Deponent further deposes and says that:

Server pulled up to the driveway but was met outside of the driveway by a male with a face mask on. He was wearing casual clothes but walked up to the server's car before she was even able to step out herself. She asked if Mr. LaPierre was home, and he responded "name you need to leave the premises, you are not authorized to be here." "I am not authorized to tell you anything." She kept asking if there was anyone home, a wife maybe she could pass the envelope onto, but the male kept directing her server off the property pretty abruptly. He explained to maybe papers to the and they could accept them there, but she was not authorized to leave.
