RE: 23-cv-2791-MAB

Dear Attorney Lothson:

You are listed as an attorney of record in this case, but you are not admitted to practice in the Southern District of Illinois, you are *pro hac vice* in case 23-209-SPM which is only valid to file I in that specific case. If you do not immediately seek admission (either by filing a motion to appear *pro hac vice* or to be admitted generally) and obtain a CM/ECF login and password, ***you will not receive any pleadings filed in this case***, including orders, notices of hearings, and other important documents. Participation in CM/ECF is mandatory; all documents must be filed electronically.

The requirements for admission can be found in Local Rule 83.1(a).

In order to avoid delays in the application review process, please refer to the following instructions.

Admission information and forms are available on our website at www.ilsd.uscourts.gov/AttyAdmission.aspx. The CM/ECF User's Manual and the Electronic Filing Rules are also available on the website.

Very truly yours,

s/ K. Williams
Deputy Clerk
