Assembly Bill No. 893

CHAPTER 731

An act to add Section 4158 to the Food and Agricultural Code, relating to agricultural districts.

[Approved by Governor October 11, 2019. Filed with Secretary of State
October 11, 2019.]

LEGISLATIVE COUNSEL'S DIGEST

AB 893, Gloria. 22nd District Agricultural Association: firearm and ammunition sales at the Del Mar Fairgrounds.

Existing law generally regulates the transfer of firearms and divides the state into agricultural districts. The 22nd District Agricultural Association is comprised of the County of San Diego and includes the Cities of Del Mar and San Diego. A violation of the statutes governing agricultural districts is generally a misdemeanor.

This bill would, on and after January 1, 2021, prohibit the sale of firearms and ammunition at the Del Mar Fairgrounds property located in the 22nd District Agricultural Association, as specified, and would thereby make a violation of that prohibition a misdemeanor. The bill would exclude from its provisions a gun buyback event held by a law enforcement agency.

By creating a new crime, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority Appropriation: no Fiscal Committee: yes Local Program: yes

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

SECTION 1. The Legislature finds and declares all of the following:

(a) The property known as the Del Mar Fairgrounds (DMFG) is owned by the State of California and managed by the Board of Directors of the 22nd District Agricultural Association (22nd DAA). The 22nd DAA has leased a portion of the DMFG to entities that sponsor marketplaces popularly known as "gun shows," at which firearms and ammunition and other items are sold to the public approximately five times a year.

(b) The United States has experienced many gun-related tragedies with increasing severity and frequency in the last 30 years, including mass murders at Columbine High School, Sandy Hook Elementary School, and Marjory Stoneman Douglas High School, and an increasing rate of suicide by gun among all levels of society.

(c) The Cities of Del Mar, Solana Beach, and Encinitas have adopted resolutions requesting that the DMFG Board discontinue leasing any portion of its property for use as a gun show. A committee appointed by the Board of Directors of the 22nd DAA to study gun shows conducted research, including inspection tours of the Del Mar Gun Show by members of the committee as well as by several other members of the DMFG Board.

(d) On September 11, 2018, the DMFG Board, by a vote of eight in favor and one against, adopted a recommendation to consider the feasibility of conducting gun shows for only educational and safety training purposes and to prohibit the possession of guns and ammunition on state property.

(e) Gun shows bring grave danger to a community, and the following dangerous incidents, among others, have occurred at gun shows, including, but not limited to, an official vendor accused of trafficking illegal firearms, sales of firearms to individuals registered in the Department of Justice Bureau of Firearms Armed Prohibited Persons System, and illegal importation of large-capacity magazines.

(f) Each of the foregoing arrests was based on gun show enforcement efforts under the Armed Prohibited Persons System, and the department announced in late 2018 that these gun show enforcement efforts had been discontinued and, between the years 2013 and 2017, the San Diego County Sheriff recorded 14 crimes at the Crossroads of the West Gun Shows at the DMFG.

(g) Promoters maintain relationships with a core group of vendors, some selling guns and some selling other merchandise, who travel as the schedule dictates from city to city and state to state and in the West, for example, many of the same vendors can be seen at Crossroads of the West Gun Shows from San Francisco, California, to Tucson, Arizona.

SEC. 2. Section 4158 is added to the Food and Agricultural Code, to read:

4158. (a) Notwithstanding any other law, an officer, employee, operator, lessee, or licensee of the 22nd District Agricultural Association, as defined in Section 3873, shall not contract for, authorize, or allow the sale of any firearm or ammunition on the property or in the buildings that comprise the Del Mar Fairgrounds in the County of San Diego, the City of Del Mar, the City of San Diego, or any successor or additional property owned, leased, or otherwise occupied or operated by the district.

(b) For purposes of this section:

(1) The definition of "firearm" means the term as included in Section 12001 of the Penal Code.

(2) The term "ammunition" includes assembled ammunition for use in a firearm and components of ammunition, including smokeless and black powder, and any projectile capable of being fired from a firearm with deadly consequence.

(c) This section does not apply to a gun buyback event held by a law enforcement agency.

(d) This section shall become operative on January 1, 2021.

SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

SENATE COMMITTEE ON APPROPRIATIONS

Senator Anthony Portantino, Chair
2019 - 2020 Regular Session

AB 893 (Gloria) - 22nd District Agricultural Association: firearm and ammunition sales at the Del Mar Fairgrounds

Version: May 15, 2019

Urgency: No

Hearing Date: June 24, 2019

Policy Vote: PUB. S. 5 - 2

Mandate: Yes

Consultant: Shaun Naidu

Bill Summary: AB 893 would prohibit the sale of firearms and ammunition at the Del Mar Fairgrounds.

Fiscal Impact:

- Annual revenue loss in the low hundreds of thousands of dollars to the extent that the 22nd District Agricultural Association is unable to secure alternative events to gun shows (that would not have taken place at the fairgrounds already) that could generate similar levels of revenue. (Special fund)
- Unknown loss of sales tax revenue if firearm and ammunition sales that would have taken place at the Del Mar Fairgrounds do not occur at another location within the state. (General Fund, local funds)

Background: On September 11, 2018, the 22nd District Agricultural Association's Board of Directors voted to refuse considering any contracts with producers of gun shows beyond December 31, 2018 until it adopts a more thorough policy regarding the conduct of gun shows. Consequently, B&L Productions, Inc., the operator of Crossroads of the West Gun Shows, filed a lawsuit challenging the board's decision on the grounds that it violates the U.S. Constitution's First Amendment guarantee to free expression. On June 18, 2019, the U.S. District Court for the Southern District of California issued a preliminary injunction prohibiting the district from enforcing the policy adopted in September 2018 of refusing to allow any gun show events at the fairgrounds for the 2019 calendar year. The court ordered the district, upon the request of B&L Productions, Inc., to "make available the next available date for a gun show and allow B&L to reserve dates for gun show events (and to hold such events) at the Fairgrounds as the District would any other show promoters who have previously held events at the Fairgrounds."

Proposed Law: This bill would prohibit, as of January 1, 2021, an officer, employee, lessee, or licensee of the 22nd District Agricultural Association from contracting for, or allowing the sale of firearms and ammunitions at the Del Mar Fairgrounds in the County of San Diego, the City of Del Mar, the City of San Diego. This measure would exclude gun buyback events held by a law enforcement agency.

Related Legislation: A number of bills in a number of legislative sessions have sought to prohibit firearms and ammunition sales at the Cow Palace. These bills are SB 281 (Wiener, 2019); SB 221 (Wiener, 2017); SB 475 (Leno, 2013); and SB 585 (Leno, 2009). SB 281 is pending in this Committee. Senate bills 221, 475, and 585 were vetoed by previous governors.

AB 893 (Gloria)

Page 2 of 2

Staff Comments: The 22nd District Agricultural Association collects a number of fees associated with gun shows held at the Del Mar Fairgrounds. Namely, it collects rental fees, food concessions, parking fees, and ancillary revenue. Gun show revenue generated at the fairgrounds varies annually depending on the number of events held and the number of people in attendance. For example, it appears that there were five gun shows held at the fairgrounds in 2017 that resulted in net revenue of approximately \$304,000. In 2018, there were three gun shows held at the fairgrounds that generated a total net revenue of roughly \$146,000.

ARGUMENTS IN SUPPORT: According to NeverAgainCA, “NeverAgainCA organized large, peaceful protests at every gun show at the Del Mar Fairgrounds attended and spoke at every meeting of the 22nd District Agricultural Association Board, and joined students protesting gun violence and gun shows at many area schools. NeverAgainCA presented resolutions calling for the elimination of the gun shows at the Del Mar Fairgrounds to the City Councils of the adjacent cities of Del Mar, Solana Beach and Encinitas; these resolutions were adopted and are part of the record of this hearing. Candidate and now Congressman Mike Levin addressed several of our rallies against the gun shows. At the request of NeverAGainCA, then Lt. Governor, now Governor, Gavin Newsom, called on the Fair Board to end gun shows and put an end to valuing the sale of firearms above the value of lives.

“NeverAgainCA is proud to support AB 893. The residents of the 78th AD and adjacent districts, and their elected representatives, have demonstrated the broad public support for ending gun shows at the Del Mar Fair Grounds on a permanent basis.”

ARGUMENTS IN OPPOSITION: According to the California Rifle and Pistol Association, Inc., “Promoters and operators of gun shows in California must comply with no less than twenty-six sections of the penal code. Gun sales are highly-regulated in California and the rules are no less stringent for those vendors at gun shows (Refer Exhibit #2 attached). Vendors that participate in gun shows may not do so unless all their licenses have been submitted to the California Department of Justice before the event for the purposes of determining whether the vendors possess the proper valid licenses. If they do not pass the review of the California DOJ, they are prohibited from participating.”

COMMENTS

1. Need for This Bill

According to the author:

Gun shows rank second to corrupt dealers as a source for illegally trafficked firearms. (<https://www.ucdmc.ucdavis.edu/vprp/pdf/IGS/IGS1web.pdf>.) Though violent criminals do not buy most of their guns directly from gun shows, gun shows are “the critical moment in the chain of custody for many guns, the point at which they move from the somewhat regulated legal market to the shadowy, no-questions-asked illegal market.” (Center for American Progress, <http://www.americanprogress.org/issues/gunscime/report/2013/12/13/80795/the-gun-debate-1-year-after-newtown/>.) A report by the Government Accountability Office regarding gun trafficking to Mexico confirmed that many traffickers buy guns at gun shows.

(<https://www.gao.gov/assets/680/674570.pdf>). 87 percent of firearms seized by Mexican authorities and traced in the last 5 years originated in the United States, according to data from Department of Justice’s Bureau of Alcohol, Tobacco, Firearms and Explosives. According to United States and Mexican government officials, these firearms have been increasingly more powerful and lethal in recent years. Many of these firearms come from gun shops and gun shows in south-west border states. (<https://www.ucdmc.ucdavis.edu/vprp/pdf/IGS/IGS1web.pdf>) In September, the 22nd District Agricultural Board of Directors (fair board), which oversees the fairgrounds, voted to temporarily stop the gun shows until staff members develop a policy that could ban the sale and possession of firearms on the property.

Crossroads of West holds its shows at more than a dozen large locations in four western states, all on public or city-owned property. It stages the two-day gun show at the Del Mar Fairgrounds five times annually.

In January, Crossroads filed a lawsuit against the fair board for its decision. This bill should provide additional legal protection to the fair board for taking this important action to protect public safety.

3. Gun Shows

Gun shows are essentially a flea market for firearms. At gun shows, individuals may buy, sale, and trade firearms and fire-arms related accessories. These events typically attract several thousand people, and a single gun show can have sales of over 1,000 firearms over the course of one weekend.¹

According to the NRA’s Institute for Legislative Action, less than one percent of inmates incarcerated in state prisons for gun crimes acquired their firearms at a gun show.² However, gun shows rank second to corrupt dealers as a source for illegally trafficked firearms. Though violent criminals do not buy most of their guns directly from gun shows, gun shows are “the critical

moment in the chain of custody for many guns, the point at which they move from the somewhat-regulated legal market to the shadowy, no-questions-asked illegal market.”³

Concerns about gun shows extend beyond the state. A report by the Government Accountability Office regarding gun trafficking to Mexico confirmed that many traffickers buy guns at gun shows.⁴ 87 percent of firearms seized by Mexican authorities and traced in the last 5 years originated in the United States, according to data from DOJ’s Bureau of Alcohol, Tobacco, Firearms and Explosives. According to United States and Mexican government officials, these firearms have been increasingly more powerful and lethal in recent years. Many of these firearms come from gun shops and gun shows in south-west border-states.⁵

4. Gun Show Regulations in California

AB 295 (Corbett, Chapter 247, Statutes of 1999), the Gun Show Enforcement and Security Act of 2000, added a number of requirements for gun shows. To obtain a certificate of eligibility from the DOJ, a promoter must certify that he or she is familiar with existing law regarding gun shows; obtain at least \$1 million of liability insurance; provide an annual list of gun shows the applicant plans to promote; pay an annual fee; make available to local law enforcement a complete list of all entities that have rented any space at the show; submit not later than 15 days before the start of the show an event and security plan; submit a list to DOJ of prospective vendors and designated firearms transfer agents who are licensed dealers; provide photo identification of each vendor and vendor’s employee; prepare an annual event and security plan; and require all firearms carried onto the premises of a show to be checked, cleared of ammunition, secured in a way that they cannot be operated, and have an identification tag or sticker attached. AB 295 also provided for a number of penalties for a gun show producer’s willful failure to comply with the specified requirements. California’s strict gun show regulations may help to prevent increases in firearm deaths and injuries following gun shows. (See Ellicott C. Matthay, et al., “*In-State and Interstate Associations Between Gun Shows and Firearm Deaths and Injuries*,” *Annals of Internal Medicine* (2017) Vol. 1 Iss. 8.)

In addition to state laws regulating gun shows, a total ban on gun shows on county property is within the scope of a county’s authority. “Under California Government Code section 23004(d), a county is given substantial authority to manage its property, including the most fundamental decision as to how the property will be used and that nothing in the gun show statutes evince intent to override that authority. The gun show statutes do not mandate that counties use their property for such shows. If the county does allow such shows, it may impose more stringent restrictions on the sale of firearms than state law prescribes.” (*Nordyke v. Santa Clara County* (9th Cir. Cal. 1997) 110 F.3d 707, 766.) However, counties do not have authority to prohibit gun shows on state property such as Cow Palace.

5. Prior Attempts to Ban Gun Shows at the Cow Palace in the San Francisco Bay Area

There have been several legislative attempts to regulate gun shows at Cow Palace—most notably, SB 475 (Leno, 2014) and SB 585 (Leno, 2010), which were both vetoed.

³ Center for American Progress, <http://www.americanprogress.org/issues/guns-crime/report/2013/12/13/80795/the-gun-debate-1-year-after-newtown/>.

⁵ <https://www.ucdmc.ucdavis.edu/vprp/pdf/IGS/IGS1web.pdf>.

Like this bill, SB 585 would have prohibited gun shows at Cow Palace. SB 585 would have additionally required the Cow Palace DAA to replace gun show events with non-firearm or non-ammunition related events. In his veto message, Governor Schwarzenegger stated that SB 585 would “set a confusing precedent at the state level by statutorily prohibiting one [DAA] from selling firearms and ammunition, a legal and regulated activity, while allowing other DAAs to continue to do so. In addition, [SB 585] would result in decreased state and local tax revenues by restricting events at the Cow Palace.” Unlike SB 585, this bill will not impair any of Cow Palace’s ongoing contracts because, if chaptered, it will not become operative until January 1, 2020.

Another attempt to prohibit gun sales at Cow Palace was similarly vetoed by Governor Brown. SB 475 would have permitted gun shows at Cow Palace only upon prior approval by resolution adopted by both the Board of Supervisors of the County of San Mateo and the Board of Supervisors of the City and County of San Francisco. SB 475 was vetoed because it required the Cow Palace DAA to obtain approval from the County of San Mateo and the City and County of San Francisco prior to entering into a contract for a gun show on state property. In his veto message, Governor Brown stated, “I encourage all [DAAs] to work with their local communities when determining their operations and events. [SB 475], however, totally pre-empts the Board of Directors of the Cow Palace from exercising its contracting authority whenever a gun show is involved. I prefer to leave these decisions to the sound discretion of the Board.” Under SB 475, the Cow Palace DAA would have been permitted to host gun shows, but only at the discretion of San Francisco and San Mateo counties. In practice, SB 475 would have allowed the Board of Cow Palace to permit some approved gun shows, and required it to prohibit other non-county-approved gun shows. In comparison, this bill instead completely prohibits all gun shows at Cow Palace.

Last session, SB 221 (Wiener) contained very similar provisions to this bill. SB 221 would have prohibited any officer, employee, operator, or lessee of Agriculture District 1-A, from contracting for, authorizing, or allowing the sale of any firearm or ammunition at the Cow Palace property in San Mateo County and San Francisco County. Like this bill, SB 221 had an implementation date in 2020 and exempted law enforcement firearm buy-back events. Unlike this bill, SB 221 failed to exempt existing contracts to host firearms events. SB 221 was vetoed by Governor Brown with the following veto message:

This bill would prohibit the sale of firearms and ammunition at the District Agricultural Association 1A, commonly known as the Cow Palace.

This bill has been vetoed twice over the last ten years, once by myself, and once by Governor Schwarzenegger.

The decision on what kind of shows occur at the Cow Palace rests with the local board of directors which, incidentally, represents a broad cross section of the community. They are in the best position to make these decisions.

6. Current State of Gun Shows at the Del Mar Fairgrounds

According to a Fairgrounds press release, last year the 22nd District Agricultural Association’s Board of Directors voted 8 to 1 to not consider any contracts with producers of gun shows beyond Dec. 31, 2018, until it has adopted a more thorough policy regarding the conduct of gun

shows.⁶ The policy is to be presented to the Board no later than December, 2019 and would:

- Consider the feasibility of conducting gun shows for only educational and safety training purposes and bans the possession of guns and ammunition on state property,
- Align gun show contract language with recent changes in state and federal law
- Detail an enhanced security plan for the conduct of future shows
- Propose a safety plan
- Consider the age appropriateness of such an event
- Grant rights for the DAA to perform an audit to ensure full compliance with California Penal Code Sections 171b and 12071.1 and 12071.4. These audit rights may be delegated at the discretion of the 22nd DAA. (*Id.*)

According to local reporting, the operator of the Del Mar Fairgrounds gun show has filed a lawsuit challenging the Board of Directors' decision on the grounds that it violates the U.S. Constitution's First Amendment guarantee to free expression.⁷

This bill would add a section to the Food and Agricultural Code that prohibits the sale of firearms and ammunitions at the Del Mar Fairgrounds. By default, a violation of any provision of the Food and Agricultural code is a misdemeanor, unless otherwise specified. Therefore, this bill would effectively terminate the possibility for future gun shows at the Del Mar Fairgrounds.

7. Argument in Support

According to the *NeverAgainCA*:

NeverAgainCA organized large, peaceful protests at every gun show at the Del Mar Fairgrounds. attended and spoke at every meeting of the 22nd District Agricultural Association Board, and joined students protesting gun violence and gun shows at many area schools. NeverAgainCA presented resolutions calling for the elimination of the gun shows at the Del Mar Fairgrounds to the City Councils of the adjacent cities of Del Mar, Solana Beach and Encinitas; these resolutions were adopted and are part of the record of this hearing. Candidate and now Congressman Mike Levin addressed several of our rallies against the gun shows. At the request of NeverAGainCA, then Lt. Governor, now Governor, Gavin Newsom, called on the Fair Board to end gun shows and put an end to valuing the sale of firearms above the value of lives.

NeverAgainCA is proud to support AB 893. The residents of the 78th AD and adjacent districts, and their elected representatives, have demonstrated the broad public support for ending gun shows at the Del Mar Fair Grounds on a permanent basis.

8. Argument in Opposition

According to the *California Rifle and Pistol Association, Inc.*:

Promoters and operators of gun shows in California must comply with no less than twenty-six sections of the penal code. Gun sales are highly-regulated in California and the rules are no less stringent for those vendors at gun shows (Refer Exhibit #2 attached). Vendors that participate in gun shows may not do so unless all their licenses have been submitted to the California Department of Justice before the event for the purposes of determining whether the vendors possess the proper valid licenses. If they do not pass the review of the California DOJ, they are prohibited from participating.
