### DECLARATION UNDER PENALTY OF PERJURY OF DICK ANTHONY HELLER

Dick Anthony Heller, under penalty of perjury, deposes and states as follows:

1. My name is Dick Anthony Heller. I am a resident of the District of Columbia. I am also the President of the Heller Foundation, a 501(c)(3) organization dedicated to educating the public on Second Amendment issues and protecting Second Amendment liberties. The Heller Foundation has contributors in the District of Columbia and other states who have D.C. concealed pistol licenses and the Heller Foundation endeavors to represent their interests.
2. I hold a license to carry a concealed pistol issued by the D.C. Metropolitan Police Department.
3. I regularly carry a Charter Pathfinder revolver in the District of Columbia. I chose that firearm because it is very concealable, and I am aware that District law requires that my carry gun be fully concealed when I am carrying it.
4. Pursuant to DC law, I do not carry more ammunition than would fully load my Charter Pathfinder more than twice, i.e., 12 rounds. I do so because D.C. law prohibits me from carrying more ammunition than that amount.
5. But for this D.C. law I would carry more than the 12 rounds for my personal protection currently allowed by D.C.

The above statement, given under penalty of perjury, is true and correct to the best of my knowledge, information and belief.

**DECLARATION UNDER PENALTY OF PERJURY OF CHARLES W. NESBY**

Charles W. Nesby, under penalty of perjury, deposes and states as follows:

1. My name is Charles W. Nesby. I am a resident of Arlington, Virginia. I am also a Maryland State Police Certified Instructor and an NRA Certified Instructor.
2. I hold a license to carry a concealed pistol issued by the D.C. Metropolitan Police Department. I regularly carry a firearm when I am in the District of Columbia.
3. I regularly carry in the District of Columbia for personal protection a Springfield XDS pistol chambered in .45 caliber. That gun holds one round in the chamber and six rounds in the magazine.
4. But for D.C. law, when I am in the District, I would carry more than one extra magazine of six rounds for my concealed handgun. I do not do so now because I fear arrest and prosecution.

The above statement, given under penalty of perjury, is true and correct to the best of my knowledge, information and belief.

#### DECLARATION OF MARK G. BRILEY JR.

Mark G. Briley Jr., under penalty of perjury, deposes and states as follows:

1. My name is Mark G. Briley Jr. I am a full time Certified Firearms Instructor. My current and former firearm related credentials included the following: NRA LE Pistol Instructor (*former*); NRA Civilian Firearm Instructor for Pistol, Rifle, Shotgun, Metallic Cartridge Reloading and Shotgun Shell Reloading; NRA Training Counselor; NRA Chief Range Safety Officer; Utah BCI Certified CFP Instructor; Maryland State Police Approved Handgun Instructor; State of Delaware CCDW Certified Instructor; District of Columbia Armed Special Police Officer (*former*); Sig Sauer Certified Pistol Mounted Optics Instructor; District of Columbia MPD Certified Firearms Instructor; and USCCA Certified Firearms Instructor. I have taught thousands of students over the past 15 years, and more than 500 students applying for or renewing the District of Columbia Concealed Pistol License.
2. Based on my experience of providing professional firearms instruction and conducting Utah, Virginia, Maryland and District of Columbia Concealed Pistol License courses, I have found that a large number of my students carry handguns with a capacity of less than 10 rounds. These relatively smaller handgun are easier to conceal than a full size service type pistol like police carry.
3. I myself regularly carry a firearm for personal protection. And often I will carry a firearm that holds fewer than 10 rounds.
4. When I am carrying in Virginia where I reside, I carry multiple reloads for my carry gun. I do not do so in the District of Columbia because it is not legal. I would carry multiple reloads in the District were it legal.

The above statement, given under penalty of perjury is true and correct to the best of my knowledge, information and belief.
