**Re: *NYAG v. The National Rifle Association of America et al.*,
Index No. 451625/2020**

Dear Justice Cohen:

Last week, plaintiff filed the parties' premotion letters related to the OAG's failure to appear for its Rule 11-f deposition (NYSCEF 578). In its letter, the OAG states that it does not object to the issue being referred to Judge Sherwood upon his appointment. Because Judge Sherwood was appointed yesterday, the NRA writes to advise the Court that it likewise has no objection to the referral, should Your Honor decide to do so.

Respectfully,

/s/ Svetlana M. Eisenberg
