NOTICE OF ERRATA

This notice of errata is filed to correct the following errors in Appellants' Reply Brief (Dkt. 28), filed December 1, 2023:

1. On page 1, the third paragraph of the Introduction is missing two words. The sentence should read: Aside from introducing argument and evidence that was not considered by the district court below and improperly injecting factual disputes into this appeal of Rule 12 dismissal of Appellants' claims, the State's responsive brief does little to rebut **Appellants' arguments**.

2. Due to the addition of the two missing words, Form 8, Certificate of Compliance for Briefs, should state that the brief contains 6,998 words instead of 6,996.
