Public Order Under City of Los Angeles Emergency Authority

Issue Date: March 19, 2020

Subject: SAFER AT HOME

The novel coronavirus pandemic is a global emergency that is unprecedented in modern history. Profoundly impacting our daily lives, it has inspired Angelenos to respond with courage, compassion, wisdom and resolve to overcome this crisis and help each other.

In a short period of time and at an unprecedented scale, residents in every community have embraced urgent social distancing best practices and aggressive hygienic precaution, not just to protect themselves, but to protect others. Angelenos understand with exceptional clarity that there is only one way to get through this difficult moment: together.

The City's recent emergency orders — curtailing large public gatherings; temporarily closing many government facilities; closing theaters, bars and entertainment venues; prohibiting restaurants from serving to dine-in customers while permitting take-out, delivery and drive-thru; and a moratorium on evictions of residential and commercial tenants — have been followed with a willing and generous spirit.

While we have previously taken strong action, now the City must adopt additional emergency measures to further limit the spread of COVID-19.

With this virus, we are safer at home.

Wherever feasible, City residents must isolate themselves in their residences, subject to certain exceptions provided below.

Under the provisions of Section 231(i) of the Los Angeles City Charter and Chapter 3, Section 8.27 of the Los Angeles Administrative Code, I hereby declare the following

orders to be necessary for the protection of life and property in the City of Los Angeles, effective on Thursday, March 19, 2020 at 11:59 PM:

1. Subject only to the exceptions outlined in this Paragraph and Paragraph 5 below, all persons living within the City of Los Angeles are hereby ordered to remain in their homes. Residents of the City of Los Angeles who are experiencing homelessness are exempt from this requirement. The City is working, along with partner government agencies and non-governmental organizations, to make more emergency shelters available for the unhoused residents of our City. City of Los Angeles officials and contracted partners responsible for homelessness outreach shall make every reasonable effort to persuade such residents to accept, if offered, temporary housing or shelter, as the Health Officer of the County of Los Angeles recommends that sheltering individuals will assist in reducing the spread of the virus and will protect the individual from potential exposure by allowing the individual access to sanitation tools. People at high risk of severe illness from COVID-19 and people who are sick are urged to stay in their residence to the extent possible except as necessary to seek medical care.

2. Subject only to the exceptions outlined in this Paragraph and Paragraph 5 below, all businesses within the City of Los Angeles are ordered to cease operations that require in-person attendance by workers at a workplace (including, without limitation, indoor malls and indoor shopping centers, including all stores except for those stores considered essential activities or infrastructure under this Order which are directly accessible to the public from the exterior of the mall or shopping center - the interior of the indoor mall or indoor shopping center shall remain closed to the public). To the extent that business operations may be maintained by telecommuting or other remote means, while allowing all individuals to maintain shelter in their residences, this order shall not apply to limit such business activities.

3. All public and private gatherings of any number of people occurring outside a residence are prohibited, except as to those exempted activities described in this Paragraph and Paragraph 5. This provision does not apply to gatherings within a single household or living unit.

4. All travel, including, without limitation, travel on foot, bicycle, scooter, motorcycle, automobile, or public transit is prohibited, subject to the exceptions in Paragraph 5.

5. Exceptions. People may lawfully leave their residence while this Order is in effect only to engage in the following activities:

(i) First 24 hour allowance. This Order shall not apply, for a 24-hour period following the effective date above, to allow employees and business owners to access to their workplaces to gather belongings or address other administrative needs, so long as social distancing requirements are followed. Such workplaces shall remain closed to the public in accordance with this Order.

(ii) Essential Activities. To engage in certain essential activities, including, without limitation, visiting a health or veterinary care professional, obtaining medical supplies or medication, obtaining grocery items (including, without limitation, canned food, dry goods, fresh fruits and vegetables, pet supplies, fresh or frozen meats, fish, and poultry, any other household consumer products and products necessary to maintain the safety and sanitation of residences and other buildings) for their household or to deliver to others, or for legally mandated government purposes. In addition, any travel related to (a) providing care for minors, the elderly, dependents, persons with disabilities, or other vulnerable persons; (b) returning to one's place of residence from outside the City; (c) travelling to one's place of residence located outside the City; (d) compliance with an order of law enforcement or court shall be exempt from this Order; or (e) legally mandated government purposes. Persons engaging in these essential activities shall maintain reasonable social distancing practices. This includes maintaining a distance of at least six-feet away from others, frequently washing hands with soap and water for at least twenty seconds or using hand sanitizer, covering coughs or sneezes (into the sleeve or elbow, not hands), regularly cleaning high-touch surfaces, and not shaking hands.

(iii) Outdoor Activities. To engage in outdoor activity and recreation, provided that the individuals comply with social distancing requirements, including, without limitation, walking, hiking, running, cycling; use of scooters, roller skates, skateboards, or other personal mobility devices; or travel in a vehicle with household members to a location where it is possible to walk, hike, run or ride a bike, or operate personal mobility devices, while maintaining social distancing practices. Indoor and outdoor playgrounds for children, except those located within childcare centers, shall be closed for all purposes.

(iv) Work in Support of Essential Activities. To perform work providing essential products and services or to otherwise carry out activities specifically permitted in this Order.

(v) To care for or support a friend, family member, or pet in another household.

(vi) Emergency Personnel. All first responders, gang and crisis intervention workers, public health workers, emergency management personnel, emergency dispatchers, law enforcement personnel, and related contractors and others working for emergency services providers are categorically exempt from this Order.

(vii) Essential Activities Exempt. Certain business operations and activities are exempt from the provisions of this Order, on the grounds that they provide services that are recognized to be critical to the health and well-being of the City. These include:

(m) Restaurants and retail food facilities that prepare and offer food to customers, but only via delivery service, to be picked up, or drive-thru. This includes maintaining a distance of at least six-feet away from others. Schools and other entities that typically provide free food services to students or members of the public may continue to do so under this Order on the condition that the food is provided to students

or members of the public on a pick-up and carry out basis only. Schools and other entities that provide food services under this exemption shall not permit the food to be eaten at the site where it is provided, or any other gathering site. Cafeterias, commissaries, and restaurants located within hospitals, nursing homes, or similar facilities are also exempt from this Order. Social distancing shall be maintained at a distance of at least six-feet away from others

6. To the extent that this Order is in conflict with earlier Orders, this Order shall supersede the others.

7. Failure to comply with this Order shall constitute a misdemeanor subject to fines and imprisonment. I hereby urge the Los Angeles Police Department and the City Attorney to vigorously enforce this Order via Sections 8.77 and 8.78 of the Los Angeles Administrative Code.

8. If any subsection, sentence, clause, phrase, or word of this Order or any application of it to any person, structure, or circumstance is held to be invalid or unconstitutional by a decision of a court of competent jurisdiction, then such decision shall not affect the validity of the remaining portions or applications of this Order.

Public Order Under City of Los Angeles Emergency Authority

Issue Date: March 19, 2020 (Revised April 10, 2020)

Subject: SAFER AT HOME

The novel coronavirus pandemic is a global emergency that is unprecedented in modern history. Profoundly impacting our daily lives, it has inspired Angelenos to respond with courage, compassion, wisdom and resolve to overcome this crisis and help each other.

In a short period of time and at an unprecedented scale, residents in every community have embraced urgent social distancing best practices and aggressive hygienic precaution, not just to protect themselves, but to protect others. Angelenos understand with exceptional clarity that there is only one way to get through this difficult moment: together.

The City's recent emergency orders — curtailing large public gatherings; temporarily closing many government facilities; closing theaters, bars and entertainment venues; prohibiting restaurants from serving to dine-in customers while permitting take-out, delivery and drive-thru; and a ban on evictions of residential and commercial tenants who cannot pay rent due to financial impacts caused by COVID-19 — have been followed with a willing and generous spirit.

While we have previously taken strong action, now the City must adopt additional emergency measures to further limit the spread of COVID-19.

With this virus, we are safer at home.

Wherever feasible, City residents must isolate themselves in their residences, subject to certain exceptions provided below. This Order is given because, among other reasons, the COVID-19 virus can spread easily from person to person and it is physically causing property loss or damage due to its tendency to attach to surfaces for prolonged periods of time

Under the provisions of Section 231(i) of the Los Angeles City Charter and Chapter 3, Section 8.27 of the Los Angeles Administrative Code, I hereby declare the following orders to be necessary for the protection of life and property in the City of Los Angeles, effective on Friday, April, 10, 2020 at 11:59 PM:

1. Subject only to the exceptions outlined in this Paragraph and Paragraph 5 below, all persons living within the City of Los Angeles are hereby ordered to remain in their homes. Residents of the City of Los Angeles who are experiencing homelessness are exempt from this requirement. The City is working, along with partner government agencies and non-governmental organizations, to make more emergency shelters available for the unhoused residents of our City. City of Los Angeles officials and contracted partners responsible for homelessness outreach shall make every reasonable effort to persuade such residents to accept, if offered, temporary housing or shelter, as the Health Officer of the County of Los Angeles recommends that sheltering individuals will assist in reducing the spread of the virus and will protect the individual from potential exposure by allowing the individual access to sanitation tools. People at high risk of severe illness from COVID-19 and people who are sick are urged to stay in their residence to the extent possible except as necessary to seek medical care.

2. Subject only to the exceptions outlined in this Paragraph and Paragraph 5 below, all businesses within the City of Los Angeles are ordered to cease operations that require in-person attendance by workers at a workplace (including, without limitation, indoor malls and indoor shopping centers, including all stores except for those stores considered essential activities or infrastructure under this Order which are directly accessible to the public from the exterior of the mall or shopping center - the interior of the indoor mall or indoor shopping center shall remain closed to the public). To the extent that business operations may be maintained by telecommuting or other remote means, while allowing all individuals to maintain shelter in their residences, this Order shall not apply to limit such business activities. A business that fails to cease operation despite not meeting an exception in this Paragraph or Paragraph 5 may be subject to having its water and power services shut off by the Department of Water and Power for not being in compliance with the Order. The Deputy Mayor of Public Safety, or his written designee, may, after engagement with and a written warning issued to a noncompliant business, refer that business in writing to the Department of Water and Power to shut off water and power services pursuant to this order. Upon receiving such a written referral, the Department of Water & Power is authorized to shut off water and power services to the noncompliant business operating in violation of the Order

3. All public and private gatherings of any number of people occurring outside a residence are prohibited, except as to those exempted activities described in this Paragraph and Paragraph 5. This provision does not apply to gatherings within a single household or living unit.

In addition, any travel related to (a) providing care for minors, the elderly, dependents, persons with disabilities, or other vulnerable persons; (b) returning to one's place of residence from outside the City; (c) travelling to one's place of residence located outside the City; (d) compliance with an order of law enforcement or court shall be exempt from this Order; or (e) legally mandated government purposes. Persons engaging in these essential activities are required to maintain reasonable social distancing practices. ERIC GARCETTI
MAYOR

Public Order Under City of Los Angeles Emergency Authority

Issue Date: June 20, 2020

Subject: SAFER L.A.

The novel coronavirus pandemic is a global emergency that is unprecedented in modern history. Profoundly impacting our daily lives, it has inspired Angelenos to respond with courage, compassion, wisdom and resolve to overcome this crisis and help each other.

In a short period of time and at an unprecedented scale, residents in every community have embraced urgent social distancing best practices, worn face coverings and adopted aggressive hygienic precaution, not just to protect themselves, but to protect others. Angelenos understand with exceptional clarity that there is only one way to get through this difficult moment: together.

The City's Safer at Home order was followed with a willing and generous spirit.

And as a result, Los Angeles has reduced the spread of COVID-19, stabilized our rate of hospitalization and COVID-19 patients treated in intensive care units, increased our testing capacity, supplied protective equipment for healthcare workers and met the State of California's criteria to resume some of the activities that were temporarily prohibited.

The City continues to encourage residents to stay safer at home as much as possible, to avoid gathering with others outside their households in both indoor and outdoor settings, and to telework as much as possible. But, following the guidance set forth by the Los Angeles County of Public Health, this Order will progressively allow more activities with certain modifications, based on health and safety needs.

We are encouraged to take these steps and support our economy, but we have to remain vigilant and tread carefully. As always, we will monitor public health data and guidance, and conform our policies accordingly with the safety of our residents foremost in our minds. If public health conditions change, it may become necessary to step backward periodically and for the City to amend this Order to be more restrictive.

Our commitment to Angelenos we are honored to serve is that we will remain steadfast in our efforts to keep residents informed and prepared as we move toward a Safer L.A.

Under the provisions of Section 231(i) of the Los Angeles City Charter and Chapter 3, Section 8.27 of the Los Angeles Administrative Code, I hereby declare that the Safer at Home Order, dated March 19, 2020 (Revised May 27, 2020) is withdrawn and superseded by this Order, which is necessary for the protection of life and property in the City of Los Angeles and is effective immediately:

1. Subject only to the exceptions outlined in this Paragraph and Paragraph 5 below, all persons living within the City of Los Angeles are hereby ordered to remain in their homes. Residents of the City of Los Angeles who are experiencing homelessness are exempt from this requirement. The City is working, along with partner government agencies and non-governmental organizations, to make more emergency shelters available for the unhoused residents of our City. City of Los Angeles officials and contracted partners responsible for homelessness outreach shall make every reasonable effort to persuade such residents to accept, if offered, temporary housing or shelter, as the Health Officer of the County of Los Angeles recommends that sheltering individuals will assist in reducing the spread of the virus and will protect the individual from potential exposure by allowing the individual access to sanitation tools. People at high risk of severe illness from COVID-19 and people who are sick are urged to stay in their residence to the extent possible except as necessary to seek medical care.

2. Subject only to the exceptions outlined in this Paragraph and Paragraph 5 below, all businesses within the City of Los Angeles are ordered to cease operations that require in-person attendance by workers at a workplace. Indoor Malls and Shopping Centers can open to no more than 50% of overall shopping center capacity. To the extent that business operations may be maintained by telecommuting or other remote means, while allowing all individuals to maintain shelter in their residences, this Order shall not apply to limit such business activities. A business that fails to cease operation despite not meeting an exception in this Paragraph or Paragraph 5 may be subject to having its water and power services shut off by the Department of Water and Power for not being in compliance with the Order. The Deputy Mayor of Public Safety, or his written designee, may, after engagement with and a written warning issued to a noncompliant business, refer that business in writing to the Department of Water and Power to shut off water and power services pursuant to this order. Upon receiving such a written referral, the Department of Water & Power is authorized to shut off water and power services to the noncompliant business operating in violation of the Order
