23 I, ARMANDO ESPITIA, declare as follows:

- 24 1. I am employed by the Mountain View Police Department as a police lieutenant.  
 25 I have been a peace officer for 20 years.
- 26 2. Since the initial Santa Clara County Health Officer’s Order for shelter-in-place  
 27 was issued on March 16, 2020, my duties and responsibilities have included enforcement of the  
 28 terms of the Order within the City of Mountain View. These duties and responsibilities include  
 enforcement of the terms of the subsequent order issued on March 31, 2020.
3. I have reviewed the records of the Mountain View Police Department relating to  
 calls for service for allegations of violations of the Health Officer’s Orders. I also am personally

1 aware of numerous complaints from members of the public relating to allegations of violations  
2 of the Health Officer's Orders.

3 4. The numerous complaints received by the Mountain View Police Department  
4 include allegedly nonessential business operations violating the Health Officer's Orders. These  
5 complaints include a game store, a nail salon, a yoga studio, a gym, a beauty salon, a clothing  
6 store, a fabric store, an auto dealership, and a barber shop. These cases also include allegations  
7 that Eddy's Shooting Sports, a retail store selling guns, was operating in violation of the Health  
8 Officer's Orders.

9 5. These businesses subject to complaints, including Eddy's Shooting Sports, were  
10 investigated based on the contents of the Health Officer's Orders. When violations were found  
11 to exist, warnings were issued to the businesses. Eddy's Shooting Sports was one of the  
12 businesses receiving warnings.

13  
14 I declare under penalty of perjury under the laws of the United States of America that the  
15 foregoing is true and correct.
