3. Between 2010 and July 2013, I resided in Sunnyvale, California. I have family in the Sunnyvale area and return to Sunnyvale about once a month.

4. I have purchased multiple types of firearms ammunition in California for nine years, without ever having to disclose personal information when doing so.

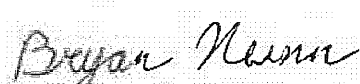

5. Since 2010, I have purchased this ammunition about once every three months from U.S. Firearms Co. located at 590 S. Mary Avenue, Sunnyvale, California.

6. I am aware of an Ordinance recently passed by the City of Sunnyvale requiring the disclosure of an ammunition purchaser's name, address, date of birth, driver's license number, brand, type and quantity of ammunition purchased, and signature and thumbprint for each purchase of ammunition. I consider these requirements to be an invasion of my right to privacy.

7. If this Sunnyvale Ordinance regarding ammunition purchases becomes effective, I intend to cease purchasing ammunition from U.S. Firearms and any other ammunition seller located in the City of Sunnyvale. I intend to purchase ammunition from a seller located outside the City without similar requirements for the disclosure of personal information.

8. I am a law-abiding citizen and am not prohibited from owning firearms.
I declare under penalty of perjury, under the laws of California, that the foregoing is true and correct.

Executed on December 6, 2013, at Santa Barbara, California.
