Plaintiffs,

v.

SHERIFF SANDRA HUTCHENS,
individually and in her official capacity as
Sheriff of Orange County; ORANGE
COUNTY SHERIFF-CORONER
DEPARTMENT; COUNTY OF ORANGE;
and DOES 1-10,

Defendants.

Case No. 8:12-cv-01458 JVS (JPRx)

**DECLARATION OF KATHLEEN
RALEY IN SUPPORT OF
DEFENDANTS' OPPOSITION TO THE
MOTION FOR PRELIMINARY
INJUNCTION**

DATE: October 29, 2012
TIME: 1:30 p.m.
PLACE: Courtroom 10C

I Kathleen Raley declare:

1. I have personal knowledge of the statements contained in this declaration, and if called upon to testify, I could and would competently testify to the facts stated below.
2. I am currently a Senior Office Supervisor within the Orange County Sheriff-Coroner Department's ("OCSD") Support Services Division. I specifically supervise staff within both the Statistical and Quality Assurance Units within the Support Services Division. I have held this assignment for five years and have been with OCSD for 26 years. In my current position, I supervise staff responsible for inputting data from OCSD crime

1 and incident reports into the Records Management System ("RMS"). These crime statistics
2 are then submitted by OCSD to the State of California Department of Justice ("DOJ")
3 monthly. The State DOJ submits the crime statistics to the United States Department of
4 Justice. I also supervise the quality assurance staff that image OCSD crime and incident
5 reports and all supporting documents, process registrant paperwork (registrants are those
6 required by law to register with the chief of police in the city where they reside or with the
7 sheriff within the county where they reside), and incoming bookings, and make corrections
8 to criminal history records as required. Prior to my current assignment, I supervised the
9 Statistical Unit staff for 17 years.

10 3. Through my experience working in the Statistical Unit, I am familiar with the
11 crime reporting computing programs used by OCSD to track and report criminal
12 information. OCSD utilizes two computing systems, the RMS and the Crime Tracking and
13 Enhanced Reporting ("CTER") system. The CTER system is used to compile the statistics
14 submitted to the DOJ. The system extracts the number of crimes in each of our law
15 enforcement jurisdictions, applies the Uniform Crime Reporting hierarchy, compiles the
16 crime totals, allows us to make manual adjustments, and produces forms for submission to
17 the DOJ. I compile statistics from these systems upon request at least twice a month.

18 4. I have during my career at OCSD inputted data into both the RMS and CTER
19 systems, verified totals of crimes reported, and prepared final reports for submission to the
20 DOJ.

28 //

5. The Office of County Counsel requested that I provide them with the OCSD crime statistics for 2011 regarding crimes including homicide, assault, and robbery. To compile the statistics I logged on to the CTER system and printed the statistics that had previously been compiled and reported to the DOJ for December 2011 for each contract city and unincorporated Orange County (the areas where OCSD is responsible for field operations). The December 2011 report reflects the totals for 2011. Incorporated herein by reference and attached hereto as Exhibit "A" are true and correct copies of the December 2011 crime statistics reports for each contract city and unincorporated Orange County.

EXECUTED this 4th day of October 2012 at Santa Ana, California.
