@TishJames

I'm proud to be a [@MomsDemand](#) Gun Sense Candidate. When I'm Attorney General I'll take on the [@NRA](#) and investigate their status as a non-profit.

Maybe they'll make a new grade for that too.

Shannon Watts @shannonrwatts · Oct 8, 2018

IT'S WORKING: The @NRA has a new grade: Fx

The new rating is "A candidate who requested and received an @Everytown endorsement or a @MomsDemand gun sense distinction."

We've been so effective that the gun lobby is tracking our endorsements and responding to them 🙌🙌🙌

Take on the NAACP and the ACLU while you're at it.

Yes, we should make it illegal for people to join groups that think differently than the progressive leftists. Then we can crack down on them like they do in places like China and N Korea. 🙄 #gunsense

The difference between 501 c 3 and 501c4 is huge. But if the NRA loses its nonprofit status, then so does the Sierra Club. Why not have a tax exempt class for true non profits and a different classification for lobbying groups?
