 7 Court take judicial notice of the following documents in support of Plaintiffs’  
 8 motion for preliminary injunction:

9 1. **Assembly Bill 160, 2021-2022 Reg. Sess. (Cal. 2022).** A true and

## CHAPTER \_\_\_\_\_

An act to amend Section 22949.80 of the Business and Professions Code, to amend Section 68085.1 of, and to amend, repeal, and add Sections 13956, 13957, 13957.5, 13959, and 13962 of the Government Code, to amend Sections 290.008, 457.1, 1203.4b, and 1463.001 of, to amend, repeal, and add Sections 4900 and 4904 of, and to add Section 679.027 to, the Penal Code, and to amend Section 1732.10 of the Welfare and Institutions Code, relating to public safety, and making an appropriation therefor, to take effect immediately, bill related to the budget.

## LEGISLATIVE COUNSEL'S DIGEST

AB 160, Committee on Budget. Public safety trailer bill.

(1) Existing law prohibits a firearm industry member, as defined, from engaging in advertising or marketing related to firearms that is intended for minors or reasonably appears to be attractive to minors, as specified.

This bill would exempt from this prohibition any advertising that is offering or promoting classes or events related to firearm safety, hunting, or sport shooting, as specified, or promoting membership in any organization.

(2) Existing law generally provides for the compensation of victims and derivative victims of specified types of crimes by the California Victim Compensation Board from the Restitution Fund, which is continuously appropriated to the board. Existing law prohibits the board from granting compensation to a person who is convicted of a violent felony, as prescribed, until that person has been discharged from probation or has been released from a correctional institution and has been discharged from parole, or has been discharged from postrelease community supervision or mandatory supervision, if any, for that violent crime.

This bill would instead prohibit compensation from being granted to a person in the above circumstances until after that person has been released from a correctional institution.

(3) Existing law authorizes the board to compensate for pecuniary loss, including compensation equal to the loss of income or loss of support, or both, that a victim or derivative victim incurs

as a direct result of the victim's or derivative victim's injury or the victim's death, as specified. Existing law also provides limits on the compensation a victim and derivative victim may receive.

This bill would authorize the board, in authorizing compensation for loss of income and support, to base the loss of income on the actual loss the victim sustains or the wages that an employee would earn, as specified, during the period that the victim is unable to work or seek work as a result of the injury for adult victims, and upon the loss the victim actually sustains for victims who are under 18 years of age at the time of the crime, as specified. The bill would also specify that an adult derivative victim and a derivative victim who was legally dependent on the victim at the time of the crime are also similarly eligible for compensation for loss of income, as specified. The bill would specify that if a victim is a minor at the time of the crime, the victim is eligible for future loss of income, calculated as specified.

This bill would specify that if an adult victim or derivative victim was not employed or receiving earned income benefits at the time of the crime, the victim or derivative victim, as applicable, shall be eligible for loss of income if they were fully or partially employed or receiving income benefits for a total of at least 2 weeks in the 12 months preceding the qualifying crime, or had an offer of employment at the time of the crime and was unable to begin employment as a result of the crime, as specified. The bill would specify that if a derivative victim who is otherwise eligible for loss of support is eligible for loss of support if the deceased victim was not employed or receiving earned income benefits at the time of the crime, but the deceased victim was fully or partially employed or receiving earned income benefits for a total of at least 2 weeks in the 12 months preceding the qualifying crime, if the victim had an offer of employment at the time of the crime and was unable to begin employment as a result of the crime.

This bill would require the board, by July 1, 2025, to adopt new guidelines to rely on a range of evidence in considering and approving claims for loss of income, as specified.

The bill would also remove or raise various limits on the compensation a victim and derivative victim may receive, as specified. By expanding the eligibility for, and by increasing or removing limits on, compensation from a continuously appropriated fund, this bill would make an appropriation.

(4) Existing law requires the board to publicize the existence of the victim compensation program, and requires a local law enforcement agency to inform crime victims of these provisions, as specified.

This bill would require the board to provide every general acute care hospital in the state that operates an emergency department with specified information, and require the hospital to display the information, as specified. The bill would also require every local law enforcement agency to inform crime victims of the existence of specified trauma recovery centers. By requiring local law enforcement agencies to provide additional information to crime victims, this bill would impose a state-mandated local program.

(5) Existing law, as added by Proposition 9, the Victims' Bill of Rights Act of 2008: Marsy's Law, at the November 4, 2008, statewide general election, requires a law enforcement agency investigating a criminal act and an agency prosecuting a criminal act to, at the time of initial contact with a crime victim, during followup investigation, or as soon thereafter as deemed appropriate, provide or make available to the victim a "Marsy Rights" card that contains the constitutional rights of crime victims without charge or cost to the victim.

This bill would require every law enforcement agency investigating a criminal act and every agency prosecuting a criminal act to, at the time of initial contact with a crime victim, during followup investigation, or as soon thereafter as deemed appropriate by investigating officers or prosecuting attorneys, provide or make available to each victim of the criminal act without charge or cost a "Victim Protections and Resources" card and to provide other information, as specified. The bill would also require the Attorney General to design and make available in PDF or other imaging format to these agencies a "Victim Protections and Resources" card containing specified information. The bill would authorize the "Victim Protections and Resources" card to be designed as part of and included with the "Marsy Rights" card described above. By requiring these agencies to provide additional information to crime victims, this bill would impose a state-mandated local program.

(6) Existing law allows a person who was erroneously convicted of a felony and imprisoned in the state prison or a county jail to present a claim to the board for the injury sustained by the person

through the erroneous conviction and imprisonment or incarceration. Existing law requires the board to provide a recommendation to the Legislature that an appropriation be made for the purpose of indemnifying the claimant for the erroneous conviction injury. Existing law requires that the amount of the appropriation recommended by the board be equivalent to \$140 per day of incarceration served, as specified.

This bill would require that the compensation recommendation for a claimant be equivalent to \$70 per day served on parole or supervised release, as specified. The bill would require that these amounts be updated annually to account for changes in the United States Bureau of Labor Statistics Consumer Price Index, West Region.

(7) Existing law creates the Division of Juvenile Justice within the Department of Corrections and Rehabilitation to operate facilities to house specified juvenile offenders. Existing law requires the Division of Juvenile Justice to close on June 30, 2023, and provides for the transition of youth who are currently housed within a Division of Juvenile Justice facility to the care and custody of counties.

Existing law requires a person convicted of specified sex offenses, including a person who is discharged or paroled from the Department of Corrections and Rehabilitation after having been adjudicated a ward of the juvenile court because of the commission of a sex offense, to register with local law enforcement agencies while residing in the state or while attending school or working in the state. Existing law requires a person convicted of arson, or a person who is discharged or paroled from the Department of Corrections and Rehabilitation, Division of Juvenile Justice after being adjudicated a ward for having committed arson, to register with certain local officials in the area in which they reside.

This bill would define a discharged person for purposes of these sex offender and arson registration requirements to include specified persons who transition out of the division due to its statutorily required closure. The bill would require the court of jurisdiction to establish the point at which the ward is required to register and notify the Department of Justice of its decision.

(8) Existing law allows a defendant who successfully participated in the California Conservation Camp program as an

incarcerated individual hand crew member, or successfully participated as a member of a county incarcerated individual hand crew, except as specified, to petition the court to have the pleading dismissed, as described, thus releasing the person of any penalties and disabilities of conviction, except as otherwise provided.

This bill would also grant this relief to a defendant who has successfully participated at an institutional firehouse, as specified.

(9) Existing law prescribes the distribution of funds collected from specified fines, forfeitures, and civil assessments imposed for crimes.

This bill would correct erroneous cross-references in existing law.

(10) Existing law, within the Department of Corrections and Rehabilitation, creates the Division of Juvenile Justice, headed by a director, to operate facilities to house specified juvenile offenders. Existing law requires the division to close on June 30, 2023, and provides for the transition of youth who are currently housed within a Division of Juvenile Justice facility to the care and custody of counties. Existing law requires the State Department of State Hospitals, upon closure of the division, to continue to provide evaluation, care, and treatment of state hospital patients referred to the division.

This bill would correct an erroneous cross-reference in existing law.

(11) This bill provides that certain of its provisions shall become operative on July 1, 2024, only if General Fund moneys over the multiyear forecasts beginning in the 2024–25 fiscal year are available to support ongoing augmentations and actions, and if an appropriation is made to backfill the Restitution Fund to support the actions.

(12) This bill would incorporate additional changes to Sections 13956 and 13957 of the Government Code proposed by SB 299 and SB 877, respectively, and Sections 4900 and 4904 of the Penal Code proposed by SB 1468, to be operative only if this bill and the other specified bills are enacted and this bill is enacted last.

(13) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement. This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated

by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

(14) This bill would declare that it is to take effect immediately as a bill providing for appropriations related to the Budget Bill.

Appropriation: yes.

*The people of the State of California do enact as follows:*

SECTION 1. Section 22949.80 of the Business and Professions Code is amended to read:

22949.80. (a) (1) A firearm industry member shall not advertise, market, or arrange for placement of an advertising or marketing communication offering or promoting any firearm-related product in a manner that is designed, intended, or reasonably appears to be attractive to minors.

(2) In determining whether marketing or advertising of a firearm-related product is attractive to minors, as described in paragraph (1), a court shall consider the totality of the circumstances, including, but not limited to, whether the marketing or advertising:

(A) Uses caricatures that reasonably appear to be minors or cartoon characters to promote firearm-related products.

(B) Offers brand name merchandise for minors, including, but not limited to, hats, t-shirts, or other clothing, or toys, games, or stuffed animals, that promotes a firearm industry member or firearm-related product.

(C) Offers firearm-related products in sizes, colors, or designs that are specifically designed to be used by, or appeal to, minors.

(D) Is part of a marketing or advertising campaign designed with the intent to appeal to minors.

(E) Uses images or depictions of minors in advertising and marketing materials to depict the use of firearm-related products.

(F) Is placed in a publication created for the purpose of reaching an audience that is predominately composed of minors and not intended for a more general audience composed of adults.

(3) This subdivision does not apply to a communication offering or promoting any firearm safety program, hunting safety or promotional program, firearm instructional course, sport shooting event or competition, or any similar program, course, or event, nor does it apply to a communication offering or promoting

membership in any organization, or promotion of lawful hunting activity, including, but not limited to, any fundraising event, youth hunting program, or outdoor camp.

(b) A firearm industry member publishing material directed to minors in this state or who has actual knowledge that a minor in this state is using or receiving its material, shall not knowingly use, disclose, compile, or allow a third party to use, disclose, or compile, the personal information of that minor with actual knowledge that the use, disclosure, or compilation is for the purpose of marketing or advertising to that minor any firearm-related product.

(1) “Ammunition” has the same meaning as provided in subdivision (b) of Section 16150 of the Penal Code.

(2) “Firearm” has the same meaning as provided in subdivisions (a) and (b) of Section 16520 of the Penal Code.

(3) “Firearm accessory” means an attachment or device designed or adapted to be inserted into, affixed onto, or used in conjunction with, a firearm which is designed, intended, or functions to alter or enhance the firing capabilities of a firearm, the lethality of the firearm, or a shooter’s ability to hold, carry, or use a firearm.

(4) “Firearm industry member” means any of the following:

(A) A person, firm, corporation, company, partnership, society, joint stock company, or any other entity or association engaged in the manufacture, distribution, importation, marketing, wholesale, or retail sale of firearm-related products.

(B) A person, firm, corporation, company, partnership, society, joint stock company, or any other entity or association formed for the express purpose of promoting, encouraging, or advocating for the purchase, use, or ownership of firearm-related products that does one of the following:

(iii) Endorses specific firearm-related products.

(iv) Sponsors or otherwise promotes events at which firearm-related products are sold or used.

(5) “Firearm-related product” means a firearm, ammunition, reloaded ammunition, a firearm precursor part, a firearm

- (B) The item is intended to be sold or distributed in California.
- (C) It is reasonably foreseeable that the item would be sold or possessed in California.

(D) Marketing or advertising for the item is directed to residents of California.

(6) “Marketing or advertising” means, in exchange for monetary compensation, to make a communication to one or more individuals, or to arrange for the dissemination to the public of a communication, about a product, the primary purpose of which is to encourage recipients of the communication to engage in a commercial transaction.

(7) “Minor” means a natural person under 18 years of age who resides in this state.

(d) This section shall not be construed to require or authorize a firearm industry member to collect or retain age information about users or subscribers of products or services offered.

(e) (1) Any person who violates any provision of this chapter shall be liable for a civil penalty not to exceed twenty-five thousand dollars (\$25,000) for each violation, which shall be assessed and recovered in a civil action brought in the name of the people of the State of California by the Attorney General or by any district attorney, county counsel, or city attorney in any court of competent jurisdiction.

(2) The court shall impose a civil penalty under paragraph (1) for each violation of this chapter. In assessing the amount of the civil penalty, the court shall consider any one or more of the relevant circumstances presented by any of the parties to the case, including, but not limited to, the nature and seriousness of the misconduct, the number of violations, the persistence of the misconduct, the length of time over which the misconduct occurred, the willfulness of the defendant’s misconduct, and the defendant’s assets, liabilities, and net worth.

(3) A person harmed by a violation of this section may commence a civil action to recover their actual damages.

(4) The court shall also order injunctive relief, including a permanent or temporary injunction, restraining order, or other order against the person or persons responsible for the conduct, as

the court deems necessary to prevent the harm described in this section.

(5) Upon a motion, a court shall award reasonable attorney's fees and costs, including expert witness fees and other litigation expenses, to a plaintiff who is a prevailing party in an action brought pursuant to this section.

(6) Each copy or republication of marketing or advertising prohibited by this section shall be deemed a separate violation.

(f) The provisions of this section are severable. If any portion, subdivision, paragraph, clause, sentence, phrase, word, or application of this section is for any reason held to be invalid by any court of competent jurisdiction, that decision shall not affect the validity of the remaining portions of this chapter. The Legislature hereby declares that it would have adopted this section and each and every portion, subdivision, paragraph, clause, sentence, phrase, word, and application not declared invalid or unconstitutional without regard to whether any other portion of this section or application thereof would be subsequently declared invalid.

SEC. 2. Section 13956 of the Government Code is amended to read:

13956. Notwithstanding Section 13955, a person shall not be eligible for compensation under the following conditions:

(a) An application may be denied, in whole or in part, if the board finds that denial is appropriate because of the nature of the victim's or other applicant's involvement in the events leading to the crime, or the involvement of the person whose injury or death gives rise to the application.

(1) Factors that may be considered in determining whether the victim or derivative victim was involved in the events leading to the qualifying crime include, but are not limited to:

(A) The victim or derivative victim initiated the qualifying crime, or provoked or aggravated the suspect into initiating the qualifying crime.

(B) The qualifying crime was a reasonably foreseeable consequence of the conduct of the victim or derivative victim.

(C) The victim or derivative victim was committing a crime that could be charged as a felony and reasonably lead to the victim being victimized. However, committing a crime shall not be considered involvement if the victim's injury or death occurred as

a direct result of a crime committed in violation of Section 261, 273.5, or former Section 262 of, or for a crime of unlawful sexual intercourse with a minor in violation of subdivision (d) of Section 261.5 of, the Penal Code.

(2) If the victim is determined to have been involved in the events leading to the qualifying crime, factors that may be considered to mitigate or overcome involvement include, but are not limited to:

(A) The victim's injuries were significantly more serious than reasonably could have been expected based on the victim's level of involvement.

(B) A third party interfered in a manner not reasonably foreseeable by the victim or derivative victim.

(C) The board shall consider the victim's age, physical condition, and psychological state, as well as any compelling health and safety concerns, in determining whether the application should be denied pursuant to this section. The application of a derivative victim of domestic violence under 18 years of age or derivative victim of trafficking under 18 years of age shall not be denied on the basis of the denial of the victim's application under this subdivision.

(b) (1) An application shall be denied if the board finds that the victim or, if compensation is sought by, or on behalf of, a derivative victim, either the victim or derivative victim failed to cooperate reasonably with a law enforcement agency in the apprehension and conviction of a criminal committing the crime. In determining whether cooperation has been reasonable, the board shall consider the victim's or derivative victim's age, physical condition, and psychological state, cultural or linguistic barriers, any compelling health and safety concerns, including, but not limited to, a reasonable fear of retaliation or harm that would jeopardize the well-being of the victim or the victim's family or the derivative victim or the derivative victim's family, and giving due consideration to the degree of cooperation of which the victim or derivative victim is capable in light of the presence of any of these factors. A victim of domestic violence shall not be determined to have failed to cooperate based on the victim's conduct with law enforcement at the scene of the crime. Lack of cooperation shall also not be found solely because a victim of sexual assault,

domestic violence, or human trafficking delayed reporting the qualifying crime.

(2) An application for a claim based on domestic violence shall not be denied solely because a police report was not made by the victim. The board shall adopt guidelines that allow the board to consider and approve applications for assistance based on domestic violence relying upon evidence other than a police report to establish that a domestic violence crime has occurred. Factors evidencing that a domestic violence crime has occurred may include, but are not limited to, medical records documenting injuries consistent with allegations of domestic violence, mental health records, or that the victim has obtained a permanent restraining order.

(3) An application for a claim based on a sexual assault shall not be denied solely because a police report was not made by the victim. The board shall adopt guidelines that allow it to consider and approve applications for assistance based on a sexual assault relying upon evidence other than a police report to establish that a sexual assault crime has occurred. Factors evidencing that a sexual assault crime has occurred may include, but are not limited to, medical records documenting injuries consistent with allegations of sexual assault, mental health records, or that the victim received a sexual assault examination.

(4) An application for a claim based on human trafficking as defined in Section 236.1 of the Penal Code shall not be denied solely because a police report was not made by the victim. The board shall adopt guidelines that allow the board to consider and approve applications for assistance based on human trafficking relying upon evidence other than a police report to establish that a human trafficking crime has occurred. That evidence may include any reliable corroborating information approved by the board, including, but not limited to, the following:

(A) A Law Enforcement Agency Endorsement issued pursuant to Section 236.5 of the Penal Code.

(B) A human trafficking caseworker, as identified in Section 1038.2 of the Evidence Code, has attested by affidavit that the individual was a victim of human trafficking.

(5) (A) An application for a claim by a military personnel victim based on a sexual assault by another military personnel shall not

be denied solely because it was not reported to a superior officer or law enforcement at the time of the crime.

(B) Factors that the board shall consider for purposes of determining if a claim qualifies for compensation include, but are not limited to, the evidence of the following:

(i) Restricted or unrestricted reports to a military victim advocate, sexual assault response coordinator, chaplain, attorney, or other military personnel.

(ii) Medical or physical evidence consistent with sexual assault.

(iii) A written or oral report from military law enforcement or a civilian law enforcement agency concluding that a sexual assault crime was committed against the victim.

(iv) A letter or other written statement from a sexual assault counselor, as defined in Section 1035.2 of the Evidence Code, licensed therapist, or mental health counselor, stating that the victim is seeking services related to the allegation of sexual assault.

(v) A credible witness to whom the victim disclosed the details that a sexual assault crime occurred.

(vi) A restraining order from a military or civilian court against the perpetrator of the sexual assault.

(vii) Other behavior by the victim consistent with sexual assault.

(C) For purposes of this subdivision, the sexual assault at issue shall have occurred during military service, including deployment.

(D) For purposes of this subdivision, the sexual assault may have been committed off base.

(E) For purposes of this subdivision, a “perpetrator” means an individual who is any of the following at the time of the sexual assault:

(i) An active duty military personnel from the United States Army, Navy, Marine Corps, Air Force, or Coast Guard.

(ii) A civilian employee of any military branch specified in clause (i), military base, or military deployment.

(iii) A contractor or agent of a private military or private security company.

(iv) A member of the California National Guard.

(F) For purposes of this subdivision, “sexual assault” means an offense included in Section 261, 264.1, 286, 287, formerly 288a, or Section 289 of the Penal Code, as of January 1, 2015.

(c) (1) Notwithstanding Section 13955, a person who is convicted of a violent felony listed in subdivision (c) of Section

667.5 of the Penal Code shall not be granted compensation until that person has been discharged from probation or has been released from a correctional institution and has been discharged from parole, or has been discharged from postrelease community supervision or mandatory supervision, if any, for that violent crime. Compensation shall not be granted to an applicant pursuant to this chapter during any period of time the applicant is held in a correctional institution or while an applicant is required to register as a sex offender pursuant to Section 290 of the Penal Code.

(2) A person who has been convicted of a violent felony listed in subdivision (c) of Section 667.5 of the Penal Code may apply for compensation pursuant to this chapter at any time, but the award of that compensation may not be considered until the applicant meets the requirements for compensation set forth in paragraph (1).

(d) (1) This section shall become inoperative on July 1, 2024, only if General Fund moneys over the multiyear forecasts beginning in the 2024–25 fiscal year are available to support ongoing augmentations and actions, and if an appropriation is made to backfill the Restitution Fund to support the actions in this section. If those conditions are met, this section is repealed January 1, 2025.

(2) The amendments made by the act adding this subdivision shall become operative on January 1, 2023.

SEC. 2.5. Section 13956 of the Government Code is amended to read:

13956. Notwithstanding Section 13955, a person shall not be eligible for compensation under the following conditions:

(a) Except as otherwise provided in this subdivision and in subdivision (c), an application may be denied, in whole or in part, if the board finds that denial is appropriate because of the nature of the victim's or other applicant's involvement in the events leading to the crime, or the involvement of the person whose injury or death gives rise to the application.

(1) Factors that may be considered in determining whether the victim or derivative victim was involved in the events leading to the qualifying crime include, but are not limited to:

(A) The victim or derivative victim initiated the qualifying crime, or provoked or aggravated the suspect into initiating the qualifying crime.

(B) The qualifying crime was a reasonably foreseeable consequence of the conduct of the victim or derivative victim.

(C) The victim or derivative victim was committing a crime that could be charged as a felony and reasonably lead to the victim being victimized. However, committing a crime shall not be considered involvement if the victim's injury or death occurred as a direct result of a crime committed in violation of Section 261, 262, or 273.5 of, or for a crime of unlawful sexual intercourse with a minor in violation of subdivision (d) of Section 261.5 of, the Penal Code.

(2) If the victim is determined to have been involved in the events leading to the qualifying crime, factors that may be considered to mitigate or overcome involvement include, but are not limited to:

(A) The victim's injuries were significantly more serious than reasonably could have been expected based on the victim's level of involvement.

(B) A third party interfered in a manner not reasonably foreseeable by the victim or derivative victim.

(C) The board shall consider the victim's age, physical condition, and psychological state, as well as any compelling health and safety concerns, in determining whether the application should be denied pursuant to this section. The application of a derivative victim of domestic violence under 18 years of age or derivative victim of trafficking under 18 years of age shall not be denied on the basis of the denial of the victim's application under this subdivision.

(3) Notwithstanding paragraphs (1) and (2), and except as provided in paragraph (2) of subdivision (c), for a claim based on a victim's death as a result of a crime, the board shall not deny the application, in whole or in part, based on the deceased victim's involvement in the crime that gave rise to the claim.

(b) (1) An application shall be denied if the board finds that the victim or, if compensation is sought by, or on behalf of, a derivative victim, either the victim or derivative victim failed to cooperate reasonably with a law enforcement agency in the apprehension and conviction of a criminal committing the crime. In determining whether cooperation has been reasonable, the board shall consider the victim's or derivative victim's age, physical condition, and psychological state, cultural or linguistic barriers,

any compelling health and safety concerns, including, but not limited to, a reasonable fear of retaliation or harm that would jeopardize the well-being of the victim or the victim's family or the derivative victim or the derivative victim's family, and giving due consideration to the degree of cooperation of which the victim or derivative victim is capable in light of the presence of any of these factors. A victim of domestic violence shall not be determined to have failed to cooperate based on the victim's conduct with law enforcement at the scene of the crime. Lack of cooperation shall also not be found solely because a victim of sexual assault, domestic violence, or human trafficking delayed reporting the qualifying crime.

(2) Notwithstanding paragraph (1), for a claim based on a victim's serious bodily injury or death that resulted from a law enforcement officer's use of force, the board shall not deny the application based on the victim's failure to cooperate.

(3) Notwithstanding paragraph (1), for a claim based on a victim's death as a result of a crime, the board shall not deny the application based on a victim's or derivative victim's failure to cooperate.

(4) An application for a claim based on domestic violence shall not be denied solely because a police report was not made by the victim. The board shall adopt guidelines that allow the board to consider and approve applications for assistance based on domestic violence relying upon evidence other than a police report to establish that a domestic violence crime has occurred. Factors evidencing that a domestic violence crime has occurred may include, but are not limited to, medical records documenting injuries consistent with allegations of domestic violence, mental health records, or that the victim has obtained a permanent restraining order.

(5) An application for a claim based on a sexual assault shall not be denied solely because a police report was not made by the victim. The board shall adopt guidelines that allow it to consider and approve applications for assistance based on a sexual assault relying upon evidence other than a police report to establish that a sexual assault crime has occurred. Factors evidencing that a sexual assault crime has occurred may include, but are not limited to, medical records documenting injuries consistent with allegations

of sexual assault, mental health records, or that the victim received a sexual assault examination.

(6) An application for a claim based on human trafficking as defined in Section 236.1 of the Penal Code shall not be denied solely because a police report was not made by the victim. The board shall adopt guidelines that allow the board to consider and approve applications for assistance based on human trafficking relying upon evidence other than a police report to establish that a human trafficking crime has occurred. That evidence may include any reliable corroborating information approved by the board, including, but not limited to, the following:

(A) A law enforcement agency endorsement issued pursuant to Section 236.5 of the Penal Code.

(B) A human trafficking caseworker, as identified in Section 1038.2 of the Evidence Code, has attested by affidavit that the individual was a victim of human trafficking.

(7) (A) An application for a claim by a military personnel victim based on a sexual assault by another military personnel shall not be denied solely because it was not reported to a superior officer or law enforcement at the time of the crime.

(B) Factors that the board shall consider for purposes of determining if a claim qualifies for compensation include, but are not limited to, the evidence of the following:

(i) Restricted or unrestricted reports to a military victim advocate, sexual assault response coordinator, chaplain, attorney, or other military personnel.

(ii) Medical or physical evidence consistent with sexual assault.

(iii) A written or oral report from military law enforcement or a civilian law enforcement agency concluding that a sexual assault crime was committed against the victim.

(iv) A letter or other written statement from a sexual assault counselor, as defined in Section 1035.2 of the Evidence Code, licensed therapist, or mental health counselor, stating that the victim is seeking services related to the allegation of sexual assault.

(v) A credible witness to whom the victim disclosed the details that a sexual assault crime occurred.

(vi) A restraining order from a military or civilian court against the perpetrator of the sexual assault.

(vii) Other behavior by the victim consistent with sexual assault.

(C) For purposes of this subdivision, the sexual assault at issue shall have occurred during military service, including deployment.

(D) For purposes of this subdivision, the sexual assault may have been committed off base.

(E) For purposes of this subdivision, a “perpetrator” means an individual who is any of the following at the time of the sexual assault:

(i) An active duty military personnel from the United States Army, Navy, Marine Corps, Air Force, or Coast Guard.

(ii) A civilian employee of any military branch specified in clause (i), military base, or military deployment.

(iii) A contractor or agent of a private military or private security company.

(iv) A member of the California National Guard.

(F) For purposes of this subdivision, “sexual assault” means an offense included in Section 261, 264.1, 286, 287, formerly 288a, or Section 289 of the Penal Code, as of January 1, 2015.

(c) Notwithstanding any provision of statute, administrative rule, local ordinance, or other law, for applications based on a victim’s serious bodily injury or death that resulted from a law enforcement officer’s use of force, if the board receives a form of documentation that describes or demonstrates that a person suffered serious bodily injury or death as a result of a law enforcement officer’s use of force, the board shall accept this as sufficient evidence to establish that such use of force constitutes a crime and that the person who suffered serious bodily injury or death as a result of a law enforcement officer’s use of force is a victim, solely for the purposes of eligibility for compensation under this chapter. Such a form of documentation may include, but is not limited to, medical records documenting the victim’s injury, mental health records, a written statement from a victim services provider, a death certificate, or evidence that the qualifying crime was reported under Section 12525.2 to the Department of Justice as an incident in which the use of force by a law enforcement officer against a civilian resulted in serious bodily injury or death.

(1) For a claim based on a victim’s serious bodily injury that resulted from a law enforcement officer’s use of force, the board shall not deny the application based on the victim’s or other applicant’s involvement in the qualifying crime that gave rise to the claim unless the victim is convicted of a violent crime as

defined in Section 667.5 of the Penal Code, or of a crime that resulted in serious bodily injury, as defined in Section 243 of the Penal Code, to or death of another person, and the crime occurred at the time and location of the incident on which the claim is based. The board shall not consider a claim for compensation while charges are pending alleging that a victim subject to this paragraph committed such a crime. A victim or applicant subject to this paragraph may apply for compensation pursuant to this chapter at any time for any expense, but the award of that compensation shall not be granted until the charges are no longer pending against the victim. If the victim is deceased, charges shall not be considered pending against the victim for the purposes of this paragraph.

(2) For a claim based on a victim's death that resulted from a law enforcement officer's use of force, the board shall not deny the application based on the victim's or other applicant's involvement in the qualifying crime that gave rise to the claim unless there is clear and convincing evidence that the deceased victim committed a crime during which the deceased victim personally inflicted serious bodily injury, as defined in Section 243 of the Penal Code, on another person or personally killed another person at the time and location of the incident on which the claim is based.

(d) (1) Notwithstanding Section 13955, a person who is convicted of a violent felony listed in subdivision (c) of Section 667.5 of the Penal Code shall not be granted compensation until that person has been discharged from probation or has been released from a correctional institution and has been discharged from parole, or has been discharged from postrelease community supervision or mandatory supervision, if any, for that violent crime. Compensation shall not be granted to an applicant pursuant to this chapter during any period of time the applicant is held in a correctional institution or while an applicant is required to register as a sex offender pursuant to Section 290 of the Penal Code.

(2) A person who has been convicted of a violent felony listed in subdivision (c) of Section 667.5 of the Penal Code may apply for compensation pursuant to this chapter at any time, but the award of that compensation may not be considered until the applicant meets the requirements for compensation set forth in paragraph (1).

(e) (1) This section shall become inoperative on July 1, 2024, only if General Fund moneys over the multiyear forecasts beginning in the 2024–25 fiscal year are available to support ongoing augmentations and actions, and an appropriation is made to backfill the Restitution Fund to support the actions in this section. If those conditions are met, this section is repealed January 1, 2025.

(2) The amendments made by the act adding this subdivision shall become operative on January 1, 2023.

SEC. 3. Section 13956 is added to the Government Code, to read:

13956. Notwithstanding Section 13955, a person shall not be eligible for compensation under the following conditions:

(a) An application may be denied, in whole or in part, if the board finds that denial is appropriate because of the nature of the victim’s or other applicant’s involvement in the events leading to the crime, or the involvement of the person whose injury or death gives rise to the application.

(1) Factors that may be considered in determining whether the victim or derivative victim was involved in the events leading to the qualifying crime include, but are not limited to:

(A) The victim or derivative victim initiated the qualifying crime, or provoked or aggravated the suspect into initiating the qualifying crime.

(B) The qualifying crime was a reasonably foreseeable consequence of the conduct of the victim or derivative victim.

(C) The victim or derivative victim was committing a crime that could be charged as a felony and reasonably lead to the victim being victimized. However, committing a crime shall not be considered involvement if the victim’s injury or death occurred as a direct result of a crime committed in violation of Section 261, 273.5, or former Section 262 of, or for a crime of unlawful sexual intercourse with a minor in violation of subdivision (d) of Section 261.5 of, the Penal Code.

(2) If the victim is determined to have been involved in the events leading to the qualifying crime, factors that may be considered to mitigate or overcome involvement include, but are not limited to:

(A) The victim's injuries were significantly more serious than reasonably could have been expected based on the victim's level of involvement.

(B) A third party interfered in a manner not reasonably foreseeable by the victim or derivative victim.

(C) The board shall consider the victim's age, physical condition, and psychological state, as well as any compelling health and safety concerns, in determining whether the application should be denied pursuant to this section. The application of a derivative victim of domestic violence under 18 years of age or derivative victim of trafficking under 18 years of age shall not be denied on the basis of the denial of the victim's application under this subdivision.

(b) (1) An application shall be denied if the board finds that the victim or, if compensation is sought by, or on behalf of, a derivative victim, either the victim or derivative victim failed to cooperate reasonably with a law enforcement agency in the apprehension and conviction of a criminal committing the crime. In determining whether cooperation has been reasonable, the board shall consider the victim's or derivative victim's age, physical condition, and psychological state, cultural or linguistic barriers, any compelling health and safety concerns, including, but not limited to, a reasonable fear of retaliation or harm that would jeopardize the well-being of the victim or the victim's family or the derivative victim or the derivative victim's family, and giving due consideration to the degree of cooperation of which the victim or derivative victim is capable in light of the presence of any of these factors. A victim shall not be determined to have failed to cooperate based on the victim's conduct with law enforcement at the scene of the crime. Lack of cooperation shall also not be found solely because a victim delayed reporting the qualifying crime.

(2) An application for a claim based on domestic violence shall not be denied solely because a police report was not made by the victim. The board shall adopt guidelines that allow the board to consider and approve applications for assistance based on domestic violence relying upon evidence other than a police report to establish that a domestic violence crime has occurred. Factors evidencing that a domestic violence crime has occurred may include, but are not limited to, medical records documenting injuries consistent with allegations of domestic violence, mental

health records, or that the victim has obtained a permanent restraining order.

(3) An application for a claim based on a sexual assault shall not be denied solely because a police report was not made by the victim. The board shall adopt guidelines that allow it to consider and approve applications for assistance based on a sexual assault relying upon evidence other than a police report to establish that a sexual assault crime has occurred. Factors evidencing that a sexual assault crime has occurred may include, but are not limited to, medical records documenting injuries consistent with allegations of sexual assault, mental health records, or that the victim received a sexual assault examination.

(4) An application for a claim based on human trafficking as defined in Section 236.1 of the Penal Code shall not be denied solely because a police report was not made by the victim. The board shall adopt guidelines that allow the board to consider and approve applications for assistance based on human trafficking relying upon evidence other than a police report to establish that a human trafficking crime has occurred. That evidence may include any reliable corroborating information approved by the board, including, but not limited to, the following:

(A) A Law Enforcement Agency Endorsement issued pursuant to Section 236.5 of the Penal Code.

(B) A human trafficking caseworker, as identified in Section 1038.2 of the Evidence Code, has attested by affidavit that the individual was a victim of human trafficking.

(5) (A) An application for a claim by a military personnel victim based on a sexual assault by another military personnel shall not be denied solely because it was not reported to a superior officer or law enforcement at the time of the crime.

(B) Factors that the board shall consider for purposes of determining if a claim qualifies for compensation include, but are not limited to, the evidence of the following:

(i) Restricted or unrestricted reports to a military victim advocate, sexual assault response coordinator, chaplain, attorney, or other military personnel.

(ii) Medical or physical evidence consistent with sexual assault.

(iii) A written or oral report from military law enforcement or a civilian law enforcement agency concluding that a sexual assault crime was committed against the victim.

(iv) A letter or other written statement from a sexual assault counselor, as defined in Section 1035.2 of the Evidence Code, licensed therapist, or mental health counselor, stating that the victim is seeking services related to the allegation of sexual assault.

(v) A credible witness to whom the victim disclosed the details that a sexual assault crime occurred.

(vi) A restraining order from a military or civilian court against the perpetrator of the sexual assault.

(vii) Other behavior by the victim consistent with sexual assault.

(C) For purposes of this subdivision, the sexual assault at issue shall have occurred during military service, including deployment.

(D) For purposes of this subdivision, the sexual assault may have been committed off base.

(E) For purposes of this subdivision, a “perpetrator” means an individual who is any of the following at the time of the sexual assault:

(i) An active duty military personnel from the United States Army, Navy, Marine Corps, Air Force, or Coast Guard.

(ii) A civilian employee of any military branch specified in clause (i), military base, or military deployment.

(iii) A contractor or agent of a private military or private security company.

(iv) A member of the California National Guard.

(F) For purposes of this subdivision, “sexual assault” means an offense included in Section 261, 264.1, 286, 287, formerly 288a, or Section 289 of the Penal Code, as of January 1, 2015.

(c) (1) Notwithstanding Section 13955, a person who is convicted of a violent felony listed in subdivision (c) of Section 667.5 of the Penal Code shall not be granted compensation until that person has been released from a correctional institution. Compensation shall not be granted to an applicant pursuant to this chapter during any period of time the applicant is held in a correctional institution or while an applicant is required to register as a sex offender pursuant to Section 290 of the Penal Code.

(2) A person who has been convicted of a violent felony listed in subdivision (c) of Section 667.5 of the Penal Code may apply for compensation pursuant to this chapter at any time, but the award of that compensation may not be considered until the applicant meets the requirements for compensation set forth in paragraph (1).

(d) This section shall become operative on July 1, 2024, only if General Fund moneys over the multiyear forecasts beginning in the 2024–25 fiscal year are available to support ongoing augmentations and actions, and if an appropriation is made to backfill the Restitution Fund to support the actions in this section.

SEC. 3.5. Section 13956 is added to the Government Code, to read:

13956. Notwithstanding Section 13955, a person shall not be eligible for compensation under the following conditions:

(a) Except as otherwise provided in this subdivision and in subdivision (c), an application may be denied, in whole or in part, if the board finds that denial is appropriate because of the nature of the victim’s or other applicant’s involvement in the events leading to the crime, or the involvement of the person whose injury or death gives rise to the application.

(1) Factors that may be considered in determining whether the victim or derivative victim was involved in the events leading to the qualifying crime include, but are not limited to:

(A) The victim or derivative victim initiated the qualifying crime, or provoked or aggravated the suspect into initiating the qualifying crime.

(B) The qualifying crime was a reasonably foreseeable consequence of the conduct of the victim or derivative victim.

(C) The victim or derivative victim was committing a crime that could be charged as a felony and reasonably lead to the victim being victimized. However, committing a crime shall not be considered involvement if the victim’s injury or death occurred as a direct result of a crime committed in violation of Section 261, 273.5, or former Section 262 of, or for a crime of unlawful sexual intercourse with a minor in violation of subdivision (d) of Section 261.5 of, the Penal Code.

(2) If the victim is determined to have been involved in the events leading to the qualifying crime, factors that may be considered to mitigate or overcome involvement include, but are not limited to:

(A) The victim’s injuries were significantly more serious than reasonably could have been expected based on the victim’s level of involvement.

(B) A third party interfered in a manner not reasonably foreseeable by the victim or derivative victim.

(C) The board shall consider the victim's age, physical condition, and psychological state, as well as any compelling health and safety concerns, in determining whether the application should be denied pursuant to this section. The application of a derivative victim of domestic violence under 18 years of age or derivative victim of trafficking under 18 years of age shall not be denied on the basis of the denial of the victim's application under this subdivision.

(3) Notwithstanding paragraphs (1) and (2), and except as provided in paragraph (2) of subdivision (c), for a claim based on a victim's death as a result of a crime, the board shall not deny the application, in whole or in part, based on the deceased victim's involvement in the crime that gave rise to the claim.

(b) (1) An application shall be denied if the board finds that the victim or, if compensation is sought by, or on behalf of, a derivative victim, either the victim or derivative victim failed to cooperate reasonably with a law enforcement agency in the apprehension and conviction of a criminal committing the crime. In determining whether cooperation has been reasonable, the board shall consider the victim's or derivative victim's age, physical condition, and psychological state, cultural or linguistic barriers, any compelling health and safety concerns, including, but not limited to, a reasonable fear of retaliation or harm that would jeopardize the well-being of the victim or the victim's family or the derivative victim or the derivative victim's family, and giving due consideration to the degree of cooperation of which the victim or derivative victim is capable in light of the presence of any of these factors. A victim shall not be determined to have failed to cooperate based on the victim's conduct with law enforcement at the scene of the crime. Lack of cooperation shall also not be found solely because a victim delayed reporting the qualifying crime.

(2) Notwithstanding paragraph (1), for a claim based on a victim's serious bodily injury or death that resulted from a law enforcement officer's use of force, the board shall not deny the application based on the victim's failure to cooperate.

(3) Notwithstanding paragraph (1), for a claim based on a victim's death as a result of a crime, the board shall not deny the application based on a victim's or derivative victim's failure to cooperate.

(4) An application for a claim based on domestic violence shall not be denied solely because a police report was not made by the victim. The board shall adopt guidelines that allow the board to consider and approve applications for assistance based on domestic violence relying upon evidence other than a police report to establish that a domestic violence crime has occurred. Factors evidencing that a domestic violence crime has occurred may include, but are not limited to, medical records documenting injuries consistent with allegations of domestic violence, mental health records, or that the victim has obtained a permanent restraining order.

(5) An application for a claim based on a sexual assault shall not be denied solely because a police report was not made by the victim. The board shall adopt guidelines that allow it to consider and approve applications for assistance based on a sexual assault relying upon evidence other than a police report to establish that a sexual assault crime has occurred. Factors evidencing that a sexual assault crime has occurred may include, but are not limited to, medical records documenting injuries consistent with allegations of sexual assault, mental health records, or that the victim received a sexual assault examination.

(6) An application for a claim based on human trafficking as defined in Section 236.1 of the Penal Code shall not be denied solely because a police report was not made by the victim. The board shall adopt guidelines that allow the board to consider and approve applications for assistance based on human trafficking relying upon evidence other than a police report to establish that a human trafficking crime has occurred. That evidence may include any reliable corroborating information approved by the board, including, but not limited to, the following:

(A) A law enforcement agency endorsement issued pursuant to Section 236.5 of the Penal Code.

(B) A human trafficking caseworker, as identified in Section 1038.2 of the Evidence Code, has attested by affidavit that the individual was a victim of human trafficking.

(7) (A) An application for a claim by a military personnel victim based on a sexual assault by another military personnel shall not be denied solely because it was not reported to a superior officer or law enforcement at the time of the crime.

(B) Factors that the board shall consider for purposes of determining if a claim qualifies for compensation include, but are not limited to, the evidence of the following:

(i) Restricted or unrestricted reports to a military victim advocate, sexual assault response coordinator, chaplain, attorney, or other military personnel.

(ii) Medical or physical evidence consistent with sexual assault.

(iii) A written or oral report from military law enforcement or a civilian law enforcement agency concluding that a sexual assault crime was committed against the victim.

(v) A credible witness to whom the victim disclosed the details that a sexual assault crime occurred.

(vi) A restraining order from a military or civilian court against the perpetrator of the sexual assault.

(vii) Other behavior by the victim consistent with sexual assault.

(C) For purposes of this subdivision, the sexual assault at issue shall have occurred during military service, including deployment.

(D) For purposes of this subdivision, the sexual assault may have been committed off base.

(E) For purposes of this subdivision, a “perpetrator” means an individual who is any of the following at the time of the sexual assault:

(ii) A civilian employee of any military branch specified in clause (i), military base, or military deployment.

(iii) A contractor or agent of a private military or private security company.

(iv) A member of the California National Guard.

(F) For purposes of this subdivision, “sexual assault” means an offense included in Section 261, 264.1, 286, 287, formerly 288a, or Section 289 of the Penal Code, as of January 1, 2015.

(c) Notwithstanding any provision of statute, administrative rule, local ordinance, or other law, for applications based on a victim’s serious bodily injury or death that resulted from a law enforcement officer’s use of force, if the board receives a form of

documentation that describes or demonstrates that a person suffered serious bodily injury or death as a result of a law enforcement officer's use of force, the board shall accept this as sufficient evidence to establish that such use of force constitutes a crime and that the person who suffered serious bodily injury or death as a result of a law enforcement officer's use of force is a victim, solely for the purposes of eligibility for compensation under this chapter. Such a form of documentation may include, but is not limited to, medical records documenting the victim's injury, mental health records, a written statement from a victim services provider, a death certificate, or evidence that the qualifying crime was reported under Section 12525.2 to the Department of Justice as an incident in which the use of force by a law enforcement officer against a civilian resulted in serious bodily injury or death.

(1) For a claim based on a victim's serious bodily injury that resulted from a law enforcement officer's use of force, the board shall not deny the application based on the victim's or other applicant's involvement in the qualifying crime that gave rise to the claim unless the victim is convicted of a violent crime as defined in Section 667.5 of the Penal Code, or of a crime that resulted in serious bodily injury, as defined in Section 243 of the Penal Code, to or death of another person, and the crime occurred at the time and location of the incident on which the claim is based. The board shall not consider a claim for compensation while charges are pending alleging that a victim subject to this paragraph committed such a crime. A victim or applicant subject to this paragraph may apply for compensation pursuant to this chapter at any time for any expense, but the award of that compensation shall not be granted until the charges are no longer pending against the victim. If the victim is deceased, charges shall not be considered pending against the victim for the purposes of this paragraph.

(2) For a claim based on a victim's death that resulted from a law enforcement officer's use of force, the board shall not deny the application based on the victim's or other applicant's involvement in the qualifying crime that gave rise to the claim unless there is clear and convincing evidence that the deceased victim committed a crime during which the deceased victim personally inflicted serious bodily injury, as defined in Section 243 of the Penal Code, on another person or personally killed

another person at the time and location of the incident on which the claim is based.

(d) (1) Notwithstanding Section 13955, a person who is convicted of a violent felony listed in subdivision (c) of Section 667.5 of the Penal Code shall not be granted compensation until that person has been released from a correctional institution. Compensation shall not be granted to an applicant pursuant to this chapter during any period of time the applicant is held in a correctional institution or while an applicant is required to register as a sex offender pursuant to Section 290 of the Penal Code.

(2) A person who has been convicted of a violent felony listed in subdivision (c) of Section 667.5 of the Penal Code may apply for compensation pursuant to this chapter at any time, but the award of that compensation may not be considered until the applicant meets the requirements for compensation set forth in paragraph (1).

(e) This section shall become operative on July 1, 2024, only if General Fund moneys over the multiyear forecasts beginning in the 2024–25 fiscal year are available to support ongoing augmentations and actions, and if an appropriation is made to backfill the Restitution Fund to support the actions in this section.

SEC. 4. Section 13957 of the Government Code is amended to read:

13957. (a) The board may grant for pecuniary loss, when the board determines it will best aid the person seeking compensation, as follows:

(1) Subject to the limitations set forth in Section 13957.2, reimburse the amount of medical or medical-related expenses incurred by the victim for services that were provided by a licensed medical provider, including, but not limited to, eyeglasses, hearing aids, dentures, or any prosthetic device taken, lost, or destroyed during the commission of the crime, or the use of which became necessary as a direct result of the crime.

(2) Subject to the limitations set forth in Section 13957.2, reimburse the amount of outpatient psychiatric, psychological, or other mental health counseling-related expenses incurred by the victim or derivative victim, including peer counseling services provided by a rape crisis center as defined by Section 13837 of the Penal Code, and including family psychiatric, psychological, or mental health counseling for the successful treatment of the

victim provided to family members of the victim in the presence of the victim, whether or not the family member relationship existed at the time of the crime, that became necessary as a direct result of the crime, subject to the following conditions:

(A) The following persons may be reimbursed for the expense of their outpatient mental health counseling in an amount not to exceed ten thousand dollars (\$10,000):

(i) A victim.

(ii) A derivative victim who is the surviving parent, grandparent, sibling, child, grandchild, spouse, or fiancé of a victim of a crime that directly resulted in the death of the victim.

(iii) A derivative victim, as described in paragraphs (1) to (4), inclusive, of subdivision (c) of Section 13955, who is the primary caretaker of a minor victim whose claim is not denied or reduced pursuant to Section 13956 in a total amount not to exceed ten thousand dollars (\$10,000) for not more than two derivative victims.

(B) The following persons may be reimbursed for the expense of their outpatient mental health counseling in an amount not to exceed five thousand dollars (\$5,000):

(i) A derivative victim not eligible for reimbursement pursuant to subparagraph (A), provided that mental health counseling of a derivative victim described in paragraph (5) of subdivision (c) of Section 13955, shall be reimbursed only if that counseling is necessary for the treatment of the victim.

(ii) A minor who suffers emotional injury as a direct result of witnessing a violent crime and who is not eligible for reimbursement of the costs of outpatient mental health counseling under any other provision of this chapter. To be eligible for reimbursement under this clause, the minor must have been in close proximity to the victim when the minor witnessed the crime.

(C) The board may reimburse a victim or derivative victim for outpatient mental health counseling in excess of that authorized by subparagraph (A) or (B) or for inpatient psychiatric, psychological, or other mental health counseling if the claim is based on dire or exceptional circumstances that require more extensive treatment, as approved by the board.

(D) Expenses for psychiatric, psychological, or other mental health counseling-related services may be reimbursed only if the services were provided by either of the following individuals:

(i) A person who would have been authorized to provide those services pursuant to former Article 1 (commencing with Section 13959) as it read on January 1, 2002.

(ii) A person who is licensed in California to provide those services, or who is properly supervised by a person who is licensed in California to provide those services, subject to the board's approval and subject to the limitations and restrictions the board may impose.

(3) Subject to the limitations set forth in Section 13957.5, authorize compensation equal to the loss of income or loss of support, or both, that a victim or derivative victim incurs as a direct result of the victim's or derivative victim's injury or the victim's death. If the qualifying crime is a violation of Section 236.1 of the Penal Code, the board may authorize compensation equal to loss of income or support that a victim incurs as a direct result of the victim's deprivation of liberty during the crime, not to exceed the amount set forth in Section 13957.5. If the victim or derivative victim requests that the board give priority to reimbursement of loss of income or support, the board may not pay medical expenses, or mental health counseling expenses, except upon the request of the victim or derivative victim or after determining that payment of these expenses will not decrease the funds available for payment of loss of income or support.

(4) Authorize a cash payment to or on behalf of the victim for job retraining or similar employment-oriented services.

(5) Reimburse the expense of installing or increasing residential security, not to exceed one thousand dollars (\$1,000). Installing or increasing residential security may include, but need not be limited to, both of the following:

(A) Home security device or system.

(B) Replacing or increasing the number of locks.

(6) Reimburse the expense of renovating or retrofitting a victim's residence, or the expense of modifying or purchasing a vehicle, to make the residence or the vehicle accessible or operational by a victim upon verification that the expense is medically necessary for a victim who is permanently disabled as a direct result of the crime, whether the disability is partial or total.

(7) (A) Authorize a cash payment or reimbursement not to exceed three thousand four hundred and eighteen dollars (\$3,418) to a victim for expenses incurred in relocating, if the expenses are

determined by law enforcement to be necessary for the personal safety of the victim or by a mental health treatment provider to be necessary for the emotional well-being of the victim. For purposes of this paragraph, “expenses incurred in relocating” may include the costs of temporary housing for any pets belonging to the victim upon immediate relocation.

(B) The cash payment or reimbursement made under this paragraph shall only be awarded to one claimant per crime giving rise to the relocation. The board may authorize more than one relocation per crime if necessary for the personal safety or emotional well-being of the claimant. However, the total cash payment or reimbursement for all relocations due to the same crime shall not exceed three thousand four hundred and eighteen dollars (\$3,418). For purposes of this paragraph, a claimant is the crime victim, or, if the victim is deceased, a person who resided with the deceased at the time of the crime.

(C) The board may, under compelling circumstances, award a second cash payment or reimbursement to a victim for another crime if both of the following conditions are met:

(i) The crime occurs more than three years from the date of the crime giving rise to the initial relocation cash payment or reimbursement.

(ii) The crime does not involve the same offender.

(D) When a relocation payment or reimbursement is provided to a victim of sexual assault or domestic violence and the identity of the offender is known to the victim, the victim shall agree not to inform the offender of the location of the victim’s new residence and not to allow the offender on the premises at any time, or shall agree to seek a restraining order against the offender. A victim may be required to repay the relocation payment or reimbursement to the board if the victim violates the terms set forth in this paragraph.

(E) Notwithstanding subparagraphs (A) and (B), the board may increase the cash payment or reimbursement for expenses incurred in relocating to an amount greater than three thousand four hundred and eighteen dollars (\$3,418) if the board finds this amount is appropriate due to the unusual, dire, or exceptional circumstances of a particular claim.

(F) If a security deposit, pet deposit, or both is required for relocation, the board shall be named as the recipient and receive the funds upon expiration of the victim's rental agreement.

(8) When a victim dies as a result of a crime, the board may reimburse any individual who voluntarily, and without anticipation of personal gain, pays or assumes the obligation to pay any of the following expenses:

(A) The medical expenses incurred as a direct result of the crime in an amount not to exceed the rates or limitations established by the board.

(B) The funeral and burial expenses incurred as a direct result of the crime, not to exceed twelve thousand eight hundred and eighteen dollars (\$12,818). The board shall not create or comply with a regulation or policy that mandates a lower maximum potential amount of an award pursuant to this subparagraph for less than twelve thousand eight hundred and eighteen dollars (\$12,818).

(9) When the crime occurs in a residence or inside a vehicle, the board may reimburse any individual who voluntarily, and without anticipation of personal gain, pays or assumes the obligation to pay the reasonable costs to clean the scene of the crime in an amount not to exceed one thousand seven hundred and nine dollars (\$1,709). Services reimbursed pursuant to this subdivision shall be performed by persons registered with the State Department of Public Health as trauma scene waste practitioners in accordance with Chapter 9.5 (commencing with Section 118321) of Part 14 of Division 104 of the Health and Safety Code.

(10) When the crime is a violation of Section 600.2 or 600.5 of the Penal Code, the board may reimburse the expense of veterinary services, replacement costs, or other reasonable expenses, as ordered by the court pursuant to Section 600.2 or 600.5 of the Penal Code, in an amount not to exceed ten thousand dollars (\$10,000).

(11) An award of compensation pursuant to paragraph (5) of subdivision (f) of Section 13955 shall be limited to compensation to provide mental health counseling and shall not limit the eligibility of a victim for an award that the victim may be otherwise entitled to receive under this part. A derivative victim shall not be eligible for compensation under this provision.

(b) The total award to or on behalf of each victim or derivative victim may not exceed thirty-five thousand dollars (\$35,000), except that this award may be increased to an amount not exceeding seventy thousand dollars (\$70,000) if federal funds for that increase are available.

(c) (1) This section shall become inoperative on July 1, 2024, only if General Fund moneys over the multiyear forecasts beginning in the 2024–25 fiscal year are available to support ongoing augmentations and actions, and if an appropriation is made to backfill the Restitution Fund to support the actions in this section. If those conditions are met, this section is repealed January 1, 2025.

(2) The amendments made by the act adding this subdivision shall become operative on January 1, 2023.

SEC. 4.5. Section 13957 of the Government Code is amended to read:

13957. (a) The board may grant for pecuniary loss, when the board determines it will best aid the person seeking compensation, as follows:

(1) Subject to the limitations set forth in Section 13957.2, reimburse the amount of medical or medical-related expenses incurred by the victim for services that were provided by a licensed medical provider, including, but not limited to, eyeglasses, hearing aids, dentures, or any prosthetic device taken, lost, or destroyed during the commission of the crime, or the use of which became necessary as a direct result of the crime.

(2) Subject to the limitations set forth in Section 13957.2, reimburse the amount of outpatient psychiatric, psychological, or other mental health counseling-related expenses incurred by the victim or derivative victim, including peer counseling services provided by a rape crisis center as defined by Section 13837 of the Penal Code, and including family psychiatric, psychological, or mental health counseling for the successful treatment of the victim provided to family members of the victim in the presence of the victim, whether or not the family member relationship existed at the time of the crime, that became necessary as a direct result of the crime, subject to the following conditions:

(A) The following persons may be reimbursed for the expense of their outpatient mental health counseling in an amount not to exceed ten thousand dollars (\$10,000):

(B) The following persons may be reimbursed for the expense of their outpatient mental health counseling in an amount not to exceed five thousand dollars (\$5,000):

(i) A derivative victim not eligible for reimbursement pursuant to subparagraph (A), provided that mental health counseling of a derivative victim described in paragraph (5) of subdivision (c) of Section 13955, shall be reimbursed only if that counseling is necessary for the treatment of the victim.

(ii) A minor who suffers emotional injury as a direct result of witnessing a violent crime and who is not eligible for reimbursement of the costs of outpatient mental health counseling under any other provision of this chapter. To be eligible for reimbursement under this clause, the minor must have been in close proximity to the victim when the minor witnessed the crime.

(C) The board may reimburse a victim or derivative victim for outpatient mental health counseling in excess of that authorized by subparagraph (A) or (B) or for inpatient psychiatric, psychological, or other mental health counseling if the claim is based on dire or exceptional circumstances that require more extensive treatment, as approved by the board.

(D) Expenses for psychiatric, psychological, or other mental health counseling-related services may be reimbursed only if the services were provided by either of the following individuals:

(i) A person who would have been authorized to provide those services pursuant to former Article 1 (commencing with Section 13959) as it read on January 1, 2002.

(ii) A person who is licensed in the state in which the victim lives to provide those services, or who is properly supervised by a person who is licensed in the state in which the victim lives to

(3) Subject to the limitations set forth in Section 13957.5, authorize compensation equal to the loss of income or loss of support, or both, that a victim or derivative victim incurs as a direct result of the victim's or derivative victim's injury or the victim's death. If the qualifying crime is a violation of Section 236.1 of the Penal Code, the board may authorize compensation equal to loss of income or support that a victim incurs as a direct result of the victim's deprivation of liberty during the crime, not to exceed the amount set forth in Section 13957.5. If the victim or derivative victim requests that the board give priority to reimbursement of loss of income or support, the board may not pay medical expenses, or mental health counseling expenses, except upon the request of the victim or derivative victim or after determining that payment of these expenses will not decrease the funds available for payment of loss of income or support.

(7) (A) Authorize a cash payment or reimbursement not to exceed three thousand four hundred and eighteen dollars (\$3,418) to a victim for expenses incurred in relocating, if the expenses are determined by law enforcement to be necessary for the personal safety of the victim or by a mental health treatment provider to be necessary for the emotional well-being of the victim. For purposes of this paragraph, "expenses incurred in relocating" may include the costs of temporary housing for any pets belonging to the victim upon immediate relocation.

(B) The cash payment or reimbursement made under this paragraph shall only be awarded to one claimant per crime giving rise to the relocation. The board may authorize more than one relocation per crime if necessary for the personal safety or emotional well-being of the claimant. However, the total cash payment or reimbursement for all relocations due to the same crime shall not exceed three thousand four hundred and eighteen dollars (\$3,418). For purposes of this paragraph, a claimant is the crime victim, or, if the victim is deceased, a person who resided with the deceased at the time of the crime.

(E) Notwithstanding subparagraphs (A) and (B), the board may increase the cash payment or reimbursement for expenses incurred in relocating to an amount greater than three thousand four hundred and eighteen dollars (\$3,418) if the board finds this amount is appropriate due to the unusual, dire, or exceptional circumstances of a particular claim.

(F) If a security deposit, pet deposit, or both is required for relocation, the board shall be named as the recipient and receive the funds upon expiration of the victim's rental agreement.

(iv) A derivative victim not eligible for reimbursement pursuant to clause (iii), provided that mental health counseling of a derivative victim described in paragraph (5) of subdivision (c) of Section 13955, shall be reimbursed only if that counseling is necessary for the treatment of the victim.

(v) A minor who suffers emotional injury as a direct result of witnessing a violent crime and who is not eligible for reimbursement of the costs of outpatient mental health counseling under any other provision of this chapter. To be eligible for reimbursement under this clause, the minor must have been in close proximity to the victim when the minor witnessed the crime.

SEC. 5.5. Section 13957 is added to the Government Code, to read:

13957. (a) The board may grant for pecuniary loss, when the board determines it will best aid the person seeking compensation, as follows:

(1) Subject to the limitations set forth in Section 13957.2, reimburse the amount of medical or medical-related expenses incurred by the victim for services that were provided by a licensed medical provider, including, but not limited to, eyeglasses, hearing aids, dentures, or any prosthetic device taken, lost, or destroyed during the commission of the crime, or the use of which became necessary as a direct result of the crime.

(2) Subject to the limitations set forth in Section 13957.2, reimburse the amount of psychiatric, psychological, or other mental health counseling-related expenses incurred by the victim or derivative victim, including peer counseling services provided by

a rape crisis center as defined by Section 13837 of the Penal Code, and including family psychiatric, psychological, or mental health counseling for the successful treatment of the victim provided to family members of the victim in the presence of the victim, whether or not the family member relationship existed at the time of the crime, that became necessary as a direct result of the crime, subject to the following conditions:

(A) The following persons may be reimbursed for the expense of their outpatient mental health counseling:

(i) A victim.

(ii) A derivative victim who is the surviving parent, grandparent, sibling, child, grandchild, spouse, or fiancé of a victim of a crime that directly resulted in the death of the victim.

(iii) A derivative victim, as described in paragraphs (1) to (4), inclusive, of subdivision (c) of Section 13955, who is the primary caretaker of a minor victim whose claim is not denied or reduced pursuant to Section 13956 for not more than two derivative victims.

(iv) A derivative victim not eligible for reimbursement pursuant to clause (iii), provided that mental health counseling of a derivative victim described in paragraph (5) of subdivision (c) of Section 13955, shall be reimbursed only if that counseling is necessary for the treatment of the victim.

(v) A minor who suffers emotional injury as a direct result of witnessing a violent crime and who is not eligible for reimbursement of the costs of outpatient mental health counseling under any other provision of this chapter. To be eligible for reimbursement under this clause, the minor must have been in close proximity to the victim when the minor witnessed the crime.

(B) The board may reimburse a victim or derivative victim for inpatient psychiatric, psychological, or other mental health counseling if the claim is based on dire or exceptional circumstances that require more extensive treatment, as approved by the board.

(C) Expenses for psychiatric, psychological, or other mental health counseling-related services may be reimbursed only if the services were provided by either of the following individuals:

(i) A person who would have been authorized to provide those services pursuant to former Article 1 (commencing with Section 13959) as it read on January 1, 2002.

(ii) A person who is licensed in the state in which the victim lives to provide those services, or who is properly supervised by a person who is licensed in the state in which the victim lives to provide those services, subject to the board's approval and subject to the limitations and restrictions the board may impose.

(3) Subject to the limitations set forth in Section 13957.5, authorize compensation equal to the loss of income or loss of support, or both, that a victim or derivative victim incurs as a direct result of the victim's or derivative victim's injury or the victim's death. If the qualifying crime is a violation of Section 236.1 of the Penal Code, the board may authorize compensation equal to loss of income or support that a victim incurs as a direct result of the victim's deprivation of liberty during the crime, not to exceed the amount set forth in Section 13957.5. If the victim or derivative victim requests that the board give priority to reimbursement of loss of income or support, the board may not pay medical expenses, or mental health counseling expenses, except upon the request of the victim or derivative victim or after determining that payment of these expenses will not decrease the funds available for payment of loss of income or support.

(4) Authorize a cash payment to or on behalf of the victim for job retraining or similar employment-oriented services.

(5) Reimburse the expense of installing or increasing residential security, not to exceed one thousand dollars (\$1,000). Installing or increasing residential security may include, but need not be limited to, both of the following:

(A) Home security device or system.

(B) Replacing or increasing the number of locks.

(6) Reimburse the expense of renovating or retrofitting a victim's residence, or the expense of modifying or purchasing a vehicle, to make the residence or the vehicle accessible or operational by a victim upon verification that the expense is medically necessary for a victim who is permanently disabled as a direct result of the crime, whether the disability is partial or total.

(7) (A) Authorize a cash payment or reimbursement not to exceed seven thousand five hundred dollars (\$7,500) to a victim for expenses incurred in relocating, if the expenses are determined by law enforcement to be necessary for the personal safety of the victim or by a mental health treatment provider to be necessary for the emotional well-being of the victim. For purposes of this

paragraph, “expenses incurred in relocating” may include the costs of temporary housing for any pets belonging to the victim upon immediate relocation.

(B) The cash payment or reimbursement made under this paragraph shall only be awarded to one claimant per crime giving rise to the relocation. The board may authorize more than one relocation per crime if necessary for the personal safety or emotional well-being of the claimant. However, the total cash payment or reimbursement for all relocations due to the same crime shall not exceed seven thousand five hundred dollars (\$7,500). For purposes of this paragraph, a claimant is the crime victim, or, if the victim is deceased, a person who resided with the deceased at the time of the crime.

(C) The board may, under compelling circumstances, award a second cash payment or reimbursement to a victim for another crime if both of the following conditions are met:

(i) The crime occurs more than three years from the date of the crime giving rise to the initial relocation cash payment or reimbursement.

(2) If any distribution under this subdivision is delinquent, the Administrative Office of the Courts shall add a penalty to the distribution as specified in subdivision (i).

(d) Within 45 calendar days after the end of the month in which the fees and fines listed in subdivision (a) are collected, the amounts remaining after the distributions in subdivision (c) shall be transmitted to the State Treasury for deposit in the Trial Court Trust Fund and other funds as required by law. This remittance shall be accompanied by a remittance advice identifying the collection month and the appropriate account in the Trial Court Trust Fund or other fund to which it is to be deposited. Upon the receipt of any delinquent payment required under this subdivision, the Controller shall calculate a penalty as provided under subdivision (i).

(e) From the money transmitted to the State Treasury under subdivision (d), the Controller shall make deposits as follows:

(5) The remainder of the money shall be deposited into the Trial Court Trust Fund.

(g) If any of the fees provided in subdivision (a) are partially waived by court order or otherwise reduced, and the fee is to be divided between the Trial Court Trust Fund and any other fund or account, the amount of the reduction shall be deducted from the amount to be distributed to each fund in the same proportion as the amount of each distribution bears to the total amount of the fee. If the fee is paid by installment payments, the amount distributed to each fund or account from each installment shall bear the same proportion to the installment payment as the full distribution to that fund or account does to the full fee. If a court collects a fee that was incurred before January 1, 2006, under a provision that was the predecessor to one of the paragraphs contained in subdivision (a), the fee may be deposited as if it were collected under the paragraph of subdivision (a) that corresponds to the predecessor of that paragraph and distributed in prorated amounts to each fund or account to which the fee in subdivision (a) must be distributed.

The penalty shall be paid from the Trial Court Trust Fund. Penalties on delinquent payments under subdivision (d) shall be calculated only on the amounts to be distributed to the Trial Court Trust Fund and the State Court Facilities Construction Fund, and each penalty shall be distributed proportionately to the funds to which the delinquent payment was to be distributed.

(j) If a delinquent payment under subdivision (c) or (d) results from a delinquency by a superior court under subdivision (b), the

court shall reimburse the Trial Court Trust Fund for the amount of the penalty. Notwithstanding Section 77009, any penalty on a delinquent payment that a court is required to reimburse pursuant to this section shall be paid from the court operations fund for that court. The penalty shall be paid by the court to the Trial Court Trust Fund no later than 45 days after the end of the month in which the penalty was calculated. If the penalty is not paid within the specified time, the Administrative Office of the Courts may reduce the amount of a subsequent monthly allocation to the court by the amount of the penalty on the delinquent payment.

(k) If a delinquent payment under subdivision (c) or (d) results from a delinquency by a county in transmitting fees and fines listed in subdivision (a) to the bank account established for this purpose, as described in subdivision (b), the county shall reimburse the Trial Court Trust Fund for the amount of the penalty. The penalty shall be paid by the county to the Trial Court Trust Fund no later than 45 days after the end of the month in which the penalty was calculated.

(b) (1) The defendant may file a petition for relief with the court in the county where the defendant was sentenced. The court shall provide a copy of the petition to the secretary, or, in the case of a county incarcerated individual hand crew member, the appropriate county authority.

(2) The relief available pursuant to this section shall not be granted if the defendant is currently charged with the commission of any other offense.

(3) The defendant may make the application and change of plea in person or by attorney.

(d) Relief granted pursuant to this section is subject to the following conditions:

(1) In any subsequent prosecution of the defendant for any other offense, the prior conviction may be pleaded and proved and shall

have the same effect as if the accusation or information had not been dismissed.

These protective orders shall remain in full effect until expiration or until any further order by the court modifying or terminating the order, despite the dismissal of the underlying accusation or information.

(e) (1) Relief shall not be granted under this section unless the prosecuting attorney has been given 15 days' notice of the petition for relief.

(2) It shall be presumed that the prosecuting attorney has received notice if proof of service is filed with the court.

(f) If, after receiving notice pursuant to subdivision (e), the prosecuting attorney fails to appear and object to a petition for dismissal, the prosecuting attorney may not move to set aside or otherwise appeal the grant of that petition.

The division shall provide contact information for the committing court, juvenile counsel of record, and related probation department for all patients in the custody of the State Department of State Hospitals upon enactment of this section and any youth placed at the State Department of State Hospitals prior to closure of the division.
