Case No. 2:19-cv-00617-KJM-AC

**DECLARATION OF
MARK BAIRD
IN SUPPORT OF SECOND MOTION
FOR PRELIMINARY INJUNCTION**

Date: June 18, 2021

Time: 10:00 a.m.

Room: 3

Judge: Hon. Kimberly J. Mueller

DECLARATION OF MARK BAIRD

1
2 1. I, Mark Baird, am a plaintiff in the above-captioned matter. I submit this
3 Declaration in support of the plaintiffs’ motion for a preliminary injunction to enjoin defendant
4 Becerra and California Penal Codes §§ 26150, 26155, 26350 and 25850. I make this declaration
5 of my own personal knowledge and, if called as a witness, I could and would testify competently
6 to the truth of the matters set forth herein.
7

8 2. I am over the age of 18 and a resident of Siskiyou County, located in the Eastern
9 District of California. I have no prohibitors to the possession or purchase of firearms under state
10 or federal law.

11 3. Siskiyou County has a population of less than 200,000 people. As a resident of
12 Siskiyou County, I am eligible to apply for an open carry firearm license under California’s
13 statutory firearms licensing scheme. See, Penal Codes §§ 26150 and 26155.
14

15 4. I possess firearms in my home for self-defense, for which no license is required in
16 the State of California.

17 5. I do not hold a license to carry a firearm in California and I do not fall within any
18 of the exemptions to those sections of the California Penal Code that criminalize the possession of
19 firearms, whether loaded or unloaded, under Penal Codes §§ 26350 and 25850.
20

21 6. It is my intention to carry a firearm exposed and on my person for self-defense
22 outside of my home, loaded or unloaded, throughout Siskiyou County and the State of California
23 [excluding sensitive places such as schools and government buildings], which will subject me to
24 criminal penalties including incarceration and fines under Penal Codes §§ 26350, 25850.

25 7. I intend to exercise my right to open carry with or without an open carry license,
26 which will subject me to criminal penalties including incarceration and fines under Penal Codes
27 §§ 26350, 25850.
28

1 8. I possess a preexisting fundamental right to keep and bear arms as protected by the
2 Second Amendment, which includes the right to carry a handgun in public for all lawful purposes,
3 including self-protection. As such, the government cannot infringe – encroach upon – my right to
4 bear arms through the open carriage of a firearm in public for self-protection.

5 9. California Penal Codes §§ 26150 and 26155 are part of a discretionary licensing
6 scheme that allows the denial of an application to carry a handgun in public even where the
7 applicant meets all other statutory requirements.

8 10. The “may issue” language of §§ 26150 and 26155 violates the Second Amendment
9 because, by giving the licensing authority discretion to grant or deny the application, the statutes
10 reduce the preexisting “right” to bear arms to a mere “privilege”.
11

12 11. I am being denied the right to carry a handgun in public for self-protection by,
13 *inter alia*, the “may issue” language of §§ 26150 and 26155.
14

15 12. California Penal Codes §§ 26150 and 26155 require an applicant for an open carry
16 license to establish “good cause” as a condition precedent to the issuance of an open carry license.

17 13. Requiring me to demonstrate a reason for bearing arms as a condition precedent to
18 exercising my right to carry a handgun in public, whether open or concealed, violates a
19 preexisting right protected by the Second Amendment.
20

21 14. Under Penal Codes §§ 26150 and 26155, an open carry license can only be issued
22 in counties having a population under 200,000. Residents of such counties may only apply for an
23 open carry license in their county of residence and, if an open carry license were to be issued, it
24 would only be valid in the county of issuance.

25 15. Because an open carry license is only valid in the county of issuance, a licensee
26 who seeks to carry a handgun open and exposed in any other county in California must choose
27 between exercising the preexisting right to self-defense in public and being subject to criminal
28

1 prosecution under Penal Codes §§ 25850 and 26350.

2 16. Carrying a handgun in public open and exposed without a license, whether loaded
3 or unloaded, is a criminal offense subject to penalties including fines and incarceration. Penal
4 Codes §§ 26350 and 25850.

5
6 17. My right to bear arms for self-defense in public is indelibly attached to me
7 everywhere I travel, including every county in the State of California.

8 18. On more than one occasion, I have applied to the Siskiyou County Sheriff's Office
9 for an open carry license; each request has been denied. I was informed by the Siskiyou Sheriff's
10 Office that it will not issue open carry licenses notwithstanding the statutory provisions of
11 §§ 26150 and 26155.

12 19. In every county in California having a population under 200,000, even where an
13 individual has met the criteria for the issuance of an open carry license, the sheriff of such county
14 has discretion to deny the application because of the "may issue" language of Penal Codes
15 §§ 26150 and 26155.

16
17 20. I meet every statutory requirement for the issuance of an open carry license under
18 the California Penal Code. If the language of §§ 26150 and 26155 read "shall issue", instead of
19 "may issue", the Sheriff of Siskiyou County would be required to issue an open carry license to
20 me and all Siskiyou County residents who are not prohibited from possessing firearms under state
21 or federal law and applied for such a license.

22
23 21. Because of the "may issue" language of §§ 26150 and 26155 and defendant
24 Becerra's enforcement of such statutes, my Second Amendment rights and the rights of otherwise
25 eligible citizens of California continue to be violated on a daily basis.

26 22. There is no administrative appeal process available for challenging the denial of
27 my applications for an open carry license by the Siskiyou County Sheriff's Office.
28

1 23. Even if there were an available administrative appeal process to challenge the
2 denial of my applications for an open carry license, such ‘process’ would be futile.

3 24. The public website of the Siskiyou County Sheriff’s Office only provides
4 information related to applications for a concealed carry license/“CCW”.¹ The Siskiyou Sheriff’s
5 handgun licensing procedure has no option for applying for an open carry license. All
6 publications, forms, and applications provided by the Siskiyou County Sheriff for obtaining a
7 firearm carry license relate solely to CCW licenses. (See attached).
8

9 25. The Livescan Fingerprinting Form used by the Siskiyou Sheriff is created by the
10 California DOJ. The Livescan Form contains a section to be completed by the applicant entitled,
11 “Authorized Applicant Type”; this section is pre-populated [by the Sheriff or DOJ] to read
12 “STANDARD CCW”. In either scenario, both governmental entities conceal the option to apply
13 for an open carry license from the public. (See attached).
14

15 26. The application for a carry license provided by the Siskiyou Sheriff, created by the
16 DOJ, is entitled, “Standard Initial and Renewal Application for License to Carry a Concealed
17 Weapon”. (See attached DOJ CCW Application). Under the section, “Format of CCW License”,
18 the DOJ form confusingly indicates that a ‘concealed carry weapon license’ to carry ‘loaded and
19 exposed’ is available to applicants living in a county having less than 200,000 people. An open
20 carry license is not a ‘type’ of concealed carry license. The DOJ application itself is titled as an
21 application “For License to Carry a *Concealed* Weapon”. An application to carry a concealed
22 weapon is not, by definition, an application to carry a weapon exposed. No section of the DOJ
23 CCW application allows the applicant to select “open carry” as an option.
24

25 27. It also bears mentioning that the revision date of the DOJ CCW License
26 application, administered by the Siskiyou County Sheriff’s Office, is November 2012 – the year
27

28 ¹ <https://www.co.siskiyou.ca.us/sheriff>; <https://www.co.siskiyou.ca.us/sheriff/page/concealed-carry-weapon-permits-ccw>

1 that Penal Code § 26350 was implemented criminalizing the open carriage of unloaded firearms.

2 28. Neither the Siskiyou County Sheriff’s Office nor the DOJ provide an application
3 or a procedure for the public to apply for an open carry license.

4 29. Penal Code § 26160 provides, “Each Licensing Authority shall publish and make
5 available a written policy summarizing the provisions of Section 26150, and subdivisions of
6 Section 26155.” Consistent with Penal Code § 26160, Siskiyou Sheriff Policy No. 218 mentions
7 the open carry license only in the context of its automatic revocation where a licensee changes
8 residency to another county, yet no open carry licenses are issued. (Policy 218 at 218.6.3(e)).

9 30. Upon information and belief, the sheriffs in this state are acting at the direction of,
10 and/or with the knowledge and approval of, defendant Becerra to continue the ban on the open
11 carriage of handguns in this State.

12 31. If the language of California’s licensing scheme provided that the sheriffs “shall
13 issue” an open carry license to non-prohibited people who apply for an open carry license, the
14 Siskiyou County Sheriff would be required by law to issue me an open carry license.

15 32. I would apply for an open carry license in a county other than Siskiyou County,
16 but am prohibited from doing so by California Penal Codes §§ 26150 and 26155, which require
17 applications for an open carry license be made in the applicant’s county of residence. I do not
18 have a residence in any other county and am therefore ineligible under § 26150 and/or § 26155 to
19 apply for an open carry license in any other county in California.

20 33. Even if I were issued an open carry license by the Sheriff of Siskiyou County,
21 § 26150 renders open carry licenses invalid outside of the county of issuance; carrying a handgun
22 open and exposed outside of Siskiyou County – even with a license - would subject me to
23 criminal penalties, including incarceration, under §§ 25850 and 26350.

1 34. It is my intention to exercise my Second Amendment right to bear arms in public
2 within Siskiyou County and throughout the State of California, with or without an open carry
3 license, as I have no state or federal prohibitors to the possession of firearms, I have completed
4 the requisite training under the statutes, and the public carriage of firearms is a fundamental right
5 protected by the Second Amendment.
6

7 35. By carrying a firearm open and exposed for self-protection without an open carry
8 license, whether within or outside of Siskiyou County, I will be subjected to criminal penalties
9 including incarceration and fines under §§ 25850, 26350.

10 36. Abandoning my right to bear arms in public, whether within or outside of Siskiyou
11 County, leaves me unprotected and vulnerable to violent criminals. I should not be forced to
12 choose between exercising my preexisting right to bear arms for self-protection in public and
13 facing criminal penalties including incarceration.
14

15 37. My right to bear arms in public throughout the State of California has been, and
16 continues to be, infringed and violated by Penal Codes §§ 26150, 26350 and 25850 and defendant
17 Becerra, who enforces and directs the enforcement of such statutes and unconstitutional policies.

18 38. Penal Law § 26175 prohibits the licensing authorities, including the Siskiyou
19 County Sheriff, from creating or offering an application for an open carry license that was not
20 created by the California DOJ.
21

22 39. Neither the sheriffs of this state nor the DOJ offer an option for California
23 residents to apply for an open carry license. The only license California residents may apply for is
24 a CCW license.

25 40. Those sheriff offices and police agencies that do not utilize a paper application
26 direct their county's applicants to an on-line application portal. The on-line application portal is
27 provided by and/or connected to defendant Becerra's DOJ. The DOJ's on-line application portal
28

1 contains no option or procedure to apply for an open carry license. The only carry license
2 available by the DOJ is the CCW license, which is subject to the same discretionary and
3 subjective “moral character”, “good cause”, and “may issue” restrictions of §§ 26150 and 26155.

4 41. I have reviewed the websites of the 58 sheriff offices in the State of California.
5 Some of the sheriff websites do not even mention firearm licensing on their home page.² The San
6 Francisco, Colusa, and Alpine County Sheriff Offices home pages have no reference to carry
7 permits at all. The remaining websites mention CCW licenses only; none of the sheriff websites
8 mention an option to apply for an open carry license, including those counties with less than
9 200,000 population.
10

11 42. None of the sheriff’s websites contained the required verbatim text of §§ 26150 or
12 26155 in a readily accessible manner to inform the public of the manner of applying for an open
13 carry license, as required by § 26160. Even a cursory summary required by § 26160 would
14 articulate to the public the two carry options under §§ 26150 and 26155 to enable the public to
15 make an informed choice as to which type of public carry best suits their needs, i.e., open carry or
16 concealed carry.
17

18 43. From the totality of the circumstances presented, the government’s intention is to
19 eliminate the concept of open carry from the public domain to exercise complete control over the
20 public’s ability to carry a firearm for self-defense. In the absence of an open carry license, the
21 government has unfettered control over all carry licensing.
22

23 44. Even if the open carry license were available in certain counties, to exercise the
24 right to open carry, one would have to apply in each and every jurisdiction, live in all those

1 jurisdictions simultaneously, and sprout wings to get from one county to another in order to avoid
2 being arrested in the counties in the middle.

3 45. The majority of the 58 sheriff's offices in this state provide a link on their website
4 to an electronic portal for processing CCW applications, which does not provide an option to
5 apply for an open carry license.
6

7 46. The Nevada County Sheriff Office website confirms the nexus between the
8 sheriffs and defendant Becerra's control over the licensing processes through the State's sheriff's
9 offices:

10
11 "California Department of Justice - Use this link to access the
12 application process for CCW licenses."

13 See, <https://www.mynevadacounty.com/184/Concealed-Weapon-Permits-CCW-License-to->

14 47. The California DOJ link provided by the Nevada County Sheriff website brings
15 the applicant to the DOJ-created and DOJ-enforced uniform handgun application portal for
16 applying for a CCW license. (See, <https://nevadaca.permitium.com/ccw/start>). The DOJ provides
17 no option to apply for an open carry license either through DOJ's electronic portal or through the
18 California sheriff's offices where a hard-copy application is available.

19 48. By controlling the process and procedure for applying for a carry license,
20 defendant Becerra has eliminated the option of open carry throughout the state of California.
21

22 49. The California Department of Justice website does not provide the public or the
23 various sheriffs and police chiefs in the state with a form application for an open carry license. I
24 have conducted a search of the DOJ websites and have found no reference, applications, or forms
25 regarding open carry licenses with the exception of Bureau of Security and Investigative Services
26 ("BSIS") permits for security guards and alarm agents, which reference terms of employment.
27

1 50. No DOJ form readily accessible to the public references an option to apply for an
2 open carry license.

3 51. California Penal Code § 26225 requires that a copy of all firearms licenses issued
4 in each county (open carry and concealed carry) be “filed immediately” with the DOJ.

5 52. I am informed by the California Department of Justice that, since the passage of
6 Penal Code § 26350 in January 2012 criminalizing the open carriage of unloaded handguns in
7 public, their records reflect that no open carry licenses have been issued in the State of California.
8

9 53. Even if I were not statutorily precluded from applying for an open carry license in
10 another county in California, such an application would be futile because, according to the
11 official records of the DOJ, no open carry licenses have been issued in the State of California
12 since 2012.

13 54. Because of the “may issue” provisions, the “good cause” requirements, and the
14 geographical restrictions related to open carry licenses under of § 26150, and the risk of criminal
15 prosecution under Penal Codes §§ 26350 and 25850 by exercising my preexisting individual right
16 to bear arms, I am irreparably harmed by the ongoing deprivation of the right to open carry,
17 loaded or unloaded, throughout the State of California.
18

19 55. Defendant Becerra’s *de facto* elimination of the right to open carry is contrary to
20 the plain language of the statutes.
21

22 56. Defendant Becerra’s *de facto* elimination of the right to open carry is borne out
23 through the DOJ’s licensing applications, both hard copy and electronic portal applications,
24 which only permit the filing of applications for concealed carry/CCW licenses as carried out
25 through the licensing authorities in the state.

26 57. Based on the above, I continue to suffer irreparable harm by the ongoing
27 deprivation of my preexisting individual right to bear arms, the exercise of which would subject
28

1 me to criminal prosecution under Penal Codes §§ 26350 and 25850.

2 58. Based on the continuing violation of my right to bear arms in public under the
3 Second Amendment, I am requesting that the enforcement of Penal Codes §§ 26350 and 25850
4 against individuals carrying a handgun open and exposed in public throughout the State of
5 California be enjoined for the pendency of this matter.
6

7 59. Based on the continuing violation of my right to bear arms in public under the
8 Second Amendment, I am requesting that defendant Becerra be ordered to issue standard
9 application forms and procedure to the licensing authorities in this State for use by the public to
10 apply for an open carry license under §§ 26150 and 26155, consistent with the statutes and the
11 obligations of his office.
12

13 60. Based on the continuing violation of my right to bear arms in public under the
14 Second Amendment, I am requesting that the “may issue” language of Penal Codes §§ 26150 and
15 26155 pertaining to the issuance of an open carry license be enjoined for the pendency of this
16 matter.
17

18 61. Based on the continuing violation of my right to bear arms in public under the
19 Second Amendment, I am requesting that the “good cause” language of Penal Codes §§ 26150
20 and 26155 pertaining to the issuance of an open carry license be enjoined for the pendency of this
21 matter.
22

23 62. Based on the continuing violation of my right to bear arms in public under the
24 Second Amendment, I am requesting that the geographical restrictions for the validity of an open
25 carry handgun license issued under Penal Codes §§ 26150 and 26155 be enjoined for the
26
27
28

prosecution under Penal Codes §§ 26150 and 26155 and the direct elimination of my preexisting individual right to bear arms, I am irreparably harmed by the ongoing deprivation of the right to open carry, loaded or unloaded, throughout the State of California.

55. Defendant Becerra's de facto elimination of the right to open carry is contrary to the plain language of the statutes.

56. Defendant Becerra's de facto elimination of the right to open carry is borne out through the DOJ's licensing applications, both hard copy and electronic portal applications, which only permit the filing of applications for concealed carry/CCW licenses as outlined through the licensing authorities in the state.

57. Based on the above, I continue to suffer irreparable harm by the ongoing deprivation of my preexisting individual right to bear arms, the exercise of which would subject me to criminal prosecution under Penal Codes §§ 26150 and 26155.

58. Based on the continuing violation of my right to bear arms in public under the Second Amendment, I am requesting that the enforcement of Penal Codes §§ 26150 and 26155 against individuals carrying a handgun open and exposed to public throughout the State of California be enjoined for the pendency of this matter.

59. Based on the continuing violation of my right to bear arms in public under the Second Amendment, I am requesting that defendant Becerra be ordered to issue standard application forms and procedure to the licensing authorities in this State for use by the public to apply for an open carry license under § 26150 and 26155, consistent with the statutes and the obligations of his office.

60. Based on the continuing violation of my right to bear arms in public under the Second Amendment, I am requesting that the "may issue" language of Penal Codes §§ 26150 and 26155 pertaining to the issuance of an open carry license be enjoined for the pendency of this matter.

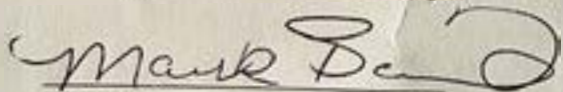

61. Based on the continuing violation of my right to bear arms in public under the Second Amendment, I am requesting that the "good cause" language of Penal Codes §§ 26150 and 26155 pertaining to the issuance of an open carry license be enjoined for the pendency of this matter.

62. Based on the continuing violation of my right to bear arms in public under the Second Amendment, I am requesting that the geographical restrictions for the validity of an open carry handgun license issued under Penal Codes §§ 26150 and 26155 be enjoined for the

pendency of this matter.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Completing the Application

Answering all the questions on this standard application does not guarantee the issuance of a CCW license. The determination whether to issue the license is at the discretion of the licensing authority. Pursuant to Penal Code section 26160, each licensing authority, in addition to using the state standard application form, will have a written policy summarizing what they require. Prior to issuing a CCW license, the statutes require proof that:

- The applicant is of good moral character;
- Good cause exists to issue the CCW license;
- The applicant meets residence requirements; and
- The course of training prescribed by the licensing authority has been completed.

The application on the following pages sets forth standardized questions to be used by the CCW licensing authority to determine whether a CCW license shall be issued. The applicant shall not be required to complete any additional application or form for a CCW license, or to provide any information other than that necessary to complete this standard application form except to clarify or interpret information provided herein. (Pen. Code, § 26175, subd. (g).)

The applicant will certify under penalty of perjury that all answers provided are true and correct to the best of their knowledge and belief. The applicant will also acknowledge that information disclosed on this application may be subject to public disclosure.

Important Instructions

1. Complete, read, and sign Sections 1 through 5, as directed. Use additional pages if more space is required.
2. Sections 6, 7, and 8 must be completed in the presence of an official of the licensing agency.
3. Review Section 7 and be prepared to answer these questions orally. Do not write anything in Section 7 unless specifically directed to do so by the licensing agency.

Section 4 - CCW License Conditions and Restrictions

The licensee is responsible for all liability for, injury to, or death of any person, or damage to any property which may result through any act or omission of either the licensee or the agency that issued the license. In the event any claim, suit, or action is brought against the agency that issued the license, its chief officer or any of its employees, by reason of, or in connection with any such act or omission, the licensee shall defend, indemnify, and hold harmless the agency that issued the license, its chief officer or any of its employees from such claim, suit, or action.

The licensee authorizes the licensing agency to investigate, as they deem necessary, the licensee's record and character to ascertain any and all information which may concern his/her qualifications and justification to be issued a license to carry a concealed weapon and release said agency of any and all liability arising out of such investigation.

While exercising the privileges granted to the licensee under the terms of this license, the licensee shall not, when carrying a concealed weapon:

- Consume any alcoholic beverage.
- Be in a place having a primary purpose of dispensing alcoholic beverages for on-site consumption.
- Be under the influence of any medication or drug, whether prescribed or not.
- Refuse to show the license or surrender the concealed weapon to any peace officer upon demand.
- Impede any peace officer in the performance of his/her duties.
- Present himself/herself as a peace officer to any person unless he/she is, in fact, a peace officer as defined by California law.
- Unjustifiably display a concealed weapon.
- Carry a concealed weapon not listed on the permit.
- Carry a concealed weapon at times or circumstances other than those specified in the permit.

Title 49, section 46505 of the United States Code states that a license to carry a concealed weapon does not authorize a person to carry a firearm, tear gas, or any dangerous weapon aboard commercial airlines. Further, a person must declare that he/she is carrying such firearm, tear gas, or any dangerous weapon BEFORE entering the boarding area of an air terminal where the security checks are made. Such violation can result in arrest by law enforcement.

Any violation of these restrictions or conditions may invalidate the CCW license and may void any further use of the license until reinstated by the licensing authority. Any arrest for a felony or serious misdemeanor, including driving under the influence of alcohol and/or drugs, is cause for invalidating the license.

Section 5 - Applicable California Penal Code Sections

The following Penal Code sections are of special importance to the holder of a CCW license regarding the use, carrying, and storage of firearms:

Penal Code section 26180 - False Statement on Application Form

- (a) Any person who files an application required by Section 26175 knowing that statements contained therein are false is guilty of a misdemeanor.
- (b) Any person who knowingly makes a false statement on the application regarding any of the following is guilty of a felony.
 - (1) The denial or revocation of a license, or the denial of an amendment to a license, issued pursuant to this article.
 - (2) A criminal conviction.
 - (3) A finding of not guilty by reason of insanity.
 - (4) The use of a controlled substance.
 - (5) A dishonorable discharge from military service.
 - (6) A commitment to a mental institution.
 - (7) A renunciation of United States citizenship.

Penal Code section 192 - Manslaughter

Manslaughter is the unlawful killing of a human being without malice.

- (a) Voluntary - upon a sudden quarrel or heat of passion.
- (b) Involuntary - in the commission of an unlawful act, not amounting to a felony; or in the commission of a lawful act which might produce death, in an unlawful manner, or without due caution and circumspection. This subdivision shall not apply to acts committed in the driving of a vehicle.

Penal Code section 197 - Justifiable Homicide; Any Person

Homicide is also justifiable when committed by any person in any of the following cases:

- 1. When resisting any attempt to murder any person, or to commit a felony, or to do some great bodily injury upon any person; or,
- 2. When committed in defense of habitation, property, or person, against one who manifestly intends or endeavors, by violence or surprise, to commit a felony, or against one who manifestly intends and endeavors, in a violent, riotous or tumultuous manner, to enter the habitation of another for the purpose of offering violence to any person therein; or
- 3. When committed in the lawful defense of such person, or of a wife or husband, parent, child, master, mistress or servant of such person, when there is reasonable ground to apprehend a design to commit a felony or to do some great bodily injury, and imminent danger of such design being accomplished; but such person, or the person in whose behalf the defense was made, if he was the assailant or engaged in mutual combat, must really and in good faith have endeavored to decline any further struggle before the homicide was committed; or
- 4. When necessarily committed in attempting, by lawful ways and means, to apprehend any person for any felony committed, or in lawfully suppressing any riot, or in lawfully keeping and preserving the peace.

Penal Code section 198 - Justifiable Homicide; Sufficiency of Fear

A bare fear of the commission of any of the offenses mentioned in subdivisions 2 and 3 of Section 197, to prevent which homicide may be lawfully committed, is not sufficient to justify it. But the circumstances must be sufficient to excite the fears of a reasonable person, and the party killing must have acted under the influence of such fears alone.

Penal Code section 199 - Justifiable and Excusable Homicide; Discharge of Defendant

The homicide appearing to be justifiable or excusable, the person indicted must, upon his trial, be fully acquitted and discharged.

Penal Code section 25100 - Criminal Storage of Firearm

Providing your fingerprints and associated information is voluntary; however, failure to do so may affect completion or approval of your application.

Principal Purpose. Certain determinations, such as employment, licensing, and security clearances, may be predicated on fingerprint-based background checks. Your fingerprints and associated information/biometrics may be provided to the employing, investigating, or otherwise responsible agency, and/or the FBI for the purpose of comparing your fingerprints to other fingerprints in the FBI's Next Generation Identification (NGI) system or its successor systems (including civil, criminal, and latent fingerprint repositories) or other available records of the employing, investigating, or otherwise responsible agency. The FBI may retain your fingerprints and associated information/biometrics in NGI after the completion of this application and, while retained, your fingerprints may continue to be compared against other fingerprints submitted to or retained by NGI.

Routine Uses. During the processing of this application and for as long thereafter as your fingerprints and associated information/biometrics are retained in NGI, your information may be disclosed pursuant to your consent, and may be disclosed without your consent as permitted by the Privacy Act of 1974 and all applicable Routine Uses as may be published at any time in the Federal Register, including the Routine Uses for the NGI system and the FBI's Blanket Routine Uses. Routine uses include, but are not limited to, disclosures to: employing, governmental, or authorized non-governmental agencies responsible for employment, contracting, licensing, security clearances, and other suitability determinations; local, state, tribal, or federal law enforcement agencies; criminal justice agencies; and agencies responsible for national security or public safety.

Noncriminal Justice Applicant's Privacy Rights

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for employment or a license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below.

- You must be provided written notification¹ that your fingerprints will be used to check the criminal history records of the FBI.
- You must be provided, and acknowledge receipt of, an adequate Privacy Act Statement when you submit your fingerprints and associated personal information. This Privacy Act Statement should explain the authority for collecting your information and how your information will be used, retained, and shared.²
- If you have a criminal history record, the officials making a determination of your suitability for the employment, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- The officials must advise you that the procedures for obtaining a change, correction, or update of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on information in the criminal history record.³

You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.⁴

If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <https://www.fbi.gov/services/cjis/identity-history-summary-checks>.

If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.) *You can find additional information on the FBI website at <https://www.fbi.gov/about-us/cjis/background-checks>.*

Professionalism, Respect, Integrity, Dedication, Equality

Sheriff Dave Hencratt

I began my law enforcement career in 1988 and have spent my entire career with the Tehama County Sheriff's Office.

Since taking office on January 3, 2011, we have accomplished everything we set out to accomplish. We have established respectable alternative custody/inmate work programs and an inmate work farm.

I am still proud to be associated with the men and women that make up our organization.

Our people are well trained and well equipped to deal with the always present criminal element of our society.

We are moving forward with a sixty four bed addition to our jail as a result of being promised jail construction funding from the State of California.

We will continue to dedicate our energy and resources to making Tehama County a better place to live and work.
