Pursuant to Federal Rule of Evidence 201, Defendants City of La Verne and
Chief Colleen Flores respectfully request that the Court take judicial notice of the
following materials submitted in support of their Opposition to the Motion for
Preliminary Injunction of the Plaintiffs. The document is relevant in the matter as the
Plaintiffs are making an "as applied" challenge to the Defendants' CCW permit process
and requirements and indicates a change in the process that benefits Plaintiffs and all
other applicants.

8 The following matters are not subject to reasonable dispute because they can be
9 accurately and readily determined from sources whose accuracy cannot reasonably be
10 questioned.

Exhibit A: The Professional Services Agreement entered by the City of La
Verne with Seal Beach Consulting as of May 13, 2024 for
psychological evaluation of CCW license/permit applicants
applying to the La Verne Police Department for CCW
licenses/permits.

I. <u>LEGAL STANDARD</u>

Federal courts may grant judicial notice of facts that "can be accurately and
readily determined from sources whose accuracy cannot reasonably be questioned."
Fed. R. Evid. Rule 201(b)(2). A court may take judicial notice of such facts "at any
stage of the proceeding," including in ruling on a motion pending before the court. Fed.
R. Evid. 201(f); *see Hunt v. Check Recovery Sys.*, 478 F.Supp.2d 1157, 1160 (N.D. Cal.
2007) (taking judicial notice on a summary judgment motion).

The Courts routinely grant judicial notice of the records of public entities and agencies, kept in the ordinary course of business of the entity or agency. Such records are not subject to reasonable dispute and their accuracy can be readily determined by review of the public records of the entity or agency.
