One week ago, I filed a lawsuit to dissolve the @NRA.

We're sending a loud and clear message that no matter how powerful or influential an organization is, they are not above the law.

How does this affect POC who are registering for gun permits and open carry licenses? Because @realDonaldTrump is about to start a civil war and we need to be prepared!

Another crime. Do you know a good lawyer that can file an injunction? 🤔

Appears Trump and DeJoy are violating at least 2 federal laws: 18 U.S. Code § 1702 (interfering w/mail) & 18 U.S. Code § 595 (interfering w/elections). And the Const., Art. I, Sec. 8 (maintaining USPS).

The Republican Party's bloodless coup and unlawful seizure of the United States government is described in my comment in the NY Times. It describes the dangerous circumstances that Americans face if we do not remove the Republican Party from all levels of the federal government.
