Re: Caniglia return of firearms

RECEIVED

RECEIVED

Captain,

Kim Caniglia came into HQ on 8/24/2015 to get two firearms that were taken out of her home on 8/21/2015. The property was taken by patrol due to a call of service. The firearms were seized and held for safe keeping due to the owner being evaluated at Kent County Hospital for mental health issues. Mrs. Caniglia was not too receptive to a process of having the release approved and I did have to talk with her about not waiting in the lobby for what could be more than a day for an answer. I attached a copy of the report and a BCI of both Mr. and Mrs. Caniglia. Thank you for your attention to this matter.
