RESPONDENT/DEFENDANT: Ghost Gunner Inc. et al.

**ORDER RE: DELAY IN SCHEDULING
INITIAL CASE MANAGEMENT CONFERENCE**

CASE NUMBER:
34-2021-00302934

The Court finds good cause to delay the scheduling of the initial Case Management Conference for this case given the COVID-19 pandemic and its impact on court-wide operations. Among the affected operations is the Court's Case Management Program (CMP). The Court's CMP calendars have been and remain suspended until further notice. After the CMP Departments resume operations, the Court will schedule the initial Case Management Conference in this case and issue a Notice of Case Management Conference and Order to Appear.

The deadline for filing and service of the Case Management Conference Statements will be based upon the date for the initial Case Management Conference once it has been scheduled.

Parties shall continue to accomplish service of all parties named in the action.

Parties shall continue to ensure that all defendants and cross-defendants have answered, been dismissed, or had their defaults entered.

Plaintiff shall serve a copy of this order on any party to the complaint. The cross-complainant shall have the same obligation with respect to the cross-complaint.
