**DECLARATION OF DR. SCOTT
 MORROW IN OPPOSITION TO
 PLAINTIFFS' MOTION FOR
 PRELIMINARY INJUNCTION**

Hearing

Date: May 20, 2020
 Time: 2:00 p.m.
 Dep't: Oakland Courthouse, Courtroom 6

THE HONORABLE JON S. TIGAR

1 I, SCOTT MORROW, M.D., M.P.H., M.B.A, declare as follows:

2 1. I have personal knowledge of the facts set forth in this declaration. If called as a
3 witness, I could and would testify competently to the matters set forth herein.

4 2. I earned my Doctor of Medicine and Master of Public Health from Loma Linda
5 University School of Medicine. I also earned an M.B.A. from the University of California,
6 Riverside.

7 3. I have 35 years of experience as a physician. I am a practicing physician in the
8 Innovative Care Clinic at the San Mateo Medical Center. I am board certified in preventative
9 medicine and public health and am a fellow of the American College of Preventative Medicine. I
10 also serve on the boards of the Medical Association of San Mateo County, the Hospital Consortium
11 of San Mateo County, the California Conference of Local Health Officers, and the Health Officer's
12 Association of California.

13 4. I am currently the San Mateo County Health Officer. I have held the Health Officer
14 position since 1992. In this role, I am responsible for guiding San Mateo County Health's response
15 to disease outbreak, promoting disease prevention, enforcing public health laws and regulations,
16 coordinating local medical and health resources during a disaster, and advising elected officials on
17 health policy.

18 5. San Mateo County has approximately 770,000 residents and includes 20 incorporated
19 cities or towns. None of San Mateo County's incorporated areas has a separate health department or
20 health officer.

21 6. The novel coronavirus (COVID-19) is a potentially fatal respiratory disease that has
22 caused a lethal global pandemic. This virus appears to be wildly transmissible within congregate
23 settings. Individuals may be infected and contagious with no symptoms (meaning they are
24 asymptomatic) or may be infected and contagious before developing symptoms (meaning they are
25 presymptomatic). Asymptomatic or presymptomatic individuals can unintentionally infect others.

26 7. Current scientific evidence indicates that the primary way to slow the spread of the
27 virus is to hinder airborne transmission by minimizing personal interactions and maximizing

28 //

1 physical social distancing. There are no presently available vaccines or anti-viral treatments for
2 COVID-19, and none are anticipated to be available in the short or medium term.

3 8. Even before COVID-19 was detected within San Mateo County, I feared that the
4 virus could cause a severe local pandemic. I focused County health efforts on community mitigation,
5 including reviewing the steps that could most effectively diminish disease transmission within our
6 communities.

7 9. On March 3, 2020, I declared a local health emergency due to COVID-19. This
8 declaration was ratified by the San Mateo County Board of Supervisors on March 10, 2020.

9 10. On March 4, 2020, COVID-19 was first detected in San Mateo County. The virus
10 rapidly spread. By March 10, 2020, I had evidence of widespread community transmission of
11 COVID-19 in San Mateo County.

12 11. By March 15, 2020, testing confirmed that COVID-19 had infected at least 41
13 individuals in San Mateo County, killing at least 1 person. Due to limited testing, these numbers
14 reflected only a fraction of true cases.

15 12. On March 16, I directed the entire County to shelter in place at their homes unless
16 they need to patronize or work at an “Essential Business” or conduct “Essential Activities,” like
17 obtaining medical care. All non-Essential Businesses were limited to “Minimum Basic Operations.”
18 Attached as **Exhibit A** is a true and correct copy of my March 16 Order.

19 13. I adopted this Order jointly with the neighboring Bay Area counties of Santa Clara,
20 Alameda, Contra Costa, and Marin; the City and County of San Francisco; and the City of Berkeley.
21 Because our communities are so intertwined, with many individuals working in one county but
22 residing in another, it was important that we adopt a cohesive approach so that San Mateo County’s
23 efforts were not undermined by actions of residents or businesses in neighboring counties.

24 14. The goal of this shelter-in-place Order was to limit interpersonal contacts to inhibit
25 transmission of COVID-19, thus curbing the number of people who become sick from the virus and
26 preserving the County’s finite medical resources. I implemented these measures in light of the
27 increasing detection of the virus within the County in order to prevent the collapse of our healthcare
28 system and to reduce death due to COVID-19.

1 15. The “Essential Business” operations and other “Essential Activities” allowed under
2 my Order were deliberately narrowly defined. Each of these exceptions creates an opportunity for
3 further community transmission of the virus, even if social distancing measures are attempted. I
4 knew that this Order would cause hardship and frustration for many residents of San Mateo County.
5 However, time was of the essence and the lives of many of our residents were on the line.

6 16. The number of confirmed cases in Santa Mateo County increased from 41 to 309
7 between March 15 and March 30, 2020, with at least 6 known deaths. Again, due to limited testing,
8 these numbers reflected only a fraction of true cases. This data showed that while the prior shelter-
9 in-place order had likely reduced transmission of the COVID-19 disease, the County needed to do
10 more to slow down the rapid spread of the virus.

11 17. On March 31, 2020, again in conjunction with the other Bay Area counties, I issued
12 an order extending the duration of the shelter in place in San Mateo County until May 3, 2020.
13 Attached as **Exhibit B** is a true and correct copy of my March 31, 2020 Order. This March 31 Order
14 superseded my prior March 16 Order. It also clarified or strengthened the requirements for effective
15 sheltering in place, including but not limited to requiring essential businesses to implement a social
16 distancing protocol, maximize employees working from home, and scale down in-person business to
17 essential operations only. Because of these mandatory requirements, the March 31 Order is more
18 restrictive than the prior order.

19 18. As of April 28, 2020, COVID-19 has infected at least 1,136 individuals in San Mateo
20 County, with at least 48 known deaths. Again, due to limited testing, these numbers reflect only a
21 fraction of true cases. As of April 27, 2020, there are currently 80 known patients with COVID-19
22 hospitalized in the County, 20 of whom are being treated in intensive care units (ICUs).

23 19. Broad community-wide compliance with the shelter-in-place orders appears to be the
24 major reason for lowering the rate of new COVID-19 infections in San Mateo County and keeping
25 current exposure to a manageable, stable level. To date, we have not experienced the type of
26 catastrophically high transmission rates that have occurred in other jurisdictions, including parts of
27 New York and Italy. In other words, the County presently appears to have “flattened the curve.”

**ORDER OF THE HEALTH OFFICER
OF THE COUNTY OF SAN MATEO DIRECTING
ALL INDIVIDUALS LIVING IN THE COUNTY TO SHELTER AT THEIR PLACE OF
RESIDENCE EXCEPT THAT THEY MAY LEAVE TO PROVIDE OR RECEIVE
CERTAIN ESSENTIAL SERVICES OR ENGAGE IN CERTAIN ESSENTIAL
ACTIVITIES AND WORK FOR ESSENTIAL BUSINESSES AND GOVERNMENTAL
SERVICES; EXEMPTING INDIVIDUALS EXPERIENCING HOMELESSNESS FROM
THE SHELTER IN PLACE ORDER BUT URGING THEM TO FIND SHELTER AND
GOVERNMENT AGENCIES TO PROVIDE IT; DIRECTING ALL BUSINESSES AND
GOVERNMENTAL AGENCIES TO CEASE NON-ESSENTIAL OPERATIONS AT
PHYSICAL LOCATIONS IN THE COUNTY; PROHIBITING ALL NON-ESSENTIAL
GATHERINGS OF ANY NUMBER OF INDIVIDUALS; AND ORDERING
CESSATION OF ALL NON-ESSENTIAL TRAVEL**

DATE OF ORDER: MARCH 16, 2020

Please read this Order carefully. Violation of or failure to comply with this Order is a misdemeanor punishable by fine, imprisonment, or both. (California Health and Safety Code § 120295, *et seq.*)

UNDER THE AUTHORITY OF CALIFORNIA HEALTH AND SAFETY CODE SECTIONS 101040, 101085, AND 120175, THE HEALTH OFFICER OF THE COUNTY OF SAN MATEO (“HEALTH OFFICER”) ORDERS:

1. The intent of this Order is to ensure that the maximum number of people self-isolate in their places of residence to the maximum extent feasible, while enabling essential services to continue, to slow the spread of COVID-19 to the maximum extent possible. When people need to leave their places of residence, whether to obtain or perform vital services, or to otherwise facilitate authorized activities necessary for continuity of social and commercial life, they should at all times reasonably possible comply with Social Distancing Requirements as defined in Section 10 below. All provisions of this Order should be interpreted to effectuate this intent. Failure to comply with any of the provisions of this Order constitutes an imminent threat to public health.
2. All individuals currently living within San Mateo County (the “County”) are ordered to shelter at their place of residence. To the extent individuals are using shared or outdoor spaces, they must at all times as reasonably possible maintain social distancing of at least six feet from any other person when they are outside their residence. All persons may leave their residences only for Essential Activities, Essential Governmental Functions, or to operate Essential Businesses, all as defined in Section 10. Individuals experiencing homelessness are exempt from this Section, but are strongly urged to obtain shelter, and

governmental and other entities are strongly urged to make such shelter available as soon as possible and to the maximum extent practicable (and to utilize Social Distancing Requirements in their operation).

3. All businesses with a facility in the County, except Essential Businesses as defined below in Section 10, are required to cease all activities at facilities located within the County except Minimum Basic Operations, as defined in Section 10. For clarity, businesses may also continue operations consisting exclusively of employees or contractors performing activities at their own residences (i.e., working from home). All Essential Businesses are strongly encouraged to remain open. To the greatest extent feasible, Essential Businesses shall comply with Social Distancing Requirements as defined in Section 10 below, including, but not limited to, when any customers are standing in line.
4. All public and private gatherings of any number of people occurring outside a household or living unit are prohibited, except for the limited purposes as expressly permitted in Section 10. Nothing in this Order prohibits the gathering of members of a household or living unit.
5. All travel, including, but not limited to, travel on foot, bicycle, scooter, motorcycle, automobile, or public transit, except Essential Travel and Essential Activities as defined below in Section 10, is prohibited. People must use public transit only for purposes of performing Essential Activities or to travel to and from work to operate Essential Businesses or maintain Essential Governmental Functions. People riding on public transit must comply with Social Distancing Requirements as defined in Section 10 below, to the greatest extent feasible. This Order allows travel into or out of the County to perform Essential Activities, operate Essential Businesses, or maintain Essential Governmental Functions.
6. This Order is issued based on evidence of increasing occurrence of COVID-19 within the County and throughout the Bay Area, scientific evidence and best practices regarding the most effective approaches to slow the transmission of communicable diseases generally and COVID-19 specifically, and evidence that the age, condition, and health of a significant portion of the population of the County places it at risk for serious health complications, including death, from COVID-19. Due to the outbreak of the COVID-19 virus in the general public, which is now a pandemic according to the World Health Organization, there is a public health emergency throughout the County. Making the problem worse, some individuals who contract the COVID-19 virus have no symptoms or have mild symptoms, which means they may not be aware they carry the virus. Because even people without symptoms can transmit the disease, and because evidence shows the disease is easily spread, gatherings can result in preventable transmission of the virus. The scientific evidence shows that at this stage of the emergency, it is essential to slow virus transmission as much as possible to protect the most vulnerable and to prevent the health care system from being overwhelmed. One proven way to slow the transmission is to limit interactions among people to the greatest extent practicable. By reducing the spread of the COVID-19 virus, this Order helps preserve critical and limited healthcare capacity in the County.
7. This Order also is issued in light of the existence of 41 cases of COVID-19 in the County, as well as at least 258 confirmed cases and at least three deaths in the seven Bay Area jurisdictions jointly issuing this Order, as of 5 p.m. on March 15, 2020, including a significant and increasing number of suspected cases of community transmission and likely further significant increases in transmission. Widespread testing for COVID-19 is not yet available but is expected to increase in the coming days. This Order is

SAN MATEO COUNTY HEALTH
**PUBLIC HEALTH,
 POLICY & PLANNING**

necessary to slow the rate of spread and the Health Officer will re-evaluate it as further data becomes available.

8. This Order revokes and replaces Order Number C19-2b (revised), originally issued on March 14, 2020. That order is no longer in effect as of the effective date and time of this Order. This Order is issued in accordance with, and incorporates by reference, the March 4, 2020 Proclamation of a State of Emergency issued by Governor Gavin Newsom, the March 3, 2020 Proclamation by the Director of Emergency Services Declaring the Existence of a Local Emergency in the County, the March 3, 2020 Declaration of Local Health Emergency Regarding Novel Coronavirus 2019 (COVID-19) issued by the Health Officer, the March 10, 2020 Resolution of the Board of Supervisors of the County of San Mateo Ratifying and Extending the Declaration of a Local Health Emergency, the March 11, 2020 and March Order of the Health Officer No. C19-1 restricting visitors to skilled nursing facilities, the March 12, 2020 State of California Executive Order N-25-20, and the March 13, 2020 Order of the Health Officer No. C19-3 imposing a School Operations Modification Order.
9. This Order comes after the release of substantial guidance from the County Health Officer, the Centers for Disease Control and Prevention, the California Department of Public Health, and other public health officials throughout the United States and around the world, including a variety of prior orders to combat the spread and harms of COVID-19. The Health Officer will continue to assess the quickly evolving situation and may modify or extend this Order, or issue additional Orders, related to COVID-19.
10. Definitions and Exemptions.
 - a. For purposes of this Order, individuals may leave their residence only to perform any of the following “Essential Activities.” But people at high risk of severe illness from COVID-19 and people who are sick are urged to stay in their residence to the extent possible except as necessary to seek medical care.
 - i. To engage in activities or perform tasks essential to their health and safety, or to the health and safety of their family or household members (including, but not limited to, pets), such as, by way of example only and without limitation, obtaining medical supplies or medication, visiting a health care professional, or obtaining supplies they need to work from home.
 - ii. To obtain necessary services or supplies for themselves and their family or household members, or to deliver those services or supplies to others, such as, by way of example only and without limitation, canned food, dry goods, fresh fruits and vegetables, pet supply, fresh meats, fish, and poultry, and any other household consumer products, and products necessary to maintain the safety, sanitation, and essential operation of residences.
 - iii. To engage in outdoor activity, provided the individuals comply with Social Distancing Requirements as defined in this Section, such as, by way of example and without limitation, walking, hiking, or running.

SAN MATEO COUNTY HEALTH
**PUBLIC HEALTH,
POLICY & PLANNING**

- iv. To perform work providing essential products and services at an Essential Business or to otherwise carry out activities specifically permitted in this Order, including Minimum Basic Operations.
 - v. To care for a family member or pet in another household.
- b. For purposes of this Order, individuals may leave their residence to work for or obtain services at any “Healthcare Operations” including hospitals, clinics, dentists, pharmacies, pharmaceutical and biotechnology companies, other healthcare facilities, healthcare suppliers, home healthcare services providers, mental health providers, or any related and/or ancillary healthcare services. “Healthcare Operations” also includes veterinary care and all healthcare services provided to animals. This exemption shall be construed broadly to avoid any impacts to the delivery of healthcare, broadly defined. “Healthcare Operations” does not include fitness and exercise gyms and similar facilities.
- c. For purposes of this Order, individuals may leave their residence to provide any services or perform any work necessary to the operations and maintenance of “Essential Infrastructure,” including, but not limited to, public works construction, construction of housing (in particular affordable housing or housing for individuals experiencing homelessness), airport operations, water, sewer, gas, electrical, oil refining, roads and highways, public transportation, solid waste collection and removal, internet, and telecommunications systems (including the provision of essential global, national, and local infrastructure for computing services, business infrastructure, communications, and web-based services), provided that they carry out those services or that work in compliance with Social Distancing Requirements as defined this Section, to the extent possible.
- d. For purposes of this Order, all first responders, emergency management personnel, emergency dispatchers, court personnel, and law enforcement personnel, and others who need to perform essential services are categorically exempt from this Order. Further, nothing in this Order shall prohibit any individual from performing or accessing “Essential Governmental Functions,” as determined by the governmental entity performing those functions. Each governmental entity shall identify and designate appropriate employees or contractors to continue providing and carrying out any Essential Governmental Functions. All Essential Governmental Functions shall be performed in compliance with Social Distancing Requirements as defined in this Section, to the extent possible.
- e. For the purposes of this Order, covered businesses include any for-profit, non-profit, or educational entities, regardless of the nature of the service, the function they perform, or its corporate or entity structure.
- f. For the purposes of this Order, “Essential Businesses” means:
 - i. Healthcare Operations and Essential Infrastructure;
 - ii. Grocery stores, certified farmers’ markets, farm and produce stands, supermarkets, food banks, convenience stores, and other establishments engaged in the retail sale of canned food, dry goods, fresh fruits and vegetables, pet supply, fresh meats, fish, and poultry,

SAN MATEO COUNTY HEALTH

**PUBLIC HEALTH,
POLICY & PLANNING**

- and any other household consumer products (such as cleaning and personal care products). This includes stores that sell groceries and also sell other non-grocery products, and products necessary to maintaining the safety, sanitation, and essential operation of residences;
- iii. Food cultivation, including farming, livestock, and fishing;
 - iv. Businesses that provide food, shelter, and social services, and other necessities of life for economically disadvantaged or otherwise needy individuals;
 - v. Newspapers, television, radio, and other media services;
 - vi. Gas stations and auto-supply, auto-repair, and related facilities;
 - vii. Banks and related financial institutions;
 - viii. Hardware stores;
 - ix. Plumbers, electricians, exterminators, and other service providers who provide services that are necessary to maintaining the safety, sanitation, and essential operation of residences, Essential Activities, and Essential Businesses;
 - x. Businesses providing mailing and shipping services, including post office boxes;
 - xi. Educational institutions—including public and private K-12 schools, colleges, and universities—for purposes of facilitating distance learning or performing essential functions, provided that social distancing of six-feet per person is maintained to the greatest extent possible;
 - xii. Laundromats, drycleaners, and laundry service providers;
 - xiii. Restaurants and other facilities that prepare and serve food, but only for delivery or carry out. Schools and other entities that typically provide free food services to students or members of the public may continue to do so under this Order on the condition that the food is provided to students or members of the public on a pick-up and take-away basis only. Schools and other entities that provide food services under this exemption shall not permit the food to be eaten at the site where it is provided, or at any other gathering site;
 - xiv. Businesses that supply products needed for people to work from home;
 - xv. Businesses that supply other essential businesses with the support or supplies necessary to operate;
 - xvi. Businesses that ship or deliver groceries, food, goods or services directly to residences;
 - xvii. Airlines, taxis, and other private transportation providers providing transportation services necessary for Essential Activities and other purposes expressly authorized in this Order;
 - xviii. Home-based care for seniors, adults, or children;
 - xix. Residential facilities and shelters for seniors, adults, and children;
 - xx. Professional services, such as legal or accounting services, when necessary to assist in compliance with legally mandated activities;
 - xxi. Childcare facilities providing services that enable employees exempted in this Order to work as permitted. To the extent possible, childcare facilities must operate under the following mandatory conditions:
 1. Childcare must be carried out in stable groups of 12 or fewer (“stable” means that the same 12 or fewer children are in the same group each day).
 2. Children shall not change from one group to another.

SAN MATEO COUNTY HEALTH

**PUBLIC HEALTH,
POLICY & PLANNING**

3. If more than one group of children is cared for at one facility, each group shall be in a separate room. Groups shall not mix with each other.
 4. Childcare providers shall remain solely with one group of children.
 - g. For the purposes of this Order, “Minimum Basic Operations” include the following, provided that employees comply with Social Distancing Requirements as defined this Section, to the extent possible, while carrying out such operations:
 - i. The minimum necessary activities to maintain the value of the business’s inventory, ensure security, process payroll and employee benefits, or for related functions.
 - ii. The minimum necessary activities to facilitate employees of the business being able to continue to work remotely from their residences.
 - h. For the purposes of this Order, “Essential Travel” includes travel for any of the following purposes. Individuals engaged in any Essential Travel must comply with all Social Distancing Requirements as defined in this Section below.
 - i. Any travel related to the provision of or access to Essential Activities, Essential Governmental Functions, Essential Businesses, or Minimum Basic Operations.
 - ii. Travel to care for elderly, minors, dependents, persons with disabilities, or other vulnerable persons.
 - iii. Travel to or from educational institutions for purposes of receiving materials for distance learning, for receiving meals, and any other related services.
 - iv. Travel to return to a place of residence from outside the jurisdiction.
 - v. Travel required by law enforcement or court order.
 - vi. Travel required for non-residents to return to their place of residence outside the County. Individuals are strongly encouraged to verify that their transportation out of the County remains available and functional prior to commencing such travel.
 - i. For purposes of this Order, residences include hotels, motels, shared rental units and similar facilities.
 - j. For purposes of this Order, “Social Distancing Requirements” includes maintaining at least six-foot social distancing from other individuals, washing hands with soap and water for at least twenty seconds as frequently as possible or using hand sanitizer, covering coughs or sneezes (into the sleeve or elbow, not hands), regularly cleaning high-touch surfaces, and not shaking hands.
11. Pursuant to Government Code sections 26602 and 41601 and Health and Safety Code section 101029, the Health Officer requests that the Sheriff and all chiefs of police in the County ensure compliance with and enforce this Order. The violation of any provision of this Order constitutes an imminent threat to public health.
12. This Order shall become effective at 12:01 a.m. on March 17, 2020 and will continue to be in effect until 11:59 p.m. on April 7, 2020, or until it is extended, rescinded, superseded, or amended in writing by the Health Officer.

13. Copies of this Order shall promptly be: (1) made available at the County Government Center at 400 County Center, Redwood City, CA 94063; (2) posted on the County Public Health Department website (available at www.smchealth.org); and (3) provided to any member of the public requesting a copy of this Order.
14. If any provision of this Order to the application thereof to any person or circumstance is held to be invalid, the remainder of the Order, including the application of such part or provision to other persons or circumstances, shall not be affected and shall continue in full force and effect. To this end, the provisions of this Order are severable.

IT IS SO ORDERED:

OPERATIONS**

DATE OF ORDER: MARCH 31, 2020

Please read this Order carefully. Violation of or failure to comply with this Order is a misdemeanor punishable by fine, imprisonment, or both. (California Health and Safety Code § 120295, *et seq.*; Cal. Penal Code §§ 69, 148(a)(1).

UNDER THE AUTHORITY OF CALIFORNIA HEALTH AND SAFETY CODE SECTIONS 101040, 101085, AND 120175, THE HEALTH OFFICER OF THE COUNTY OF SAN MATEO (“HEALTH OFFICER”) ORDERS:

1. This Order supersedes the March 16, 2020 Order of the Health Officer directing all individuals to shelter in place (“Prior Shelter Order”). This Order clarifies, strengthens, and extends certain terms of the Prior Shelter Order to increase social distancing and reduce person-to-person contact in order to further slow transmission of Novel Coronavirus Disease 2019 (“COVID-19”). As of the effective date and time of this Order set forth in Section 16 below, all individuals, businesses and government agencies in the County of San Mateo (“County”) are required to follow the provisions of this Order.
2. The intent of this Order is to ensure that the maximum number of people shelter in their places of residence to the maximum extent feasible to slow the spread of COVID-19 and mitigate the impact on delivery of critical healthcare services to those in need. All provisions of this Order must be interpreted to effectuate this intent. Failure to comply with any of the provisions of this Order constitutes an imminent threat and menace to public health, constitutes a public nuisance, and is punishable by fine, imprisonment, or both.

SAN MATEO COUNTY HEALTH

**PUBLIC HEALTH,
POLICY & PLANNING**

3. All individuals currently living within the County are ordered to shelter at their place of residence. They may leave their residence only for Essential Activities, Essential Travel, Essential Governmental Functions, to work for Essential Businesses, or to perform Minimum Basic Operations for non-essential businesses, all as defined in Section 13. Individuals experiencing homelessness are exempt from this Section, but are strongly urged to obtain shelter, and governmental and other entities are strongly urged to, as soon as possible, make such shelter available and provide handwashing or hand sanitation facilities to persons who continue experiencing homelessness.
4. When people need to leave their place of residence for the limited purposes allowed in this Order, they must strictly comply with Social Distancing Requirements as defined in Section 13.k, except as expressly provided in this Order.
5. All businesses with a facility in the County, except Essential Businesses, as defined in Section 13.f, are required to cease all activities at facilities located within the County except Minimum Basic Operations, as defined in Section 13.g. For clarity, all businesses may continue operations consisting exclusively of owners, employees, volunteers, or contractors performing activities at their own residences (i.e., working from home). All Essential Businesses are strongly encouraged to remain open. But Essential Businesses are directed to maximize the number of employees who work from home. Essential Businesses may only assign those employees who cannot perform their job duties from home to work outside the home. All Essential Businesses shall prepare, post, and implement a Social Distancing Protocol at each of their facilities at which they are maintaining operations, as specified in Section 13.h. Businesses that include an Essential Business component at their facilities alongside non-essential components must, to the extent feasible, scale down their operations to the Essential Business component only; provided, however, that mixed retail businesses that are otherwise allowed to operate under this Order may continue to stock and sell non-essential products. Essential Businesses must follow industry-specific guidance issued by the Health Officer related to COVID-19.
6. All public and private gatherings of any number of people occurring outside a single household or living unit are prohibited, except for the limited purposes expressly permitted in this Order. Nothing in this Order prohibits members of a single household or living unit from engaging in Essential Travel or Essential Activities together.
7. All travel, including, but not limited to, travel on foot, bicycle, scooter, motorcycle, automobile, or public transit, except Essential Travel, as defined below in Section 13.i, is prohibited. People may use public transit only for purposes of performing Essential Activities or to travel to and from work to operate Essential Businesses, maintain Essential Governmental Functions, or to perform Minimum Basic Operations at non-essential businesses. Transit agencies and people riding on public transit must comply with Social Distancing Requirements, as defined in Section 13.k, to the greatest extent feasible. This Order allows travel into or out of the County only to perform Essential Activities, operate Essential Businesses, maintain Essential Governmental Functions, or perform Minimum Basic Operations at non-essential businesses.
8. This Order is issued based on evidence of increasing occurrence of COVID-19 within the County and throughout the Bay Area, scientific evidence and best practices regarding the most effective approaches

SAN MATEO COUNTY HEALTH
**PUBLIC HEALTH,
 POLICY & PLANNING**

to slow the transmission of communicable diseases generally and COVID-19 specifically, and evidence that the age, condition, and health of a significant portion of the population of the County places it at risk for serious health complications, including death, from COVID-19. Due to the outbreak of the COVID-19 disease in the general public, which is now a pandemic according to the World Health Organization, there is a public health emergency throughout the County. Making the problem worse, some individuals who contract the virus causing the COVID-19 disease have no symptoms or have mild symptoms, which means they may not be aware they carry the virus and are transmitting it to others. Because even people without symptoms can transmit the infection, and because evidence shows the infection is easily spread, gatherings and other interpersonal interactions can result in preventable transmission of the virus. This public health emergency has substantially worsened since the County issued the Prior Shelter Order on March 16, 2020, with a significant escalation in the number of positive cases, hospitalizations, and deaths, and increasing strain on health care resources. At the same time, evidence suggests that the restrictions on mobility and social distancing requirements imposed by the Prior Shelter Order are slowing the rate of increase in community transmission and confirmed cases by limiting interactions among people, consistent with scientific evidence of the efficacy of similar measures in other parts of the country and world. The scientific evidence shows that at this stage of the emergency, it remains essential to continue to slow virus transmission as much as possible to protect the most vulnerable, to prevent the health care system from being overwhelmed, and to prevent deaths. Extension of the Prior Shelter Order and strengthening of its restrictions are necessary to further reduce the spread of the COVID-19 disease, preserving critical and limited healthcare capacity in the County and advancing toward a point in the public health emergency where transmission can be controlled.

9. This Order is also issued in light of the existence, as of March 29, 2020, of 309 cases of COVID-19 in the County, as well as at least 2,092 confirmed cases (up from 258 confirmed cases on March 15, 2020, just before the Prior Shelter Order) and at least 51 deaths (up from 3 deaths on March 15, 2020) in the seven Bay Area jurisdictions jointly issuing this Order, including a significant and increasing number of suspected cases of community transmission and likely further significant increases in transmission. This Order is necessary to slow the rate of spread, and the Health Officer will re-evaluate it as further data becomes available.
10. This Order is issued in accordance with, and incorporates by reference, the March 4, 2020 Proclamation of a State of Emergency issued by Governor Gavin Newsom, the March 3, 2020 Proclamation by the Director of Emergency Services Declaring the Existence of a Local Emergency in the County, the March 3, 2020 Declaration of Local Health Emergency Regarding Novel Coronavirus 2019 (COVID-19) issued by the Health Officer, the March 10, 2020 Resolution of the Board of Supervisors of the County of San Mateo Ratifying and Extending the Declaration of a Local Health Emergency, the March 11, 2020 and March Order of the Health Officer No. C19-1 restricting visitors to skilled nursing facilities, the March 12, 2020 State of California Executive Order N-25-20, and the March 13, 2020 Order of the Health Officer No. C19-3 imposing a School Operations Modification Order.
11. This Order is issued in light of evidence that the Prior Shelter Order has been generally effective in increasing social distancing, but that at this time additional restrictions are necessary to further mitigate the rate of transmission of COVID-19, to prevent the health care system from being overwhelmed, and prevent death. This Order comes after the release of substantial guidance from the County Health

SAN MATEO COUNTY HEALTH
**PUBLIC HEALTH,
 POLICY & PLANNING**

Officer, the Centers for Disease Control and Prevention, the California Department of Public Health, and other public health officials throughout the United States and around the world, including an increasing number of orders imposing similar social distancing requirements and mobility restrictions to combat the spread and harms of COVID-19. The Health Officer will continue to assess the quickly evolving situation and may modify or extend this Order, or issue additional Orders, related to COVID-19, as changing circumstances dictate.

12. This Order is also issued in light of the March 19, 2020 Order of the State Public Health Officer (the “State Shelter Order”), which set baseline statewide restrictions on non-residential business activities effective until further notice, as well as the Governor’s March 19, 2020 Executive Order N-33-20 directing California residents to follow the State Shelter Order. The State Shelter Order was complementary to the Prior Shelter Order. This Order adopts in certain respects more stringent restrictions addressing the particular facts and circumstances in this County, which are necessary to control the public health emergency as it is evolving within the County and the Bay Area. Without this tailored set of restrictions that further reduces the number of interactions between persons, scientific evidence indicates that the public health crisis in the County will worsen to the point at which it may overtake available health care resources within the County and increase the death rate. Also, this Order enumerates additional restrictions on non-work-related travel not covered by the State Shelter Order, including limiting such travel to performance of Essential Travel or Essential Activities; sets forth mandatory Social Distancing Requirements for all individuals in the County when engaged in activities outside their residences; and adds a mechanism to ensure that Essential Businesses comply with the Social Distancing Requirements. Where a conflict exists between this Order and any state public health order related to the COVID-19 pandemic, the most restrictive provision controls. Consistent with California Health and Safety Code section 131080 and the Health Officer Practice Guide for Communicable Disease Control in California, except where the State Health Officer may issue an order expressly directed at this Order and based on a finding that a provision of this Order constitutes a menace to public health, any more restrictive measures in this Order continue to apply and control in this County.

13. Definitions and Exemptions.

- a. For the purposes of this Order, individuals may leave their residence only to perform the following “Essential Activities.” But people at high risk of severe illness from COVID-19 and people who are sick are strongly urged to stay in their residence to the extent possible, except as necessary to seek or provide medical care or Essential Governmental Functions. Essential Activities are:
 - i. To engage in activities or perform tasks important to their health and safety, or to the health and safety of their family or household members (including pets), such as, by way of example only and without limitation, obtaining medical supplies or medication, or visiting a health care professional.
 - ii. To obtain necessary services or supplies for themselves and their family or household members, or to deliver those services or supplies to others, such as, by way of example only and without limitation, canned food, dry goods, fresh fruits and vegetables, pet supply, fresh meats, fish, and poultry, and any other household consumer products,

SAN MATEO COUNTY HEALTH

**PUBLIC HEALTH,
POLICY & PLANNING**

- products needed to work from home, or products necessary to maintain the habitability, sanitation, and operation of residences.
- iii. To engage in outdoor recreation activity, including, by way of example and without limitation, walking, hiking, bicycling, and running, in compliance with Social Distancing Requirements and with the following limitations:
 1. Outdoor recreation activity must take place within 5 miles of the individual's residence;
 2. Outdoor recreation activity at parks, beaches, and other open spaces must be in conformance with any restrictions on access and use established by the Health Officer, government, or other entity that manages such area to reduce crowding and risk of transmission of COVID-19. Such restrictions may include, but are not limited to, restricting the number of entrants, closing the area to vehicular access and parking, or closure to all public access;
 3. Use of recreational areas with high-touch equipment or that encourage gathering, including, but not limited to, playgrounds, outdoor gym equipment, picnic areas, dog parks, and barbecue areas, is prohibited outside of residences, and all such areas shall be closed to public access including by signage and, as appropriate, by physical barriers;
 4. Use of shared facilities for recreational activities outside of residences, including, but not limited to, golf courses, tennis and pickle ball courts, rock parks, climbing walls, pools, spas, shooting and archery ranges, gyms, disc golf, and basketball courts is prohibited and those areas must be closed for recreational purposes, including by signage and, as appropriate, by physical barriers. Such facilities may be repurposed during the emergency to provide essential services needed to address the COVID-19 pandemic; and
 5. Sports or activities that include the use of shared equipment may only be engaged in by members of the same household or living unit.
 - iv. To perform work for an Essential Business or to otherwise carry out activities specifically permitted in this Order, including Minimum Basic Operations, as defined in this Section.
 - v. To provide necessary care for a family member or pet in another household who has no other source of care.
 - vi. To attend a funeral with no more than 10 individuals present.
 - vii. To move residences, but only if it is not possible to defer an already planned move, if the move is necessitated by safety, sanitation, or habitability reasons, or if the move is necessary to preserve access to shelter. When moving into or out of the Bay Area region, individuals are strongly urged to quarantine for 14 days. To quarantine, individuals should follow the guidance of the United States Centers for Disease Control and Prevention.
- b. For the purposes of this Order, individuals may leave their residence to work for, volunteer at, or obtain services at "Healthcare Operations," including, without limitation, hospitals, clinics, COVID-19 testing locations, dentists, pharmacies, blood banks and blood drives, pharmaceutical and biotechnology companies, other healthcare facilities, healthcare suppliers, home healthcare services providers, mental health providers, or any related and/or ancillary healthcare services.

SAN MATEO COUNTY HEALTH

**PUBLIC HEALTH,
POLICY & PLANNING**

“Healthcare Operations” also includes veterinary care and all healthcare services provided to animals. This exemption for Healthcare Operations shall be construed broadly to avoid any interference with the delivery of healthcare, broadly defined. “Healthcare Operations” excludes fitness and exercise gyms and similar facilities.

- c. For the purposes of this Order, individuals may leave their residence to provide any services or perform any work necessary to the operation and maintenance of “Essential Infrastructure,” including airports, utilities (including water, sewer, gas, and electrical), oil refining, roads and highways, public transportation, solid waste facilities (including collection, removal, disposal, and processing facilities), cemeteries, mortuaries, crematoriums, and telecommunications systems (including the provision of essential global, national, and local infrastructure for internet, computing services, business infrastructure, communications, and web-based services).
- d. For the purposes of this Order, all first responders, emergency management personnel, emergency dispatchers, court personnel, and law enforcement personnel, and others who need to perform essential services are categorically exempt from this Order to the extent they are performing those essential services. Further, nothing in this Order shall prohibit any individual from performing or accessing “Essential Governmental Functions,” as determined by the governmental entity performing those functions in the County. Each governmental entity shall identify and designate appropriate employees, volunteers, or contractors to continue providing and carrying out any Essential Governmental Functions, including the hiring or retention of new employees or contractors to perform such functions. Each governmental entity and its contractors must employ all necessary emergency protective measures to prevent, mitigate, respond to and recover from the COVID-19 pandemic, and all Essential Governmental Functions shall be performed in compliance with Social Distancing Requirements to the greatest extent feasible.
- e. For the purposes of this Order, a “business” includes any for-profit, non-profit, or educational entity, whether a corporate entity, organization, partnership or sole proprietorship, and regardless of the nature of the service, the function it performs, or its corporate or entity structure.
- f. For the purposes of this Order, “Essential Businesses” are:
 - i. Healthcare Operations and businesses that operate, maintain, or repair Essential Infrastructure;
 - ii. Grocery stores, certified farmers’ markets, farm and produce stands, supermarkets, food banks, convenience stores, and other establishments engaged in the retail sale of unprepared food, canned food, dry goods, non-alcoholic beverages, fresh fruits and vegetables, pet supply, fresh meats, fish, and poultry, as well as hygienic products and household consumer products necessary for personal hygiene or the habitability, sanitation, or operation of residences. The businesses included in this subparagraph (ii) include establishments that sell multiple categories of products provided that they sell a significant amount of essential products identified in this subparagraph, such as liquor stores that also sell a significant amount of food.
 - iii. Food cultivation, including farming, livestock, and fishing;

SAN MATEO COUNTY HEALTH
**PUBLIC HEALTH,
POLICY & PLANNING**

- iv. Businesses that provide food, shelter, and social services, and other necessities of life for economically disadvantaged or otherwise needy individuals;
- v. Construction, but only of the types listed in this subparagraph below:
 - 1. Projects immediately necessary to the maintenance, operation or repair of Essential Infrastructure;
 - 2. Projects associated with Healthcare Operations, including creating or expanding Healthcare Operations, provided that such construction is directly related to the COVID-19 response;
 - 3. Affordable housing that is or will be income-restricted, including multi-unit or mixed-use developments containing at least 10% income-restricted units;
 - 4. Public works projects if specifically designated as an Essential Governmental Function by the lead governmental agency;
 - 5. Shelters and temporary housing, but not including hotels or motels;
 - 6. Projects immediately necessary to provide critical non-commercial services to individuals experiencing homelessness, elderly persons, persons who are economically disadvantaged, and persons with special needs;
 - 7. Construction necessary to ensure that existing construction sites that must be shut down under this Order are left in a safe and secure manner, but only to the extent necessary to do so; and
 - 8. Construction or repair necessary to ensure that residences and buildings containing Essential Businesses are safe, sanitary, or habitable to the extent such construction or repair cannot reasonably be delayed;
- vi. Newspapers, television, radio, and other media services;
- vii. Gas stations and auto-supply, auto-repair (including, but not limited to, for cars, trucks, motorcycles and motorized scooters), and automotive dealerships, but only for the purpose of providing auto-supply and auto-repair services (and not, by way of example, car sales or car washes). This subparagraph (vii) does not restrict the on-line purchase of automobiles if they are delivered to a residence or Essential Business;
- viii. Bicycle repair and supply shops;
- ix. Banks and related financial institutions;
- x. Service providers that enable residential transactions (including rentals, leases, and home sales), including, but not limited to, real estate agents, escrow agents, notaries, and title companies, provided that appointments and other residential viewings must only occur virtually or, if a virtual viewing is not feasible, by appointment with no more than two visitors at a time residing within the same household or living unit and one individual showing the unit (except that in person visits are not allowed when the occupant is still residing in the residence);
- xi. Hardware stores;
- xii. Plumbers, electricians, exterminators, and other service providers who provide services that are necessary to maintaining the habitability, sanitation, and operation of residences and Essential Businesses, but not for cosmetic or other purposes;
- xiii. Arborists, landscapers, gardeners, and similar service professionals, but only to the limited extent necessary to maintain the habitability, sanitation, operation of businesses or residences, or the safety of residents, employees, or the public (such as fire safety or

SAN MATEO COUNTY HEALTH

**PUBLIC HEALTH,
POLICY & PLANNING**

- tree trimming to prevent a dangerous condition), and not for cosmetic or other purposes (such as upkeep);
- xiv. Businesses providing mailing and shipping services, including post office boxes;
 - xv. Educational institutions—including public and private K-12 schools, colleges, and universities—for purposes of facilitating distance learning or performing essential functions, provided that social distancing of six-feet per person is maintained to the greatest extent possible;
 - xvi. Laundromats, drycleaners, and laundry service providers;
 - xvii. Restaurants and other facilities that prepare and serve food, but only for delivery or carry out. Schools and other entities that typically provide free food services to students or members of the public may continue to do so under this Order on the condition that the food is provided to students or members of the public on a pick-up and take-away basis only. Schools and other entities that provide food services under this exemption shall not permit the food to be eaten at the site where it is provided, or at any other gathering site;
 - xviii. Funeral home providers, mortuaries, cemeteries, and crematoriums, to the extent necessary for the transport, preparation, or processing of bodies or remains;
 - xix. Businesses that supply other Essential Businesses with the support or supplies necessary to operate, but only to the extent that they support or supply these Essential Businesses. This exemption shall not be used as a basis for engaging in sales to the general public from retail storefronts;
 - xx. Businesses that have the primary function of shipping or delivering groceries, food, or other goods directly to residences or businesses. This exemption shall not be used to allow for manufacturing or assembly of non-essential products or for other functions besides those necessary to the delivery operation;
 - xxi. Airlines, taxis, rental car companies, rideshare services (including shared bicycles and scooters), and other private transportation providers providing transportation services necessary for Essential Activities and other purposes expressly authorized in this Order;
 - xxii. Home-based care for seniors, adults, children, and pets;
 - xxiii. Residential facilities and shelters for seniors, adults, and children;
 - xxiv. Professional services, such as legal, notary, or accounting services, when necessary to assist in compliance with non-elective, legally required activities;
 - xxv. Services to assist individuals in finding employment with Essential Businesses;
 - xxvi. Moving services that facilitate residential or commercial moves that are allowed under this Order;
 - xxvii. Childcare facilities providing services that enable owners, employees, volunteers, and contractors for Essential Businesses or Essential Governmental Functions, or Minimum Basic Operations to work as allowed under this Order. Children of owners, employees, volunteers, and contractors who are not exempt under this Order may not attend childcare facilities. To the extent possible, childcare facilities must operate under the following conditions:
 1. Childcare must be carried out in stable groups of 12 or fewer (“stable” means that the same 12 or fewer children are in the same group each day).
 2. Children shall not change from one group to another.

SAN MATEO COUNTY HEALTH

**PUBLIC HEALTH,
POLICY & PLANNING**

3. If more than one group of children is cared for at one facility, each group shall be in a separate room. Groups shall not mix with each other.
 4. Childcare providers shall remain solely with one group of children.
- g. For the purposes of this Order, “Minimum Basic Operations” means the following activities for businesses, provided that owners, employees, and contractors comply with Social Distancing Requirements as defined this Section, to the extent possible, while carrying out such operations:
- i. The minimum necessary activities to maintain and protect the value of the business’s inventory and facilities; ensure security, safety, and sanitation; process payroll and employee benefits; provide for the delivery of existing inventory directly to residences or businesses; and related functions.
 - ii. The minimum necessary activities to facilitate owners, employees, and contractors of the business being able to continue to work remotely from their residences, and to ensure that the business can deliver its service remotely.
- h. For the purposes of this Order, all Essential Businesses must prepare and post by no later than 11:59 p.m. on April 2, 2020 a “Social Distancing Protocol” for each of their facilities in the County frequented by the public or employees. The Social Distancing Protocol must be substantially in the form attached to this Order as Appendix A. The Social Distancing Protocol must be posted at or near the entrance of the relevant facility, and shall be easily viewable by the public and employees. A copy of the Social Distancing Protocol must also be provided to each employee performing work at the facility. All Essential Businesses shall implement the Social Distancing Protocol and provide evidence of its implementation to any authority enforcing this Order upon demand. The Social Distancing Protocol must explain how the business is achieving the following, as applicable:
- i. Limiting the number of people who can enter into the facility at any one time to ensure that people in the facility can easily maintain a minimum six-foot distance from one another at all times, except as required to complete the Essential Business activity;
 - ii. Where lines may form at a facility, marking six-foot increments at a minimum, establishing where individuals should stand to maintain adequate social distancing;
 - iii. Providing hand sanitizer, soap and water, or effective disinfectant at or near the entrance of the facility and in other appropriate areas for use by the public and employees, and in locations where there is high-frequency employee interaction with members of the public (e.g. cashiers);
 - iv. Providing for contactless payment systems or, if not feasible to do so, the providing for disinfecting all payment portals, pens, and styluses after each use;
 - v. Regularly disinfecting other high-touch surfaces; and
 - vi. Posting a sign at the entrance of the facility informing all employees and customers that they should: avoid entering the facility if they have a cough or fever; maintain a minimum six-foot distance from one another; sneeze and cough into one’s elbow; not shake hands or engage in any unnecessary physical contact.
 - vii. Any additional social distancing measures being implemented (see the Centers for Disease Control and Prevention’s guidance at: <https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html>).

SAN MATEO COUNTY HEALTH

**PUBLIC HEALTH,
POLICY & PLANNING**

- i. For the purposes of this Order, “Essential Travel” means travel for any of the following purposes:
 - i. Travel related to the provision of or access to Essential Activities, Essential Governmental Functions, Essential Businesses, or Minimum Basic Operations.
 - ii. Travel to care for any elderly, minors, dependents, or persons with disabilities.
 - iii. Travel to or from educational institutions for purposes of receiving materials for distance learning, for receiving meals, and any other related services.
 - iv. Travel to return to a place of residence from outside the County.
 - v. Travel required by law enforcement or court order.
 - vi. Travel required for non-residents to return to their place of residence outside the County. Individuals are strongly encouraged to verify that their transportation out of the County remains available and functional prior to commencing such travel.
 - vii. Travel to manage after-death arrangements and burial.
 - viii. Travel to arrange for shelter or avoid homelessness.
 - ix. Travel to avoid domestic violence or child abuse.
 - x. Travel for parental custody arrangements.
 - xi. Travel to a place to temporarily reside in a residence or other facility to avoid potentially exposing others to COVID-19, such as a hotel or other facility provided by a governmental authority for such purposes.

- j. For purposes of this Order, “residences” include hotels, motels, shared rental units and similar facilities. Residences also include living structures and outdoor spaces associated with those living structures, such as patios, porches, backyards, and front yards that are only accessible to a single family or household unit.

- k. For purposes of this Order, “Social Distancing Requirements” means:
 - i. Maintaining at least six-foot social distancing from individuals who are not part of the same household or living unit;
 - ii. Frequently washing hands with soap and water for at least 20 seconds, or using hand sanitizer that is recognized by the Centers for Disease Control and Prevention as effective in combatting COVID-19;
 - iii. Covering coughs and sneezes with a tissue or fabric or, if not possible, into the sleeve or elbow (but not into hands); and
 - iv. Avoiding all social interaction outside the household when sick with a fever or cough.All individuals must strictly comply with Social Distancing Requirements, except to the limited extent necessary to provide care (including childcare, adult or senior care, care to individuals with special needs, and patient care); as necessary to carry out the work of Essential Businesses, Essential Governmental Functions, or provide for Minimum Basic Operations; or as otherwise expressly provided in this Order.

14. Government agencies and other entities operating shelters and other facilities that house or provide meals or other necessities of life for individuals experiencing homelessness must take appropriate steps to help ensure compliance with Social Distancing Requirements, including adequate provision of hand

sanitizer or hand washing stations. Also, individuals experiencing homelessness who are unsheltered and living in encampments should, to the maximum extent feasible, abide by 12 foot by 12 foot distancing for the placement of tents, and government agencies should provide restroom and hand washing facilities for individuals in such encampments as set forth in Centers for Disease Control and Prevention Interim Guidance Responding to Coronavirus 2019 (COVID-19) Among People Experiencing Unsheltered Homelessness (<https://www.cdc.gov/coronavirus/2019-ncov/need-extra-precautions/unsheltered-homelessness.html>).

15. Pursuant to Government Code sections 26602 and 41601 and Health and Safety Code section 101029, the Health Officer requests that the Sheriff and all chiefs of police in the County ensure compliance with and enforce this Order. The violation of any provision of this Order constitutes an imminent threat and menace to public health, constitutes a public nuisance, and is punishable by fine, imprisonment, or both.
16. This Order shall become effective at 11:59 p.m. on March 31, 2020 and will continue to be in effect until 11:59 p.m. on May 3, 2020, or until it is extended, rescinded, superseded, or amended in writing by the Health Officer.
17. Copies of this Order shall promptly be: (1) made available at 400 County Center, Redwood City, CA 94063; (2) posted on the County Public Health Department website (www.smchealth.org); and (3) provided to any member of the public requesting a copy of this Order.
18. If any provision of this Order to its application to any person or circumstance is held to be invalid, the remainder of the Order, including the application of such part or provision to other persons or circumstances, shall not be affected and shall continue in full force and effect. To this end, the provisions of this Order are severable.

IT IS SO ORDERED:

A handwritten signature in black ink, appearing to read "Scott Morrow MD, MPH". The signature is written in a cursive, flowing style.

Scott Morrow MD, MPH
Health Officer of the County of San Mateo

Dated: March 31, 2020

Attachments: Appendix A – Social Distancing Protocol

Appendix A: Social Distancing Protocol

Business name: Click or tap here to enter text.

Facility Address: Click or tap here to enter text.

Approximate gross square footage of space open to the public: Click or tap here to enter text.

Businesses must implement all applicable measures listed below, and be prepared to explain why any measure that is not implemented is inapplicable to the business.

Signage:

Signage at each public entrance of the facility to inform all employees and customers that they should: avoid entering the facility if they have a cough or fever; maintain a minimum six-foot distance from one another; sneeze and cough into a cloth or tissue or, if not available, into one's elbow; and not shake hands or engage in any unnecessary physical contact.

Signage posting a copy of the Social Distancing Protocol at each public entrance to the facility.

Measures To Protect Employee Health (check all that apply to the facility):

Everyone who can carry out their work duties from home has been directed to do so.

All employees have been told not to come to work if sick.

Symptom checks are being conducted before employees may enter the work space.

All desks or individual work stations are separated by at least six feet.

Break rooms, bathrooms, and other common areas are being disinfected frequently, on the following schedule:

Break rooms:

Bathrooms:

Other (Click or tap here to enter text.): Click or tap here to enter text.

Disinfectant and related supplies are available to all employees at the following location(s): Click or tap here to enter text.

Hand sanitizer effective against COVID-19 is available to all employees at the following location(s): Click or tap here to enter text.

Soap and water are available to all employees at the following location(s): Click or tap here to enter text.

Copies of this Protocol have been distributed to all employees.

Optional—Describe other measures: Click or tap here to enter text.

Measures To Prevent Crowds From Gathering (check all that apply to the facility):

Limit the number of customers in the store at any one time to Click or tap here to enter text. [insert maximum number here], which allows for customers and employees to easily maintain at least six-foot distance from one another at all practicable times.

Post an employee at the door to ensure that the maximum number of customers in the facility set forth above is not exceeded.

Placing per-person limits on goods that are selling out quickly to reduce crowds and lines. Explain: Click or tap here to enter text.

Appendix A: Social Distancing Protocol

Optional—Describe other measures: Click or tap here to enter text.

Measures To Keep People At Least Six Feet Apart (check all that apply to the facility)

Placing signs outside the store reminding people to be at least six feet apart, including when in line.

Placing tape or other markings at least six feet apart in customer line areas inside the store and on sidewalks at public entrances with signs directing customers to use the markings to maintain distance.

Separate order areas from delivery areas to prevent customers from gathering.

All employees have been instructed to maintain at least six feet distance from customers and from each other, except employees may momentarily come closer when necessary to accept payment, deliver goods or services, or as otherwise necessary.

Optional—Describe other measures: Click or tap here to enter text.

Measures To Prevent Unnecessary Contact (check all that apply to the facility):

Preventing people from self-serving any items that are food-related.

Lids for cups and food-bar type items are provided by staff; not to customers to grab.

Bulk-item food bins are not available for customer self-service use.

Not permitting customers to bring their own bags, mugs, or other reusable items from home.

Providing for contactless payment systems or, if not feasible, sanitizing payment systems regularly.
Describe: Click or tap here to enter text.

Optional—Describe other measures (e.g. providing senior-only hours): Click or tap here to enter text.

Measures To Increase Sanitization (check all that apply to the facility):

Disinfecting wipes that are effective against COVID-19 are available near shopping carts and shopping baskets.

Employee(s) assigned to disinfect carts and baskets regularly.

Hand sanitizer, soap and water, or effective disinfectant is available to the public at or near the entrance of the facility, at checkout counters, and anywhere else inside the store or immediately outside where people have direct interactions.

Disinfecting all payment portals, pens, and styluses after each use.

Disinfecting all high-contact surfaces frequently.

Optional—Describe other measures: Click or tap here to enter text.

* Any additional measures not included here should be listed on separate pages, which the business should attach to this document.

You may contact the following person with any questions or comments about this protocol:
