1 A court shall take judicial notice of such a fact if requested by a party and  
2 supplied with the necessary information. *See* Fed. R. Evid. 201(d). Judicial notice  
3 of Exhibits A through K is proper because the documents for which this request is  
4 made are “capable of accurate and ready determination by resort to sources who  
5 accuracy cannot reasonably be questioned.” Fed. R. Evid. 201(b)(2). Indeed, “[a]  
6 trial court may presume that public records are authentic and trustworthy.”  
7 *Gilbrook v. City of Westminster*, 177 F.3d 839, 858 (9th Cir. 1999) (taking judicial  
8 notice of agency report).

9 Most of these exhibits are either directly from government websites, or the  
10 websites of contractors working with those governments to handle CCW permit  
11 application processing. “[A] court can take judicial notice of a government's  
12 website.” *EVO Brands, LLC v. Al Khalifa Grp. LLC*, 657 F. Supp. 3d 1312, 1321  
13 (C.D. Cal. 2023), citing *Daniels–Hall v. National Education Association*, 629 F.3d  
14 992, 999 (9th Cir. 2010) (taking judicial notice of information on the websites of  
15 two school districts because they were government entities).

16 Judicial notice of these records is therefore appropriate.

*Gaining competency with firearms is like learning to drive a car or fly an airplane. You need expert instruction and practice. There is no shortcut. If you are not willing to invest the time and effort to become competent, then having a firearm and trying to use it can, in many instances, be more hazardous than any impending threat.*

CCW Information

## Concealed Carry Weapon License Requirements: <sup>must</sup> meet ALL requirements

### Authority

California Penal Code sections 26150 and 26155 provide that a Sheriff of a county or the Chief or other head of municipal police department of any city, or city and county, shall issue or renew a license to carry a pistol, revolver, or other firearm capable of being concealed upon the person (Concealed Carry Weapon license).

### Who Shall be Issued a License

The licensing authority specified in Penal Code sections 26150 and 26155 shall issue a license to persons who are not a disqualified person to receive such a license, as determined in accordance with the standards set forth in Penal Code 26202, meet residential requirements, and have completed a course of training. All applicants for a Concealed Carry Weapon license will be fingerprinted and state and federal records will be checked to determine if they are eligible to possess firearms. [Click here](#) to view all categories that would prohibit a person from possessing firearms and being granted a Concealed Carry Weapon license.

### Completing the Application

California Penal Code sections 26150 and 26155 provide that a sheriff of a county or the chief or other head of a municipal police department of any city or city and county shall issue a license to carry a pistol, revolver, or other firearm capable of being concealed upon the person (CCW license). Penal Code section 26175 requires the Attorney General to prescribe a statewide standard application form for a CCW license. Answering all the questions on the Application does not guarantee the issuance of a Concealed Weapon Permit. The determination whether to issue the license is at the discretion of the licensing authority. Pursuant to California Penal Code section 26160, each licensing authority will have a written policy summarizing their requirements for issuance of a Concealed Weapon Permit. In addition, prior to issuing a Concealed Weapon Permit, the California State Statutes require proof that:

- The applicant is not a disqualified person to receive such a license, as determined in accordance with the standards set forth in Penal Code 26202;
- The applicant is at least 21 years of age, and presents clear evidence of the person’s identity and age, as defined in Penal Code 16400;
- The applicant is a resident of that city or city and county. Prima facie evidence of residency within the county or a city within the county includes, but is not limited to, the address where the applicant is registered to vote, the applicant’s filing of a homeowner’s property tax exemption, and other acts, occurrences, or events that indicate presence in the county or a city within the county is more than temporary or transient. The presumption of residency in the county or city within the county may be rebutted by satisfactory evidence that the applicant’s primary residence is in another county or city within the county;
- The course of training prescribed by the licensing authority has been completed.
- The applicant is the recorded owner, with the Department of Justice, of the pistol, revolver, or other firearm for which the license will be issued.

**Character References**

You will need to provide the names and contact information of three persons willing to serve as references. One of the three must be a person described in Penal Code section 273.5, subdivision (b) (your spouse, or former spouse, your cohabitant or former cohabitant, your fiancée, or someone with whom you have, or previously had, an engagement or dating relationship, or the mother or father of your child), if applicable. At least one of the three must be your cohabitant if applicable.

**Training Required**

**Effective January 1st, 2024, Senate Bill 2 requires that the firearms training course for initial CCW applications be a minimum of 16 hours and for CCW renewal applications by a minimum of 8 hours - Penal Code 26165.**

If applying for a **NEW** Concealed Carry Weapon license a course approved by the County Sheriff’s Office must be completed prior to permit issuance. This course will be a minimum of **16 hours**.

If applying for a **RENEWAL** Concealed Carry Weapon license, a **8 hour** course approved by the County Sheriff’s Office must be completed prior to permit issuance.

If applying for a **MODIFICATION** to your current Concealed Carry Weapon license that includes a firearm change, you will need to submit training certifications from a training vendor approved by the County Sheriff’s Office.

You can complete your training at the Ben Clark Training Center or you can go to one of the approved list of instructors - [CLICK HERE FOR TRAINING VENDOR LIST](#). You must submit your certificates with your application before being approved. Your required training must be completed before being approved.

*Gaining competency with firearms is like learning to drive a car or fly an airplane. You need expert instruction and practice. There is no shortcut. If you are not willing to invest the time and effort to become competent, then having a firearm and trying to use it can, in many instances, be more hazardous than any impending threat.*

## Concealed Carry Weapon License Requirements: must meet ALL requirements

### Authority

California Penal Code sections 26150 and 26155 provide that a Sheriff of a county or the Chief or other head of municipal police department of any city, or city and county, shall issue or renew a license to carry a pistol, revolver, or other firearm capable of being concealed upon the person (Concealed Carry Weapon license).

### Who Shall be Issued a License

The licensing authority specified in Penal Code sections 26150 and 26155 shall issue a license to persons who are not a disqualified person to receive such a license, as determined in accordance with the standards set forth in Penal Code 26202, meet residential requirements, and have completed a course of training. All applicants for a Concealed Carry Weapon license will be fingerprinted and state and federal records will be checked to determine if they are eligible to possess firearms. ## Completing the Application

California Penal Code sections 26150 and 26155 provide that a sheriff of a county or the chief or other head of a municipal police department of any city or city and county shall issue a license to carry a pistol, revolver, or other firearm capable of being concealed upon the person (CCW license). Penal Code section 26175 requires the Attorney General to prescribe a statewide standard application form for a CCW license. Answering all the questions on the Application does not guarantee the issuance of a Concealed Weapon Permit. The determination whether to issue the license is at the discretion of the licensing authority. Pursuant to California Penal Code section 26160, each licensing authority will have a written policy summarizing their requirements for issuance of a Concealed Weapon Permit. In addition, prior to issuing a Concealed Weapon Permit, the California State Statutes require proof that:

- The applicant is not a disqualified person to receive such a license, as determined in accordance with the standards set forth in Penal Code 26202;
- The applicant is at least 21 years of age, and presents clear evidence of the person's identity and age, as defined in Penal Code 16400;
- The applicant is a resident of that city or city and county. Prima facie evidence of residency within the county or a city within the county includes, but is not limited to, the address where the applicant is registered to vote, the applicant's filing of a homeowner's property tax exemption, and other acts, occurrences, or events that indicate presence in the county or a city within the county is more than temporary or transient. The presumption of residency in the county or city within the county may be rebutted by satisfactory evidence that the applicant's primary residence is in another county or city within the county;
- The course of training prescribed by the licensing authority has been completed.
- The applicant is the recorded owner, with the Department of Justice, of the pistol, revolver, or other firearm for which the license will be issued.

## Character References

You will need to provide the names and contact information of three persons willing to serve as references. One of the three must be a person described in Penal Code section 273.5, subdivision (b) (your spouse, or former spouse, your cohabitant or former cohabitant, your fiancée, or someone with whom you have, or previously had, an engagement or dating relationship, or the mother or father of your child), if applicable. At least one of the three must be your cohabitant if applicable.
