NATURE OF PROCEEDINGS: TRIAL SETTING CONFERENCE

Matter comes on for hearing.

Counsel for petitioner advises the court of the following:

1. The writ cause of action is moot but petitioner has not yet made a decision as to whether the non-writ causes of action will be pursued.
2. Petitioner will be conducting discovery and a deposition has been noticed.
3. Petitioner will be asking for attorneys' fees. In response to petitioner's inquiry, the court indicates its preliminary conclusion that no attorney's fee motion should be heard until all causes of action are resolved.

The demurrer set for October 1, 2020, remains on calendar.

The court stays all non-writ causes of action.

If all counsel stipulate, the court will conduct a telephonic informal discovery conference on whether any discovery should be stayed.

Notice is waived.
