The tragedy that took place in Jacksonville yesterday is a stark reminder that we must take real action.

This isn't hypothetical. Real lives are being lost. Real people are being murdered.

Our leaders could take steps to prevent shootings -- but don't. #EnoughIsEnough

@TishJames

Our next Attorney General must be decisive & uncompromising in her efforts to end gun violence.

I will go toe-to-toe with the @NRA, create a new coalition to fight gun trafficking, & hold gun makers accountable.

I'll take real action to save lives -- and I will never waver.
