Case 8 1	b. Technology Tutorial: Because the Court may be unfamiliar with				
2	the technology underlying many litigated patents, the parties should consider the				
3	most efficient and effective manner in which to educate the Court regarding that				
4	technology. Counsel must file a joint status report setting forth their proposal(s) no				
5	later than 60 days in advance of the claim construction hearing. If the Court deems				
6	it appropriate, the Court will schedule an in-Court technology tutorial or make other				
7	appropriate orders. Counsel are strongly encouraged to present any educational				
8	materials in a manner that is free of advocacy and unencumbered by each side's				
9	respective litigation position(s).				
10	The Court thanks the parties and their counsel for their anticipated cooperation				
11	in complying with the requirements set forth in this Order.
