BAR Semi-Auto Rifles

A 100 year history of military and sporting superiority.

Few hunting rifles in history have achieved the status of the Browning BAR. And no other *autoloaders* have even come close. The line covers a wide range of tastes from the original styling of the BAR Safari, to the working rifle look of the Statker version to the feature packed Short and Long Trac versions with modern aesthetics and handling features.

READ A BRIEF HISTORY OF THE BAR RIFLE, FROM THE CREATION OF THE MILITARY VERSION TO TODAY. (/news/articles/historical/bar-rifle-history.html)
