**SCHEDULE****A. Instructions**

1. Please produce the Documents described in Section C of this schedule, in the accordance with the Instructions (Section A), Definitions (Section B) and format (Section D) described below.
2. Except as otherwise noted, this subpoena applies to all Documents in effect, created, recorded, compiled, transmitted or received from **January 1, 2015, through the present.**
3. The obligation to produce Documents pursuant to this subpoena is a continuing one. Responsive Documents located any time after a response is due or submitted shall be promptly produced at the place and in the manner specified herein.
4. All Documents shall be produced as they are kept in the regular course of business or shall be organized and labelled to correspond to the categories in the request.
5. In order for Your response to this subpoena to be complete, it must include a completed version of the attached Certification. In accordance with CPLR 3211-a, the Certification must be sworn in the form of an affidavit and subscribed by You or another qualified witness charged with the responsibility for maintaining the records, stating in substance that (a) You are the duly authorized custodian or other qualified witness and have the authority to make the certification; (b) to the best of Your knowledge, after reasonable inquiry, the records or copies thereof are accurate versions of the documents described in this subpoena that are in Your possession, custody, or control; (c) to the best of Your knowledge, after reasonable inquiry, the records or copies produced represent all the documents described in this subpoena, or if they do not represent a complete set of the documents subpoenaed, an explanation of which documents are missing and a reason for their absence is provided; and (d) the records or copies produced were made by the personnel or staff of the business, or persons acting under their control, in the regular course of business, at the time of the act, transaction, occurrence or event recorded therein, or within a reasonable time thereafter, and that it was the regular course of business to make such records.
6. If any Document requested is withheld on ground of privilege or other legal doctrine, submit with the production a statement in writing and under oath (e.g., a privilege log) that provides, for each Document withheld: (i) a description of the nature of the Document and its contents; (ii) the date of the Document; (iii) the Document's authors and recipients; and (iv) the legal ground for withholding it from production. If the legal ground is attorney-client privilege, please also indicate the names of the attorneys involved in the Document and the nature of their involvement (e.g., as authors). Such statement (or log) shall accompany each production. Further, for each Document withheld pursuant to this paragraph, the relevant production shall include placeholder pages equivalent in number to the page-length of the withheld Document.

**B. Definitions**

1. "You," "Your," or "Allegiance Creative" means Allegiance Creative Group LLC together with (i) any of its current or former directors, officers, agents, employees, consultants, representatives, attorneys, or any other persons acting or purporting to act on its behalf or at its direction or control, (ii) any predecessors, successors, parent corporations, subsidiaries, divisions, assigns, "d/b/a" names, and affiliates, and (iii) any entities that, directly or indirectly, control, are controlled by, or are under common control with Allegiance Creative Group LLC.

24. All Communications between MMP Executives and NRA Executives relating to the services MMP provided to or at the request of the NRA.
25. All Documents concerning any confidentiality agreements directly or indirectly relating to Your interactions with the NRA.

#### D. Format for Production

Unless otherwise specified and agreed to by the Office of Attorney General, all responsive documents must be produced in Concordance format in accordance with the following instructions.

1. Concordance Production Components. A Concordance production consists of the following component files, which must be produced in accordance with the specifications set forth below in Section 2.

- A. *Metadata Load File*
- B. *Extracted or OCR Text Files*
- C. *Single-Page Image Files*
- D. *Opticon Load File*
- E. *Native Files*.

2. Production File Requirements.

- A. *Metadata Load File*
  - Required file format:
    - UTF-8
    - .dat file extension
    - Field delimiter: (ASCII decimal character 20)
    - Text Qualifier: þ (ASCII decimal character 254). Multiple value field delimiter: ; (ASCII decimal character 59)
  - The first line of the metadata load file must list all included fields. All required fields are listed in Attachment 1.
  - Fields with no values must be represented by empty columns maintaining delimiters and qualifiers.
  - *Note:* All documents must have page-level Bates numbering (except documents produced only in native format, which must be assigned a document-level Bates number). The metadata load file must list the beginning and ending Bates numbers (BEGDOC and ENDDOC) for each document.
  - Accepted date formats:
    - mm/dd/yyyy
    - yyyy/mm/dd
    - yyymmdd
  - Accepted time formats:
    - hh:mm:ss (if not in 24-hour format, You must indicate am/pm)
    - hh:mm:ss:mmm

B. *Extracted or OCR Text Files*

- You must produce individual document-level text files containing the full extracted text for each produced document.
- When extracted text is not available (for instance, for image-only documents) You must provide individual document-level text files containing the document's full OCR text.
- The filename for each text file must match the document's beginning Bates number (BEGDOC) listed in the metadata load file.

- Text files must be divided into subfolders containing no more than 5000 files.

**C. *Single-Page Image Files (Petrified Page Images)***

- Where possible, all produced documents must be converted into single-page tagged image format ("TIF") files. See Section 7.E below for instructions on producing native versions of documents You are unable to convert.
- Image documents that exist only in non-TIF formats must be converted into TIF files. The original image format must be produced as a native file as described in Section 7.E below.
- For documents produced only in native format, You must provide a TIF placeholder that states "Document produced only in native format."
- Each single-page TIF file must be endorsed with a unique Bates number.
- The filename for each single-page TIF file must match the unique page-level Bates number (or document-level Bates number for documents produced only in native format).
- Required image file format:
  - CCITT Group 4 compression
  - 2-Bit black and white
  - 300 dpi
  - Either .tif or .tiff file extension.
- TIF files must be divided into subfolders containing no more than 5000 files. Documents should not span multiple subfolders, a document with more than 5000 pages should be kept in a single folder.

**D. *Opticon Load File***

- Required file format:
  - Field delimiter: , (ASCII decimal character 44)
  - No Text Qualifier
  - .opt file extension
- The comma-delimited Opticon load file must contain the following seven fields (as indicated below, values for certain fields may be left blank):
  - ALIAS or IMAGEKEY – the unique Bates number assigned to each page of the production.
  - VOLUME – this value is optional and may be left blank.
  - RELATIVE PATH – the filepath to each single-page image file on the production media.
  - DOCUMENT BREAK – defines the first page of a document. The only possible values for this field are "Y" or blank.
  - FOLDER BREAK – defines the first page of a folder. The only possible values for this field are "Y" or blank.
  - BOX BREAK – defines the first page of a box. The only possible values for this field are "Y" or blank.
  - PAGE COUNT – this value is optional and may be left blank.
- **Example:**  
ABC00001,,IMAGES\0001\ABC00001.tif,Y,,,2  
ABC00002,,IMAGES\0001\ABC00002.tif,,,,

ABC00003,,IMAGES\0002\ABC00003.tif,Y,,,I  
ABC00004,,IMAGES\0002\ABC00004.tif,Y,,,I

E. ***Native Files***

- Non-printable or non-print friendly documents (including but not limited to spreadsheets, audio files, video files and documents for which color has significance to document fidelity) must be produced in their native format.
- The filename of each native file must match the document's beginning Bates number (BEGDOC) in the metadata load file and retain the original file extension.
- For documents produced only in native format, You must assign a single document-level Bates number and provide an image file placeholder that states "Document produced only in native format."
- The relative paths to all native files on the production media must be listed in the NATIVEFILE field of the metadata load file.
- Native files that are password-protected must be decrypted prior to conversion and produced in decrypted form.
- You may be required to supply a software license for proprietary documents produced only in native format.

3. **Production Folder Structure.** The production must be organized according to the following standard folder structure:

- data\ (contains production load files)
- images\ (contains single-page TIF files, with subfolder organization)  
    \0001, \0002, \0003...
- natives\ (contains native files, with subfolder organization)  
    \0001, \0002, \0003...
- text\ (contains text files, with subfolder organization)  
    \0001, \0002, \0003...

4. **De-Duplication.** You must perform global de-duplication of stand-alone documents and email families against any prior productions pursuant to this or previously related subpoenas.

5. **Paper or Scanned Documents.** Documents that exist only in paper format must be scanned to single-page TIF files and OCR'd. The resulting electronic files should be produced in Concordance format pursuant to these instructions. You must contact the Assistant Attorney General whose telephone number appears on the subpoena to discuss (i) any documents that cannot be scanned, and (ii) how information for scanned documents should be represented in the metadata load file.

6. **Structured Data.** Structured data includes but is not limited to relational databases, transactional data, and xml pages. Spreadsheets are not considered structured data. You must first speak to the Assistant Attorney General whose telephone number appears on the subpoena.

A. **Relational Databases**

1. Database tables should be provided in d or other machine-readable, non-proprietary format, with each table in a separate data file. Each data file must have an accompanying data dictionary that explains the meaning of each column name and explains the values of any codes used.

2. Dates and numbers must be clearly and consistently formatted and, where relevant, units of measure should be explained in the data dictionary.
3. Records must contain clear, unique identifiers, and the data dictionary must include explanations of how the files and records relate to one another.
7. Media and Encryption. All document sets over 2 GB must be produced on CD, DVD, or hard-drive media. All production media must be encrypted with a strong password, which must be delivered independently from the production media. Document sets under 2 GB may be delivered electronically. The OAG offers a secure cloud storage option that can be set up to receive media on a one-time basis, or the OAG will download media from the providing parties' server.
