I am readily familiar with the firm's practice of collection and processing correspondence for mailing. Under that practice, it would be deposited with the United States Postal Service on that same day with postage thereon fully prepaid at San Diego, California, in the ordinary course of business. I am aware that service is presumed invalid if postal cancellation date or postage meter date is more than one day after the date of deposit for mailing in affidavit.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed on **September 21, 2020**, at San Diego, California.
