RE: Clifford Tyler v. Hillsdale County Sheriff's De, et al
COA#: 13-1876
Originating Case No. : 1:12-cv-00523

Please be advised that it is Appellant's intention that the Court of Appeals' review include the January 29, 2013 Opinion and Order of the lower court granting the Motion to Dismiss filed by the federal defendants of the case: Thomas E. Brandon, Bureau of Alcohol, Tobacco, Firearms and Explosives, Federal Bureau of Investigation, Eric Holder, B. Todd Jones, Robert S. Mueller, III, United States Department of Justice, and the United States of America. At this time, it does not appear that said federal defendants have been included on the appeal docket or provided with notice. Please include said federal defendants as Appellees in this appeal.

In an abundance of caution, Appellant has filed contemporaneously with this letter an amended Notice of Appeal in the District Court for the Western District of Michigan to make clear that Appellant seeks a review including the January 29, 2013 Opinion and Order. My apologies for any confusion Appellant may have caused.

Sincerely,

Lucas J. McCarthy
