PLAINTIFFS' MOTION TO EXCEED THE PAGE LIMIT

The Plaintiffs request, pursuant to Local Rule 7.1(b)(4), leave to file a 33-page Opposition to Defendant's 40-page Motion to Dismiss Amended Complaint memorandum.

As reasons, Defendant filed a 40-page memorandum in support of her Motion to Dismiss, including 30 pages of legal argument regarding multiple claims and legal theories. Out of fairness, and the necessity of fully briefing the Court, Plaintiffs request that it have leave to file their 33-page Opposition. This does not prejudice Defendant, and is in furtherance of justice for the parties. Further, counsel for Defendant indicated that Defendant does not oppose this Motion.

WHEREFORE, Plaintiffs request leave to file a 33-page Opposition brief.

CERTIFICATE OF SERVICE

I hereby certify, on behalf of Plaintiffs, that on January 23, 2017, I electronically filed the foregoing with the Clerk of the Court by using the CM/ECF system which will send a notice of electronic filing to all counsel of record.
