RE: Notice of Non-renewal of Agreement # HT-NRA-001

Dear Lisa,

In September of 2014, the NRA contracted with HomeTelos (HT Solutions) to develop and then support our NRA Outdoors Outfitters affinity program. My thanks to you and the team members who worked with us throughout the development, implementation, and support phases – their contributions led to the successful application that we have today.

As we look ahead, evaluating both our current and projected future requirements, we have decided not to renew the current Agreement when it expires on September 01, 2017.

With the expiration of the current Agreement, we would be interested in an alternative support arrangement. Please let me know when you, or your designee, would be available to discuss our options.

Best regards,
