**NOTICE OF THE FILING OF A NOTICE OF APPEAL**

Re: *Federal Firearms Licensees of Illinois v. Pritzker et al.*  
3:23-cv-00215-SPM

A Notice of Appeal has been filed in the above-captioned case.

You should consult the Federal Rules of Appellate Procedure and the Circuit Rules of the United States Court of Appeals for the Seventh Circuit concerning the record on appeal, the appeal fee, the docketing statement, and other procedural requirements for perfecting the appeal.

Circuit Rule 10(a) provides that the entire record (except for certain pleadings listed in the rule) be forwarded to the Court of Appeals. If any of the automatically excluded items need to be included in the record, the appellant has 14 days from the filing of the notice of appeal to inform the district court clerk by specifying which items are required and the date on which they were filed. Please respond by e-filing or by mail (if pro se) to the office location listed above.

Counsel must ensure that exhibits to be included in the record which are not in the possession of the district court are furnished to the clerk of the district court within 14 days after the notice of appeal is filed.

Federal Rule of Appellate Procedure 10(b) requires that within 14 days of the filing of the notice of appeal, the appellant must order from the court reporter a transcript of the parts of the proceedings not already on file which are necessary for the record. If the appellant orders less than the entire transcript, the appellant must file and

serve on the appellee a description of the parts ordered. When this is done, the appellee has 14 days after service within which to order any additional parts of the transcript. A blank "Seventh Circuit Transcript Information Sheet" is attached. This form should be electronically filed in the district court case when ordering transcripts or certifying that none will be ordered.

Very truly yours,

Deputy Clerk
