PROOF OF SERVICE

STATE OF CALIFORNIA

COUNTY OF LOS ANGELES

I am employed in the County of Los Angeles, State of California. My business address is 3620 Pacific Coast Hwy, Suite 100, Torrance, CA 90505.

On April 15, 2013, I served the foregoing document described as **NOTICE OF ERRATA**, on the interested parties by placing a true copy thereof enclosed in sealed envelopes addressed as follows:

Office of the Attorney General
2550 Mariposa Mall
Room 5090
Fresno, CA 93721

BY MAIL: I served the documents by enclosing them in an envelope and placing the envelope for collection and mailing following our ordinary business practices. I am readily familiar with this business's practices of collection and processing of correspondence for mailing. On the same day that the correspondence is placed for collection and mailing, it is deposited in the ordinary course of business with the United States Postal Service in a sealed envelope with postage fully paid.

VIA OVERNIGHT MAIL: I am "readily familiar" with the firm's practice of collection and processing correspondence for overnight delivery by UPS/FED-EX/USPS. Under the practice it would be deposited with a facility regularly maintained by UPS/FED-EX/USPS for receipt on the same day in the ordinary course of business. Such envelope was sealed and placed for collection and delivery by UPS/FED-EX/USPS with delivery fees paid or provided for in accordance with ordinary business practices.

BY FACSIMILE TRANSMISSION: Based on an agreement by the parties to accept service by facsimile transmission, I caused the documents to be faxed to counsel listed above at the listed fax number. The facsimile machine I used complied with California Rules of Court 2.301 and no error was reported by the machine. Pursuant to rule 2.306(h), I caused the machine to print a record of the transmission, a copy of which is attached to this proof of service.

(State) I declare under penalty of perjury under the laws of the State of California that the above is true and correct.
