Re: Baird, et ano v. Becerra
Case No. 2:19-CV-00617-KJM-AC

Dear Judge Mueller,

I represent the plaintiffs in the above-referenced matter. I write to request the opportunity to file an Amended Memorandum of Points and Authorities in connection with the plaintiffs' recently filed Motion for a Preliminary Injunction.

The reason for the request is to comply with Your Honor's twenty (20) page limit on moving papers, which was exceeded by the initial memorandum filed. Counsel for defendant Matthew Wise, has graciously provided his consent to the within request based on our conversations earlier today.

Should the Court grant this request, an Amended Memorandum of Points and Authorities limited to twenty (20) pages shall be filed forthwith.

Thank you for Your Honor's consideration in this matter.

Respectfully,

Amy L. Bellantoni
