1 The grand jury charges:

2 INTRODUCTORY ALLEGATIONS

3 1. From October 16, 1992 to September 20, 2019, defendant MORAD  
4 MARCO GARMO was a Deputy Sheriff at the San Diego County Sheriff's  
5 Department ("SDCSD"). From January 8, 2016 to February 13, 2019, GARMO  
6 was the Captain in charge of the Rancho San Diego Station, a substation  
7 of SDCSD covering approximately 150 square miles in San Diego County  
8 including Spring Valley, Lemon Grove, Imperial Beach, and unincorporated  
9 areas of the County. At no time did GARMO possess the Federal Firearms  
10 License ("FFL") required to be lawfully engaged in the business of  
11 dealing in firearms.

12 2. Defendant LEO JOSEPH HAMEL owned and operated a series of  
13 jewelry stores and related businesses, commonly known as Leo Hamel Fine  
14 Jewelers. HAMEL held multiple FFLs since January 1992, including one  
15 related to his business, Leo Hamel Fine Jewelers.

16 3. From at least September 9, 2015 to the present, defendant  
17 GIOVANNI VINCENZO TILOTTA, aka "Gio Tilotta", held one or more FFLs and  
18 owned and operated a firearms dealer commonly known as "Honey Badger  
19 Firearms."

20 4. From approximately October 19, 2001 to the present, defendant  
21 FRED MAGANA was a Deputy Sheriff at SDCSD.

22 5. Defendant WAIEL YOUSIF ANTON, aka "Will Anton", held himself  
23 out as a consultant in various matters concerning state and local  
24 government, including as a consultant assisting persons applying to  
25 SDCSD for concealed weapons permits, commonly known as permits to carry  
26 a concealed weapon ("CCW").

Relevant Firearms Laws

6. California Penal Code Section 32000 prohibited the manufacturing, importing, offering for sale, selling, gifting, or loan of any handgun that was not on the roster of handguns determined to be "not unsafe" within the meaning of California Penal Code Section 32015. More specifically:

a. Pursuant to California Penal Code Section 32015, the California State Department of Justice ("CalDOJ") maintained a roster of handguns that could lawfully be sold in the State of California. The roster was a listing of handguns by model, model number, and model name that had been tested by a California certified testing laboratory and determined "not to be unsafe." The handguns listed on this roster were the only handguns that could be sold in the State of California, subject to certain exceptions.

b. Any handgun not listed on the roster was referred to as "unsafe," "non-roster," or "off roster."

c. An "off roster" handgun could only be sold to, or purchased by, certain exempted parties listed in California Penal Code Section 32000. California Penal Code Section 32000(b)(4) permitted sworn members of police departments and other law enforcement or military agencies to purchase "off roster" handguns for use in the performance of their official duties.

d. The California Penal Code did not prohibit an exempted person, such as a sworn member of a police department, from re-selling an "off roster" handgun to a non-exempted buyer who was not otherwise prohibited by the applicable laws and regulations.

7. California Penal Code Section 27535 provided that "no person shall make an application to purchase more than one handgun within any

1 30-day period," except for certain parties identified in the statute,  
2 including law enforcement agencies and paid peace officers. Pursuant  
3 to the exception set forth in California Penal Code Section 27535(b)(5),  
4 peace officers could purchase or apply to purchase more than one handgun  
5 within a 30-day period.

6 8. California Penal Code Section 26815 generally provided that  
7 no firearm could be delivered within ten days of the application to  
8 purchase (the "ten-day waiting period"). The ten-day waiting period did  
9 not apply to the sale, delivery, or transfer of firearms made to a full-  
10 time, paid police officer whose employer had authorized the officer to  
11 carry firearms while in the performance of the officer's duties.

12 9. California Penal Code Section 32310 generally prohibited the  
13 possession of a large-capacity magazine, which was defined by California  
14 Penal Code Section 16740 as a magazine capable of accepting more than  
15 ten rounds of ammunition. California Penal Code Section 32405 provided  
16 an exception to this prohibition for law enforcement officers.

17 10. The United States Department of Justice, Bureau of Alcohol,  
18 Tobacco, Firearms and Explosives ("ATF") required all federally-licensed  
19 firearms dealers to document firearms sales and purchases to non-  
20 licensees on an ATF Form 4473, a form that was completed by the federal  
21 firearms licensee ("FFL") dealer and the firearm purchaser. The  
22 documentation process included the following requirements:

23 a. At the time the purchaser submitted an application to  
24 purchase a firearm, the purchaser was required to certify on ATF Form  
25 4473 that he or she was the "actual transferee/buyer" of the firearm.  
26 ATF Form 4473 advised that: "You are not the actual buyer if you are  
27 acquiring the firearm(s) on behalf of another person."  
28

1           b.     At the time the purchaser took possession of the firearm,  
2 which generally was at the conclusion of the 10-day waiting period, the  
3 purchaser was required to re-certify on the ATF Form 4473 that all of  
4 the assertions previously made on the ATF Form 4473 during the initial  
5 application were true, correct, and complete.

6                     Unlawful Firearms Acquisitions & Transfers

7           11.    From approximately March 2013 until February 13, 2019,  
8 Defendant MORAD MARCO GARMO engaged in the business of dealing in  
9 firearms without a license. Specifically, GARMO acquired approximately  
10 146 firearms in transactions conducted through FFLs and reported to  
11 California's Automated Firearms System ("AFS"). During the same time  
12 period, GARMO transferred approximately 93 firearms to other people in  
13 transactions conducted through FFLs and reported to AFS. As set out in  
14 further detail below, GARMO also transferred additional firearms to  
15 others (including Defendant LEO JOSEPH HAMEL), sometimes in exchange for  
16 cash, without conducting lawful transfers through FFLs.

17           12.    GARMO engaged in the business of dealing in firearms by  
18 devoting time, attention, and labor to dealing in firearms as a regular  
19 course of trade or business with the principal objective of livelihood  
20 and profit through the repetitive purchase and resale of firearms. One  
21 aspect of GARMO's livelihood and profit in dealing in firearms was to  
22 make money by reselling firearms at favorable prices or exchanging them  
23 for valuable services. Another aspect was for GARMO to build good will  
24 with future potential donors or benefactors who could advance his career  
25 or support anticipated political campaigns, including GARMO's expressed  
26 intention to run for San Diego County Sheriff, by obtaining firearms for  
27 them that they could not directly obtain for themselves.

1        13. GARMO was reprimanded by the San Diego County District  
2 Attorney's Office ("SDCDAO") on or about February 23, 2017 for excessive  
3 handgun sales in violation of California law. Shortly after this  
4 reprimand, GARMO separately received a written warning distributed to  
5 law enforcement agencies by the Bureau of Alcohol, Tobacco, Firearms,  
6 and Explosives, which warned law enforcement officers against purchasing  
7 "off roster" firearms and reselling those firearms to non-law  
8 enforcement officers for a profit. GARMO forwarded the warning  
9 memorandum by email to HAMEL.

10       14. As part of his unlicensed dealing in firearms, GARMO often  
11 acquired and disposed of the same model of firearm repeatedly. For  
12 example, over a period of just over three (3) years, GARMO acquired no  
13 fewer than five (5) Glock 43 off roster handguns and transferred all of  
14 them to other people.

15       15. As part of his unlicensed dealing in firearms, GARMO  
16 repeatedly purchased firearms, including especially "off roster"  
17 handguns, with the intention to resell them to specific individuals:  
18 transactions commonly known as "straw purchases." For example, between  
19 December 2014 and May 2018, GARMO falsely certified that he was the  
20 actual buyer or transferee of at least nine (9) firearms that he had  
21 already agreed to sell to other specific individuals at the time he made  
22 those false certifications, as further alleged below.

23       16. As another part of his unlicensed dealing in firearms, GARMO  
24 also supplied certain firearms purchasers with high-capacity magazines  
25 that they were not permitted to possess under California law. Similarly,  
26 GARMO supplied his firearms purchasers with ammunition, including SDCSD  
27 Department-issued ammunition that he was not authorized to distribute.  
28

1        17. In order to conceal his extensive and unlawful engagement in  
2 the business of dealing in firearms, GARMO typically conducted the  
3 private party transfer of a given firearm at a different FFL from the  
4 dealer where he had previously acquired the firearm.

5        18. In order to further conceal his extensive and unlawful  
6 engagement in the business of dealing in firearms, GARMO informally  
7 transferred firearms to other individuals (primarily HAMEL) on long-  
8 term "loan," including in exchange for money. In reality, the "loans"  
9 were a sham, and the transactions were firearm sales in all but name.  
10 GARMO and HAMEL also attempted to fraudulently legitimize their sham  
11 "loans" with written records created to protect themselves in case the  
12 "loans" were questioned. For example, HAMEL emailed GARMO on March 16,  
13 2018: "I'll stop by Saturday and drop off the money and pick up the  
14 guns. If you want to hand write a letter stating I am borrowing them  
15 that would be good." Because GARMO and HAMEL both understood that the  
16 "loan" would be indefinite, HAMEL added that GARMO's letter should  
17 include a "Serial number [but] no date though."

18        19. In order to conceal and facilitate the straw purchase of off  
19 roster handguns for his close associates, GARMO relied in part on  
20 Defendant GIOVANNI VINCENZO TILOTTA and TILOTTA's FFL, Honey Badger  
21 Firearms. TILOTTA repeatedly facilitated GARMO's straw purchase of  
22 firearms for HAMEL by knowingly permitting those transactions to be  
23 conducted at his FFL, accepting and submitting falsified records as if  
24 GARMO were the firearms' true purchaser.

25        20. TILOTTA also aided and abetted GARMO's unlicensed firearms  
26 dealing by preparing early firearms transfer records based on personal  
27 information for GARMO and his associates transmitted by GARMO to TILOTTA.  
28 By preparing firearms transfer records ahead of time, without requiring

1 the parties to the transaction to appear in person at his FFL, and  
2 instead permitting GARMO and selected associates to backdate those  
3 records after the fact, TILOTTA enabled GARMO and others to circumvent  
4 the ten-day waiting period prescribed by California law for firearms  
5 transfers.

6 21. Another part of GARMO and HAMEL's arrangement with TILOTTA  
7 involved creating falsified records to make it appear that GARMO was  
8 purchasing firearms on his own behalf, instead of straw purchasing them  
9 for HAMEL. On June 27, 2016, for example, HAMEL emailed GARMO, "Gio  
10 [TILOTTA] asks that we do ordered guns [t]his way. You email him first  
11 that you want a Sig Legion and a Walther P99cAS. He will then reply ok.  
12 You then go in to order. You can do right away." On July 7, 2016,  
13 GARMO in fact purchased a Sig Sauer Legion P226 9mm handgun bearing  
14 serial number 47A141276 from TILOTTA's FFL, falsely certifying that he  
15 was the actual buyer/transferee of the firearm. Although the firearm  
16 was never legally transferred from GARMO to HAMEL, it was found in  
17 HAMEL's possession on February 13, 2019.

18 22. The same day that GARMO acquired the Sig Sauer Legion P226  
19 handgun for HAMEL, he acquired two Colt 1911 handguns for J.K., an  
20 associate whom GARMO sought to develop as a supporter for his planned  
21 campaign for Sheriff of San Diego County. GARMO had placed his order  
22 for the two Colts with TILOTTA by email on July 3, 2016, and when TILOTTA  
23 confirmed the order on July 4, 2016, GARMO forwarded that email to J.K.  
24 the same day under the message "FYI." In November 2016, when GARMO  
25 later informed J.K. that GARMO was under investigation by CalDOJ as  
26 discussed above, J.K. texted him "Are you in trouble? Are we? . . . I  
27 never said anything to anyone." GARMO reassured J.K. that the matter  
28 "should blow over."

23. TILOTTA also facilitated GARMO's unlicensed dealing by conducting firearms transactions at locations convenient to GARMO and his associates, such as GARMO's inner office at the SDCSD Rancho San Diego substation, despite the fact that such transactions violated California law. Specifically, on October 28, 2016, GARMO and TILOTTA sold a variety of firearms to San Diego attorney V.B. inside GARMO's office at the SDCSD Rancho San Diego substation, including (1) a Glock 27 .40 caliber pistol bearing serial number RLK240 for \$1,200; (2) a Daniel Defense AR-15 style rifle; and (3) a Smith & Wesson Shield handgun. In connection with the sale, GARMO offered to supply V.B. with SDCSD Department-issued ammunition for his new Glock. At GARMO's direction, TILOTTA facilitated the Daniel Defense and Shield transactions by preparing advance paperwork for V.B.'s firearms transactions, which V.B. backdated at the October 28, 2016 sale as if the records had first been executed on October 8, 2016.

24. After GARMO was reprimanded by the SDCDAO in February 2017 for his excessive purchase and sale of off roster handguns, he altered his unlicensed firearms dealing activities but did not cease them. For example, instead of uniformly making straw purchases himself and then directly transferring the firearms to their intended recipients, GARMO procured another SDCSD officer to conduct such a transaction: Defendant FRED MAGANA. Specifically, on March 20, 2017, GARMO sent a text message to TILOTTA's associate, J.R.D., that read "Hey bro, can you order a Walther PPQ m2 and a Glock 42, also get a price on a FN9mm compact w SS slide. The above guns are for Lt. Fred Magana, let me know when the orders are placed, thanks brother." In fact, GARMO knew that the firearms were intended for HAMEL. On April 7, 2017, GARMO texted HAMEL "Btw confirming Fred [MAGANA] is buying a walther ppq and pps no glocks."

1 HAMEL replied "No glocks" and added "PPQ m2 or classic. Either. PPS m2  
2 as well. Thanks." GARMO then texted J.R.D.: "update for Fred; only  
3 Walther PPQ m2 & PPS m2 no glock no FN." On April 24, 2017, MAGANA  
4 signed paperwork for a Walther PPQ M1 and a Walther PPQ M2 at Honey  
5 Badger Firearms reflecting that he was the actual buyer of those  
6 handguns. The Walther handguns were both transferred to HAMEL on paper  
7 on September 15, 2017 at Honey Badger Firearms.

8 25. To facilitate his unlicensed firearm dealing, and to deflect  
9 attention from it, GARMO also used others, including other Sheriff's  
10 Deputies, to promote firearms that he was offering for sale. For  
11 example, on September 7, 2018, MAGANA texted GARMO, "Give me a list of  
12 the stuff you want to sell and I'll pimp it out to some homies and []  
13 keep your name out of it until they are ready to pull the trigger."  
14 Likewise, GARMO asked another Sheriff's Deputy, D.L., to advertise  
15 firearms GARMO was offering for sale to his father's private security  
16 company.

17 26. As a collateral benefit of purchasing firearms from him, GARMO  
18 encouraged his customers to apply for permits to carry a concealed weapon  
19 (CCW) from the San Diego County Sheriff's Department. For example,  
20 GARMO suggested to an ATF undercover agent that the agent apply for a  
21 CCW. GARMO added that he could write a letter of recommendation for the  
22 undercover agent, whom he had met roughly three weeks earlier while  
23 selling him two off roster handguns. When the undercover agent asked  
24 if GARMO could help the agent avoid the months-long wait for an initial  
25 appointment for a CCW, GARMO suggested that his friend (Defendant WAIEL  
26 YOUSIF ANTON) could help the agent get an earlier appointment in exchange  
27 for a cash payment.  
28

1        27. ANTON aided and abetted GARMO's unlicensed firearms dealing  
2 by helping GARMO's firearms customers apply for CCW permits in exchange  
3 for cash payments. Specifically, ANTON would use connections at the  
4 Sheriff's Licensing Department to secure appointments months earlier  
5 than those available to the general public, charging between \$1,000 and  
6 \$2,000 for this service. As part of this scheme, ANTON unlawfully paid  
7 a clerk at SDCSD's civilian licensing staff \$100 in cash in exchange for  
8 making early CCW appointments for his "consulting" clients. When  
9 negotiating with the ATF undercover agent referred to him by GARMO,  
10 ANTON told the agent that he would pay a referral fee of \$100 per  
11 customer for any other CCW applicants the agent sent to ANTON. In turn,  
12 one of the \$100 bills which the agent paid ANTON for securing an early  
13 CCW appointment was found in GARMO's wallet eight (8) days later,  
14 representing a kickback to GARMO of the "consulting" fee earned by ANTON  
15 from the CCW applicant GARMO referred to him.

16        28. No fewer than twenty-nine (29) firearms registered to GARMO  
17 in AFS were not located at GARMO's residence or his office on  
18 February 13, 2019.

19        29. On February 13, 2019, HAMEL possessed hundreds of firearms,  
20 including eleven (11) firearms registered to GARMO.

21        30. On February 13, 2019, following a search of his residence by  
22 federal agents, ANTON telephoned the ATF undercover agent and repeatedly  
23 urged him not to tell federal investigators about the \$1,000 that he had  
24 paid ANTON. ANTON repeated this instruction in a separate telephone  
25 call on February 14, 2019.

26                    Marijuana Dispensary Activity

27        31. As the Captain of SDCSD's Rancho San Diego Substation, GARMO  
28 was responsible for policing unlicensed marijuana dispensaries operating

1 in violation of state and local law, including a rash of unlicensed  
2 dispensaries operating in and around Spring Valley, California.

3 32. One such unlicensed and illegal marijuana dispensary, known  
4 as "Campo Greens," was located at 10002 Campo Road in Spring Valley,  
5 California. Campo Greens was owned and operated by Individual 1, who  
6 partnered with Individual 2 (its property owner and landlord) and  
7 Individual 3 (GARMO's cousin). On or about March 1, 2018, GARMO sold a  
8 Sig Sauer P320 .45 caliber pistol bearing serial number 58A070887 to  
9 Individual 3.

10 33. On July 10, 2018, GARMO received an email notification of an  
11 impending search of Campo Greens scheduled for the following morning.  
12 Within one minute of replying to that email, GARMO placed a telephone  
13 call to Individual 4, his cousin and Individual 3's brother. During the  
14 telephone call between GARMO and Individual 4, GARMO warned Individual  
15 4 about the imminent search of Campo Greens. Following Individual 4's  
16 conversation with GARMO, Individual 4 immediately placed a call to  
17 Individual 3 to warn him of the impending search.

18 34. On July 10, 2018, prior to GARMO's notification, Campo Greens  
19 was open for business and operating normally. Several hours after  
20 GARMO's notification and telephone call to Individual 3, Campo Greens  
21 staff emptied its shelves and removed its inventory and cash so that it  
22 would not be seized by law enforcement in the expected search.

23 35. The following morning, on July 11, 2018, Campo Greens was  
24 closed for business. The morning of July 11, 2018, GARMO received an  
25 email notification that the search of Campo Greens had been canceled.  
26 Within one minute of replying to that email, GARMO again called  
27 Individual 4 to pass along the information that there was no further  
28

1 danger of an immediate search. Campo Greens opened for business later  
2 that day.

3 36. On August 7, 2018, Campo Greens was posted with a nuisance  
4 abatement letter by San Diego County Code Enforcement. The letter stated  
5 that Campo Greens' operation was in violation of local law, and directed  
6 the business to cease operations within ten (10) days.

7 37. The same day, Individual 3 texted a photograph of the abatement  
8 letter to GARMO. Less than half an hour later after that text message  
9 was sent, GARMO texted Individual 5, a San Diego County employee whose  
10 job included communications concerning unlicensed marijuana  
11 dispensaries. Individual 5 asked Garma "who[se] abatement letter"?  
12 GARMO replied "Chaldeans I know can we push it back?" Individual 5  
13 replied "Yes you can."
