that mechanically rotated the quad ammunition tubes it would be deemed a large-capacity magazine.

§ 5492. Large-Capacity Magazine: Conversion Kits.

- (a) A “magazine extension” is a device capable of increasing the magazine capacity of a magazine. These are considered large-capacity magazine conversion kits. These devices often increase both magazine capacity and finger grip available space.
- (b) A disassembled large-capacity magazine that may be readily assembled, which is in the possession of or under the control of the same person is a large-capacity magazine conversion kit. In the past these were sometimes sold and marketed as large-capacity magazine “repair kits.”
- (c) A “grip extension” is a device that solely increases grip space on the magazine(s) it is compatible with. A grip extension is not a large-capacity magazine conversion kit.
- (d) A person who lawfully possesses large-capacity magazines may disassemble their magazines for cleaning, maintenance and other lawful purposes and then reassemble the magazine without triggering Penal Code section 32311 regarding rules governing large-capacity magazine conversion kits.

Note: Authority cited: Section 32311, Penal Code. Reference: Sections 32311, 32315, 32415, 32425, and 32440, Penal Code.
